Wilton Manors Bar-B-Que

labeled "Brown"-right

Note the Tropical Golf driving range sign is further north in dated photos. Appears Bar-B-Que was originally on the south end of Hagen's vacant lot (as in these 1947/48 pictures), across from Tropical Club/William's Pharmacy/Hagen's office (see next image). Later moved to north end of lot-across from driving range, as shown in first images.

Al Hagen's real estate office across
from Tropical Club/Williams Pharmacy

house at 433 NE 21st St - then and now
