EMERGENCY PHONE NUMBERS

Fire and Police: 9201 or blow siren stationed on Manor Market Building.
Fire Blow 4 times.
Police Blow 2 times.

BETWEEN YOU AND ME

By TOD

Sorry, that through our ignorance, we neglected to make mention that Mr. and Mrs. Frank Miller are also the proud grandparents of newly arrived Gregory Jackson. I bet the little Gregory, with all of his grandparents, the Reginald Jacksons' and the Frank Millers', will not lack attention and of course not forgetting his proud Mom and Dad.

Those graduation exercises of Miss Jordan's Nursery School were certainly a credit not only to the school but to the youngsters who took part in the program. The girls in their colorful dresses and not forgetting the boys in their natty white suits certainly made an unforgettable picture.

Registrations are now being taken for the 1951-1952 school term at Miss Jordan's Nursery School for infants, pre-school and elementary as well as for the summer session.

We are mighty pleased to see that four year old Billy McNiff, son of Mr. and Mrs. Tom McNiff of 226 NE 23rd St., has recovered from his recent painful accident. Young Billy is running around and is as good as ever.

NEWSY NOTES

Ed Cross who has been the house guest of Mr. and Mrs. "Red" Barnwell for the past two weeks has returned to his home in Detroit. The fish are glad for white Ed was here he made several nice catches.

Glad to see that Jim Harrison of Oakland Park has returned after his recent operation in Ohio. It is nice seeing Jim back here with us again.

A box is being placed at Manor Market for the receiving of waste paper. The Boy Scouts of the Village have this as one of their main projects in raising funds. Mrs. Harley Sanderson supervises the project for the Village and Mrs. Merle Owens is in charge for Highland Estates. Further information can be received by phoning Mrs. Sanderson at 4770 or Mrs. Owens at 3-4635.

Several of the Scouts have made arrangements for a stay at Snapper Creek Boy Scout camp.

Happy Birthday to Red Barnwell which is Wednesday June 13th.

Bill Karsten of the Kiwanis Club reports that discussion was held pertaining to extending bus service for Wilton Manors. This is swell and shows that the local Kiwanians are on their toes for improving the growth of the Village.

Mrs. Lowell Draper, Dorothy Ann Beauty Salon, has taken a well deserved two week vacation to Madison, Illinois. Her beauty shop will remain open and be in charge of Margaret Johnson, during her absence.

The Covenant Presbyterian Church of Wilton Manors will open its Daily Vacation Bible School on June 18th at 9 a.m. The school will continue Monday thru Friday, from 9 a.m. to 11 a.m. to June 29th.

A competent corps of teachers will children of 4 to 14 years of age are be on hand to conduct classes and all cordially invited to attend, regardless of church affiliation, according to Rev. Russell D. Tomas, pastor of the church.

Lieut. Joe Vason and President Frank Miller heard reports from committee chairmen at the recent meeting of the Kiwanis Club.

Renovation on Williams Pharmacy is going along in great shape. One thing we have noticed and that was the lack of confusion in an undertaking of this nature.

Have heard that Commissioner Jim Boyd is planning a vacation trip to Scranton, Pa.

With the business men taking over the Ft. Lauderdale Braves team, you can look for several changes which will be a decided improvement. Attended the meeting at City Hall last Friday when a gathering of 75 were

COURTESY NORTH BROWARD TIMES

FATHER'S DAY (Editorial)

By Betty Dickens

European sophisticates have criticized the United States for being a world where "MOM-ism" rules supreme, a land where the hardened soldier is replaced by a simpering lad who cries on his Mother's shoulder as he parts for army camp and overseas.

Righteously indignant Americans threw back the reply that it is because we revere the American Mother and American home that our fighting men have something worth coming back too.

Perhaps not enough has ever been

stars and jesters have long enough tossed Dad about as the butt of all family jokes. "The guy who foots the bills, the man who sometimes gets to use his own car when Jr. isn't dating; the fellow who works all day and half the night to keep up with his wife's spending."

All in all the American Dad is neither a softie nor too hard put upon. In most cases he has a family whom he enjoys to some extent, a wife who prepares most of his meals, and, if she guides him in spending 90 percent of his income, she is at least 100 percent responsible for his being forced to earn it.

First of all he is generally freed of household duties. He comes home to a cooked meal most of the time, does little or none of the family mending or dishwashing. . . . His interest in seeing that the children get to school each day is usually confined to what his good wife has to say about it. If he manages to keep his health, chances are he'll save enough money to retire before all his muscular tone and youth has left him.

There is one thing I don't believe the American Dad gets enough of. . . . And that is plain, ordinary praise for the inconspicuous day in day out job of providing for the family. . . . Let's all get in the habit of saying "thanks" to Dad for all the little things, as well as the big things he provides. He deserves a big star in his crown for mustering interest enough to go and work for us who have become so used to accepting without saying "thanks."

Members of the graduating class appearing from left to right: Johnny White, Julie Howell, Jamie Hickson, Caroline Titterton, Richard Stoner, Janet Sherman, Diane Hagen, Sandra Isaacs, Cathy Swindell, Linda Waterhouse, Charles Schofield, Karen Doel, Gary Mason and Gail Goodbread. Editors' Note: The above photo was not posed but purely an impromptu "shot," unfortunately Mike Hall, Judith Sapp and Carol Jean Lanford were members of the group but do not appear in the picture as they were not "focused in" when the snap was taken. All of the above named were presented with certificates.

MISS JORDAN'S SCHOOL HAS SECOND GRADUATION

Kiwanis Names Convention Delegates

The Kiwanis Club at their recent meeting, elected as delegates to the International Kiwanis Convention, President Frank Miller and Secretary Les Bagwell. Vice-President James Dean and Ed Claggett were named as alternates. Frank Miller and Les Bagwell will be present to represent Kiwanis.

The convention will be held in St. Louis beginning June 17th and running through the 21st. Delegates from all over the world will be in attendance.

The Kiwanis Club have already started work on preparing a baseball diamond at the new Wilton Manors School. Carl Turner chairman of this project, has had a bulldozer on the job clearing the land and is now awaiting a larger machine so as to remove the larger trees.

The members of the local Kiwanis Club is as follows: Les Bagwell, George Barry, Vern Burnell, Hal Brollier, B. Brown, Nick Carter, Jim Dean, Ed Claggett, Ez Etherton, Jim Farquar, Geog. Ford, Frank Gates, Don Grose, Earl Gurney, Duke Hartman, Roy Steffey, Jack Hines, Bob Jackson, Bill Karsten, Bob Lewis, Dick McLennan, Lou Menefee, Perry Mickle, Frank Miller, Bert Muzzel, Bob Pryor, Hal Ratliff, Geo. Roe, Dr. Dan Peschio, Bill Smith, Frank Starling, Carl Turner, Emmett, Vernon, Mac Williams, Art Wolfe and J. B. Wright.

The wives of the Kiwanis Club members held a meeting at the home of Mrs. Frank Miller recently for the purpose of organizing a Sinawik Club. Mrs. Ed Claggett was in charge of the meeting. It was decided to meet the second Wednesday of each month informally and in September hold an organization meeting for the purpose of electing officers for Sinawik. Mrs. Malcolm Carlisle of Lauderdale Sinawik and Mrs. Wilcox gave a talk on organization problems. Those present included: Mrs. Ed Claggett, Mrs. Frank Miller, Mrs. Ezra Etherton, Mrs. Frank Gates, Mrs. Lou Menefee and Mrs. Robert Jackson. The next meeting will be

One of those delightful events which takes all of us back many years was the graduation exercises of Miss Jordan's Nursery School which was held yesterday. The school had 300 parents and friends attended the exercises. This was the second graduation at the popular Nursery School.

The graduating class made a pretty picture—the girls in their long colorful hooped dresses and the boys in their white suits. All of the girls' dresses were made by Miss Jordan and her assistants.

From the opening of the first number in the program, "On the Way to School," until the close, with the presentation of certificates, those assembled were held in awe by the program presented by the youngsters.

The program presented, depicted the progress and activities of the school year in songs, dances, speech and exhibits.

The whole school participated in the program and included the following: The two year old "green" group—Ester Huntsinger, Linda Calhoun, Del Soady, Susie Annin, Sissy Fitzmaurice, Barbara Roach, Larry Howell, Ricky Williams, Stevie Marabel, Susan Koontz, Eddie Schafer and Michael Horan.

The three year or "blue" group consisted of: Rita Jo Parker, Sharon Tichenor, Jimmy Evans, Billy Baird, Beverly Dean, Jack Carter, Carolyn McAllister, Elizabeth Mitchell, Bobby McCleughry, Paul Cwalinski and Susan Titterton.

The four year or "pink" group included: Sandy McLennan, Billy Evans, Trey Weidling, John Thompson, Paul Carter, Paulette Von Sprecken, Joyce Hagen, Teddy Bell, Steve Barton, Suzanne Clark, Steve Smith and John Wolfe.

Attendance certificates were awarded the above.

One of the highlights of the evening and which caused a good deal of merriment was the skit "Hickory, Dickory Dock" put on by the three year-old youngsters Bobby McCleughry, Jack Carter and Jimmy

THE PASTOR'S STUDY

By Rev. Russell D. Toms
 Covenant Presbyterian Church
 "Believe on the Lord Jesus, and thou shalt be saved, thou and thy house."—Acts 16:31."

In the Bible, we read of the days of the New Testament Church and the saving of a man and his whole household. There is a natural alliance of the family and the Christian Church. The Bible consistently presents the godly home as the ideal home. The Hebrew home as we see it in the Old Testament was designed to set the high standards of faith in the lives of the children. Every child in the family was to receive the sacred law. The passover feast was a wonderful opportunity for instruction in the faith. The children would ask, "What mean ye by this service?", and the

father would explain the meaning of it and tell his family about the miraculous deliverance of Israel from Egypt. This same idea of the family unit and the proper instruction of children by their parents is carried over into the New Testament. The Apostle Paul made the relationship of husband and wife the symbol of Christ's relation to his Church. The family unit is important. The Christian home, the Christian family, is a spiritual partner of Christianity.

One of the alarming problems we face today is the disorganized family. There are families today where the husbands and wives and children are all busy with some or many varied social activities which prohibit the family from building any sort of close fellowship and togetherness. There are far too many families which never have time to be together except when they are so tired that their being together doesn't mean a thing. There is no real opportunity in too many families for the intimacy and closeness that is so absolutely necessary to the development of the family unit. This is a great danger, and in time of war this danger is even greater.

er. Families have forgotten how to work and play and worship together as a unit; and this being together is of extremely vital importance to an enduring family relationship.

There is a great need in America today for strong Christian families. In these days when there is instability in many homes, marital infidelity, frequent uprootings of whole families in moving to new communities, husband-wife problems, parent-child problems, economic problems, and many other problems in the American home, there is a great need for Christ-centered homes. When Christ takes possession of our hearts and homes, things change. He cleanses away our sins, enlists our powers and affections in his Holy service, and puts a new song in our hearts. If you would have a sound home, a sound family, believe on the Lord Jesus and thou shalt be saved and thy house. Christ is all-sufficient to make your family relationship an enduring one.

Get Social Security

Paul L. Byrley, manager of the Fort Lauderdale Social Security office, announced today that any high school or college student who plans to work during the summer vacation should secure a social security account number card if he does not already have one. If he has had a Social Security account card but has lost it then he should apply for a duplicate of the card which he lost.

Byrley pointed out that many employers will not consider a worker for a job if he does not have his Social Security card available.

"The Social Security account number," Byrley stated, "identifies the worker's Old-Age and Survivors Insurance account. The employer needs this number to report the wages of his workers. If a number is missing on a worker's card, the worker gets no credit for them. That can mean reduced Old-Age Insurance payments to the worker when he reaches age 65. The same is true of survivors insurance that might be payable to his family if he should die at any age."

The Social Security office for Broward County is located at 125 SE First Street in Fort Lauderdale. A representative of this office is in Hollywood at the American Legion Post every Tuesday from 3:30 P. M. to 5:00 P. M. for convenience of the people living in the south Broward area.

BOY SCOUT NEWS TROOP NO. 123

By Tommy Hinds, Jr.

Now that school is out, the Scouts have a long summer ahead of them, but many of them are already looking forward to going to Scout camp at Snapper Creek.

Among those who have already signed up and will go for various periods of time include Gordon Sanderson, Tommy Hinds, David Hartman, Terry Lane, Tom McElhattan, Jimmy Rowe and Flavel Roberts.

This is the month for the reorganization of the Troop and application for the new charter will be made to Scout headquarters.

There is a decided need for men who are interested in boys work to assist the committee in furthering the good work now being carried on by the Scouts. Any one interested is cordially invited to attend the meetings held at Village Hall every Thursday night.

The Cub packs during the summer, cease operation until the fall season.

During the week end of June 16th and 17th a Scout leaders training course will be held at Snapper Creek and is open to every one over 18 years of age.

There is a Y. M. C. A. day camp which is available to boys throughout the summer. Further details can be obtained from the "Y".

WEDDING RINGS REFLECT TIMES

The wedding ring, says O. M. Resen, is a sure barometer of our times.

Resen, whose New York firm makes wedding circlets of all kinds, says that when people start tightening their money belts, wedding rings are the first to show it. They are simpler, less costly.

But, he says, let money flow freely . . . as it seems to be now . . . and the wedding band becomes more elaborate. "It is in a way, says the ring maker, that everybody getting married seems to want a double-ring ceremony."

Says Resen, "Double ring ceremonies boomed during World War II, they hit a lull after the war, and now with Korea we're selling ring sets like mad again."

He thinks the reason is this: during wartime women like to have husbands away from home constantly reminded they are tied to a one-and-only. Resen says ring designs got more sentimental during a war, too.

One of his best-sellers during World War II was a fancy palladium job with the words "I Love You" engraved around the circle. He says, "Sailors bought them by the thousands."

THE BULLETIN

SPOTLIGHT

The TROPICAL CLUB

The Tropical Club, which is a favorite rendezvous for those who desire a nice place to meet friends is

now under new management.

Mr. and Mrs. Howard C. Worden formerly of Lansing, Michigan, have taken over this popular establishment and have several innovations in mind for improving the Tropical Club.

Howdy and Florence will be joined shortly by their son, Ronnie. They would be very happy (and I am sure we all would be) if their older son Darry would be able to join them. Darry is in Korea with the Second Division, which is in the combat zone. Mr. and Mrs. Worden are looking forward to have Darry back with them around October 1st.

The Wordens are not new in club business as they formerly operated one of the most popular spots in Lansing which was known as the Top Hat. This location none of the finest in Hat. The cocktails, food and service Michigan. They expect to have the dining room operating soon at the Tropical Club and are going to serve those delicious jumbo sandwiches, and other appetizing dishes.

After selling his Top Hat Club in Lansing, Howdy Worden was affiliated with the Motor Wheel Corp., as Credit Manager.

The Wordens, before settling in Wilton Manors, visited The Keys and other areas and decided that the Village was the type of community in which they would like to establish their business and home.

The Tropical Club announces that the dining room, patio and kitchen is available for Wilton Manors residents who may wish to use these facilities for weddings, receptions, club meetings and you can rest assured that the Wordens will do everything in their power to make you feel welcome. Hal Diamond, who has legion of friends in the area is still at the Tropical to greet those who drop in.

HOPE FOR WILTON MANORS POST OFFICE IS RENEWED

Hope is stirred once more for the possibility of a branch post office in Wilton Manors. A. G. Shand, Ft. Lauderdale Postmaster reported early this week that he and a postal inspector will be contacting local residents regarding the advisement of such a branch this week.

Mr. Shand also reported that improved mail delivery service in Wilton Manors is also under consideration at this time and action may be expected within a week's time.

The Bulletin has been making regular inquiries into this matter for some time in carrying out its aim to further the betterment of Wilton Manors.

Safeguard the Health of Your Family

Each year an appalling number of persons die from disease of different kinds. Many of these deaths can be traced directly to disease bearing insects . . . including the ordinary household variety of insects. End the threat of insect borne disease once and for all . . . paint on LASTING protection with the amazing Diano! Paint Insecticide!

Diano! . . . mix with paint . . . Insecticide is sure death for insects carrying bugs . . . a sure safeguard for better health and improved sanitation.

Diano! is an insecticide in powdered form that mixes easily and uniformly with ANY TYPE OF OIL PAINT . . . WATER PAINT AND DRY PAINT . . . including flat, semi-gloss, satin finish, gloss enamel and exterior house paints as well as WHITEWASH, CASEIN, CEMENT AND STUCCO PAINTS.

Easy to use: Mix one pound of Diano! to every gallon of paint. With powdered paints and whitewash . . . this one pound of Diano! to every ten pounds of powdered paint.

Diano! does not change the normal characteristics of the paint itself . . . does not affect the color of the paint and has no odor. Diano! may have a cloudy effect when added to varnishes and lacquers . . . this is temporary and will brush on clear. DIANO! TRANSFORMS A REGULAR PAINT INTO ONE THAT IS INSECTICIDAL FOR THE LIFE OF THE PAINT.

Diano! need only be used in the Final Coat. Diano! Insecticide in paint will kill ants, fleas, moths, mites, crickets, mosquitoes, and other household pests.

Diano! Paint Insecticide does away with messy sprays, irritating gases, unsightly swatters, ugly fly paper and the constant foul with insects. Any insect that comes in contact with a surface that has been painted with Diano! Insecticide dies . . . it is simple as that!

Diano! Paint Insecticide is harmless to human beings and to all warm blooded animals . . . which includes household pets. It is non-toxic and cannot cause ill effects.

Diano! Paint Insecticide has been in use for more than four years . . . has been endorsed by leading health authorities and has been tested extensively under all conditions.

The amazing Diano! Paint Insecticide is on sale at Tropical Paint Supply. (ADV.)

Our Thanks to Mrs. Mabyn Thomas

The Bulletin thanks Mrs. Mabyn Thomas for her cordial recommendation of our paper. Mrs. Thomas, who is president of The Wilton Manors Women's Club, speaks highly of the Bulletin and says she always looks forward to its coming and reads it with much interest, from cover to cover.

NEWSY NOTES

(Continued from Page 1)

present and a good deal of enthusiasm was in evidence. It was reported that several new players will be contacted in order to strengthen the team.

* * *

Dan Chiappa, Tropical Tile expects to leave shortly for a two weeks trip in New York. Speaking of tile, it reminds us that Tropical Tile certainly does great work and you can depend on quality and service when doing business with that organization.

* * *

The Tom McNiffs' of NE 23rd St., have as house guests, Mr. and Mrs. Kenneth Schueler and their youngsters, Sally and Keith. The Schuelers hail from Pittsburgh.

Only a few of those Easy washing machines left at Electra-Pliance at that splendid buy for \$159.95. Hurry, Hurry, Hurry as we're sure they will be closed out in the next few days.

* * *

There are some beautiful buys at Shoemakers, Inc., for those who are in need of office stationery, record books, legal papers, leather wallets, art supplies, etc. Drop in and you will sure find bargains.

* * *

Shepler's "The Lamp Post" at 821 NE 6th Ave., Federal Highway has just opened up a wonderful gift shop carrying lamp shades and pictures. Shepler's also does custom picture framing. For that gift out of the ordinary drop in at Shepler's.

Korean War Ends Happy Evenings

The Korean War disturbed the pocketbooks and thoughts of many Americans, but to the Bryant Reeds of Newton Highlands, Mass., subject of How America Lives article, it meant the end of happy evenings together, a pause in a promising career, and an uncertain future.

In January, Bryant was called back into the service as a seagoing officer. Since the Reeds had lived in Newton Highlands less than four months, it was not feasible for Mary, two-year-

Teacher's Life One of Hardest

These days a schoolteacher's life is not an easy one.

Television and other modern developments have made her pupils more restless than ever.

The National Education association says a recent survey shows that "there is still a sound core of well-adjusted, well-reared children." But, it finds, "the cumulative effect of broken homes, the tensions of war, family transiency, lack of parental control and the over-stimulation of moving pictures, radio and television are being felt in almost every classroom."

The N.E.A. finds that crowded classrooms also add to the already heavy teaching load, and it recommends that more teachers should be hired, and more classrooms provided across the country.

Happy Birthday and Anniversaries Too!

Here's a brand new feature in the Wilton Manors Bulletin! Each week we want to announce birthdays during the week of publication. For instance we come out on Thursdays... So send in your birthdays and anniversaries for the week starting with the date of issue of the Bulletin. Now for any of you who have birthdays falling on any date of publication there will be a special surprise for you... so come on join in the fun. Mail birthday and anniversary dates in advance to The Wilton Manors Bulletin, 11 Wall St., Ft. Lauderdale.

HELP FOR THE MEAT BUDGET

NO-WASTE CANNED HAM—If you like meat with no "do-dads" or frills, serve an attractive meal-on-a-grill with no-waste canned ham, broiled tomatoes and toasted cheese crackers. Prepare the tomatoes for broiling, using your favorite topping—salt, pepper and butter, chopped onion, chopped parsley or seasoned bread crumbs. Place them in the broiler at low heat. Mix grated cheese, mayonnaise and horseradish to top the crackers. When tomatoes have been in the broiler about ten minutes, add the ham slices. The cheese crackers go in when the tomatoes and ham are almost done.

DON'T UNDERESTIMATE THE WEAKER SEX

Women are proving themselves to be a great force in proving internationalism.

Mrs. William Dick Spohrberg, a member of the United States National Committee for U-N-E-S-C-O, and a former New York president of the General Federation of Women's Clubs, said at a Cooper Union forum last night, that women generally have proved this by backing the United Nations.

Says Mrs. Spohrberg—"Women's national organizations have taken an active interest in all the international humanitarian agencies geared to remove the causes of war by fighting disease, poverty and ignorance."

ANYONE CAN GROW BEAUTIFUL ROSES

Except for a little basic know-how, there isn't much you have to learn to grow beautiful roses.

The magazine "Successful Farmer" suggests these easy-to-follow rules:

Plant roses in a place where they'll

get sun at least four hours a day. Put them in soil that is good enough to support sturdy weeds. Pick a spot that is not too windy, and where drainage is reasonably good, and keep in mind that roses cannot grow directly under trees or in competition with tree roots.

If you want to keep paint off the glass when painting a window frame try covering the pane with damp newspaper cut to the exact measure of the pane.
