They gave an enlightening talk on the responsibilities of the sponsoring clubs to the Scout Pack and Troops which they sponsor. Dick Boff and Al Turbeville agreed to act on troop 169's Committee and report back to the club.

-----Next weeks program will be a sports film put on by Jack Dolvin with the help of Ken Nordstrom.

*****Boys Work:

Al Turbeville gave a report on the doings at the top of the hill on Soap Box Derby Day. He reported that our entry, Danny Turbeville was very sorry not to have come home a winner and thanked the club for sponsoring him in this event for the past three years. (The boy who beat Danny had the fastest time of the day but one).

Don Clenin suggested that the club give a Trophy in the future for some result in the race, the members are asked to come up with some ideas on the kind of trophy and what to give it for.

Business meeting adjourned 8.45 P M.

Board meeting called to order by Pres. French:

Our President suggested that the club show its appreciation to our three young ball teams by having a picnic for them in the very near future. Good idea: what.

*****Membership:

The application of Jim White was read and passed. This is a good start for the new year, Just think if we could only bring in one new member a week what a terrific club we would have. Should we try it. The induction of our two newest members, Pete Hambrook and Jim White, will take place at the July 18 meeting. So lets show our support for our new officers and make this meeting one attended by all members.

*****Financial report was read by our treasurer F Denito Don Clenin made a motion to accept report and seconded by Al Turbeville.

Meeting adjourned with the reading of the Optimist Creed at 9.45 P M.
