The Historical Society wanted to award a plaque to the Robinson Beauty School, built in 1965 on NE 26th St. by the world-renowned architect Dan Duckham. The building was later the headquarters of the Boys and Girls Club of Broward County. In 2006, it was purchased by Louis Shuster. Mr. Shuster did not want formal recognition because he thought it would hurt his chances to subsequently sell the building. It won the WLRN choice for one of the top three buildings in Broward County in 2012. (Supporters of the Stranahan House supporters were stuffing the ballot box and we won. WLRN said it was a virtual tie for first place.)
