New Village Map Being Prepared

A new map, costing approximately \$100 will be prepared by the Village showing the various streets and correct house numbers. The new map is being prepared as the one in use at the present is outmoded, due to the growth of the area.

Messrs. Malcolm, Yde and Kingman are the committee working in conjunction with the engineer. The above was authorized at the last Council meeting.

NOTICE

Village Clerk, Mrs. Mary Harvey, has announced her intentions that she is not running for re-election to office.

"Mary," as everyone calls her, has proved most courteous, efficient and considerate in her position. I wish to pay personal tribute for the many kindnesses she has shown to me. It will take a good person "to fill her shoes." We wish her the best of luck in the future.

—The Editor.

DIRECTORY

VILLAGE OFFICERS

Mayor, Dave Turner.

MEMBERS OF COUNCIL

President of Council, Al Hagen. James Boyd, Park Commissioner. J. Marvin Brown, Police Commissioner. Col. W. J. Robinson, City Attorney. Arthur Chabot, Fire Commissioner. BETWEEN YOU AND ME

By Tod

A good number of people in the "Northwood Section" have told us of the fine work which is done by McGraw's Dry Cleaning and Laundry which is located on 1718 Sunrise Blvd. Telephone 6563. They do alterations and repairs and are conveniently located for people in that section—and there is ample free parking.

Ran across an old New Jersey acquaintance the other day, Mickey Diamond from Paterson who has opened up a new barber shop at 2029 N. E. 18th St. (Laudergate) just off Federal Highway. Mickey will do "OK" for he had over 20 years experience in N. J. and this is a newly developed area where he is presently located.

Did you ever hear of a dog that was a diamond hunter—well I did and this is a true story. Ginnie Farrell of the "fishing" Farrells lost her diamond engagement and also wedding ring near the entrance of the home on 17th St. Both Ginnie and husband Sherm, looked high and low and (no find). Ginnie took Iodine, their Scotty, out for a walk and Iodine began scratching around — The Farrells thought that Iodine had cornered an insect and looked to see what was going on—you guessed it—Iodine had found the rings.

See where Nancy's Dress Shoppe is featuring some good buys in dresses for the women folk. They range in price from \$7.95 to \$17.95 and shorts from \$1.95 to \$3.95. Nancy says look at the "special" sales rack. All sizes as well as half sizes are carried.

Here is something that the women are really going to like, when it comes to doing their interior home painting. Just learned that Les Bagwell of Tropical Paint Supply has taken on the Color-ette tinting system line of paints. This consists of 210 shades of color in flat and corresponding colors in gloss and semi-gloss. He, with this system, can practically match any color scheme of fabric in the home. There is a color combination of 32,760 colors so you women folk can now really go "to town," on colors for your home. Drop in and let Les show you the Color-ette Tinting System.

We would like to know WHAT HAPPENED to the color of Jeff Wilson's hair. Jeff is dragline operator for Broward Quarries. Give us the low down, Jeff.

Notice that Old Hickory Bar-B-Q is doing a swell job and is a most popular spot. For a young man Tommy is really on the job.

Doing a rushing business is Phil's Diner, operated by most congenial people.

See that Village Tavern is putting out plenty of those delicious chicken in the basket, prepared by Mac.

Public Mass Meeting For Village Election Friday Night

The question of getting out candidates for various offices at the coming election to be held on March 3 was discussed informally last Wednesday night by approximately 25 persons.

It was agreed that candidates should be encouraged to qualify by the limitation date of February 21 and that a public mass meeting is to be held at Village Hall Friday, February 22 at 8 P. M.

All voters and candidates are invited to attend this meeting in order to stimulate interest in the March 3 election.

Among the names mentioned as likely candidates for the expiring offices of Council and Mayor are Perry Mickel, Jim Dean, Frank Starling, Earl Middleton and Dan Kingman. President of the Council, Al Hagen and Council member Arthur Chabot as well as Mayor Dave Turner have declined to run for re-election. The Village Clerk, Mary Harvey, whose term expires, states she will not run for office.

Village Attorney Robinson, whose term also expires, at this writing has made no commitments other than he is undecided, all depending on the Oakland Park water situation. This is now before the courts. At the same time the question of whether or not the expiring Council members and Mayor are sitting idly as the result of postponing the election to March 3 will be decided.

An elector or qualifier for office must be a resident of the state for at least one year and of the village for at least six months. Those who are not registered for the village election may do so by appearing at the Tropical Homes Office on Wilton Drive. This can be done up to 5 days preceding the election.

NEWSY NOTES

(Continued on Page 4)

Mr. and Mrs. Paul Reed of Lebanon, Pa. will shortly re-open Manor Sundries. We have noticed that Bill Karsten is re-decorating the store.

Mr. and Mrs. Tommy Brace from Reading have re-opened their home on 25th St. Tommy is with the Pennsylvania State Police and is due for retirement in September, when he and Mrs. Brace are expected to be here permanently.

One of those commendable acts of human kindness is exhibited by "organized labor" who for the past several months have been working on the erection of a home for J. H. Smitty (the one-armed bridge tender). It may be recalled that Smitty and his family, many months back, had their home burned. Organized labor upon hearing of this, went to work and the home will be ready for occupancy within the next two weeks, according to the report of Harry Eichholtz, building chairman. The home of Smitty is located on Highway 84 just 7 miles past Route 7. All materials used in the construction of the home was furnished by local suppliers for which the building trades, as well as Smitty, are most grateful.

Eleanor and daughter Sandy Robbins are visiting Mr. and Mrs. Lewis Dilling of 26th St. The Dillings are Parents of Mrs. Robbins, who flew in from Detroit for an indefinite stay.

(Continued on Page 4)

COUNCIL OVERRIDES MAYOR'S VETO ON VILLAGE WATER CONTRACT

The water question which has been before the Village Council for the past several months took up the majority of the time at the regular meeting of Council last Friday night.

Appearing before the Council was Attorney William G. Miller, Jr., representing Mayor Dave Turner, in which Mayor Turner voiced his objections in writing as to his reasons for failing to sign a proposed contract for water to be supplied the Village by the City of Oakland Park.

The Mayor has declared that he and three Councilmen, Alvar Hagen, Arthur Chabot and Village Attorney Robinson are holding office illegally. This matter is now pending before the Court. Mayor Turner has contended that the question of providing water for Wilton Manors is a matter for the newly-elected members of Council to decide following the March 3 elections.

He further feels that the people, who after all will pay for the water system, should have a voice in whether or not they wish to have their own plant or to buy water from Oakland Park.

ROBINSON MOVES LETTER BE RECEIVED

Mr. Robinson moved that the letter from the Mayor be received and all members voted in accord.

The Village Attorney then made a motion stating that inasmuch as the letter in writing recites that pursuant to the provisions of Chapter 165.11 F. S. A. that to the extent that he returns "the ordinance drawn in contract form concerning the sale of water by the City of Oakland Park, Florida to the City of Wilton Manors;" "with this letter stating my objection to said ordinance," that inasmuch as this letter would have no effect under the provisions of Chapter 165.11 unless it were intended to be signed by Mr. Turner as Mayor; that inasmuch as he alleges in the 2nd paragraph as a reason for his disapproval of "this ordinance," "that I and three members of City Council of the City of Wilton Manors whose terms of office were to expire on November 3, 1951," that the implications are contained therein that the terms of office did not expire that inasmuch as Ordinance No. 28 being an amendment to Ordinance No. 6 which said ordinance provides for the manner of holding elections in the Village of Wilton Manors was passed by unanimous vote of the Village Council on the 19th day of October 1951, was approved by Dave Turner as Mayor together with the accompanying resolution which was also approved by Dave Turner setting the time of election for March 3, 1952; that aside from the question as to whether this is an ordinance or whether it is not an ordinance that Dave Turner in the opinion of Council is estopped from asserting the legality of term of office by reason of having approved the aforesaid amended election ordinance and resolution thereto, but out of respect to Dave Turner and his manifest interest in the community that no further action be taken on this letter.

VOTE TAKEN BY COUNCIL

Councilmen Boyd, Chabot and Robinson voted in favor with Councilman Brown abstaining from a vote as he stated he did not understand the motion.

FURTHER MOTION PRESENTED ON VOTE

Village Attorney Robinson moved if in the opinion of this body the alleged ordinance which was considered by this body to be a water contract be put to a vote for approval or disapproval over the objection of Dave Turner as stated in said letter of disapproval; not because he may or may not be Mayor but to affirm the opinion of this body that Council considers the disapproval as stated, whether as Mayor or as an individual be insufficient to cause this body to change its opinion of the approval previously expressed of the water contract which was approved by this body on the 6th day of February, 1952.

The motion was carried with Councilmen Boyd, Chabot and Robinson voting favorably and Brown voting "against."

AN OPEN LETTER

By Councilman Brown

I wish to accept openly the apology of the fine citizens who criticized me for the action I took in refusing to vote for a contract with Oakland Park for water (which I had not studied nor read). I would like to state through the press my stand in the matter.

We have an option to purchase (with a \$500.00 deposit) certain equipment that is stated to be in A-1 condition at a saving estimated to be \$6,000.00, and of capacity to carry the Village for twenty-five years, (so stated by Engineer C. Kay Davis) together with an offer of a plant and well field site for \$1.00 per year.

I feel it would be unjust to the people of Wilton Manors for us to sign a 25-year contract with Oakland Park for water, as well as having to spend \$4,200.00 to lay an eight-inch main between Oakland Park and our present Village limits.

If we were taking option on equipment to enable us to get the price down from Oakland Park I feel we were doing them an injustice.

As an established fact as to quality and quantity of Fort Lauderdale water (I as a continuous user of Fort Lauderdale water for 24 years) and having had an opportunity to connect to Fort Lauderdale lines four years ago, on terms we could afford, and with a ten-inch Fort Lauderdale line still existing within our Village limits, I still contend that we would not profit, neither would Oakland Park by signing a 25-year contract at 22½ cents or 25 cents per one thousand gallons of water.

NOTE: Through error in copying my letter to the Editor of The Fort Lauderdale Daily News, the last sentence which states 5 years should have been 25 years.

Signed,
J. MARVIN BROWN

Social Security Information

Why do I have to have a social security number? Many self-employed people are asking this question these days, says Paul Byrley, manager of the Broward County Social Security office at 125 S. E. First St. in Fort Lauderdale.

Byrley explained that a social security number has exactly the same significance as the number on an insurance policy.

"Your social security number," said Byrley, "is the number of your Federal Old Age and Survivors Insurance policy. Your number identifies the policy as belonging to you. For instance," he continued, "there are at least 8 George Smiths, 3 Harry Smiths, and 4 James Smiths in Broward County. If their employers reported their social security credits under their names only it would be impossible for us to determine which George, Harry or James Smith the credit belonged. A social security number is equally important to the self-employed person who makes his social security report this year. If the social security report does not carry his social security number, he may not receive the social security credit for which he has paid a tax."

Mr. Byrley urges every self-employed person who makes his social security number, he may not receive the social security credit for which he has paid a tax."

Mr. Byrley urges every self-employed persons whose net earnings in 1951 were \$40.00 or more to apply for a social security number before filing the social security tax report. This report will ordinarily be filed as a part of the income tax report and is due before March 15, in most cases.

If the self-employed person already has a social security number, even though it was taken out before he became self-employed, no new number need be applied for. A lost social security card will be replaced with a duplicate of the original.

National Cartoonist Visits the Malcolms

The Claude Shafers of Cincinnati are visiting Mr. and Mrs. Norman Malcolm of 5th Avenue.

Mr. Shafter is widely known as a cartoonist for the Times-Star and Enquirer for more than 40 years and his cartoons have been widely syndicated throughout the country and have been a potent influence in many a political campaign.

County Agent Kiwanis Speaker

"Bev" Lawton, agricultural agent for Broward County, and Past President of the Kiwanis Uptown, was the guest speaker at the Wilton Manors Kiwanis Club on Tuesday, February 12.

Mr. Lawton spoke on the interesting growth of agriculture in Florida and particularly about the growth and development of the cattle business in Broward County.

Joe Miano was inducted into the club by "Mac" McGuire.

Woman's Club Hears Beautification Talk

The Women's Club held its regular meeting Tuesday afternoon at Village Hall. Mrs. Edward McKeon of Pompano Beach was the guest speaker and spoke on gardens and beautification. Mrs. McKeon praised some of the work which has been accomplished at Pompano Beach, particularly the beautifying of the area along the FEC R. R.

Mrs. Ray Axford was chairman in charge of the program and Mrs. Clayton R. Leaver and Mrs. Maby Thom- as were hostesses.

**Wilton Manors
 School News**

First Grade (Miss Meredith)—We have been getting ready all week for our Valentine Party which was held on Thursday afternoon. Our teacher made each of us a little mail box for our Valentines. We each had a chance to be postman. It was fun making the valentines. It wasn't so easy to be postman. We have found out many things that would help the postman to find mail boxes better.

Our mothers came at 1:45 P. M. We do thank our mothers for the party. It was so very nice.

Second Grade (Miss Hammer)—This week the second grade has been getting ready for Valentine's Day. We have been putting valentines into our valentine box, which Mrs. French made for us. Mrs. Atwater is chairman of our party. We have made and put up valentine decorations in our room. Also we had a lot of fun making valentines for our mothers.

Many of the girls in our room have been learning to jump rope. They have been spending all their recess periods jumping and some are doing very well.

—Kathleen McCory.

Third Grade (Miss Miller)—This week the bulletin board contained a huge heart which was made by the boys and girls in the sixth grade. It contained a large Cupid sitting in a rose. It was very pretty.

Fifth Grade (Mrs. Hammond)—We are writing letters to some 5th graders in Evert, Mich. Those who

have received letters already are Terry Hamby, Bobby Sapp, Mary Flo Kelly, Shirley Wells, Mark Mincey, Sylvia Mansfield, Norma Cornelius.

Chief Richard Beaney is going to visit our room and give us a talk on safety.

Douglas Farquhar went to the Tampa State Fair. Leonard Myers spent a few days in Cuba. They each gave us an interesting report.

—Gary Romayne Palmateer

Fifth Grade (Mrs. Mattmuller)—Mrs. Mattmuller's fifth grade has been making a study of the flag of our country. We are planning a radio program. It will be broadcast on Wednesday, February 27, at 4:30 P. M. over WBRD. Our program is about the flag of the United States of America. Following are some of the things we will do on our program. First we will have a choral reading, and then we will have a flag quiz. We are going to sing a song.

In our study of the flag, we have been making flag booklets. We are going to have some reports about different flags. Some of these reports include: The Flag of England; the Flag of the thirteen colonies; the First Stars and Stripes; fifteen stars and fifteen stripes; and, lastly, the Flag of today. To end our program we will salute the flag and sing the Star Spangled Banner. We wrote letters to Congressman Rogers and the American Legion asking for materials.

—Betty Ann Halliday.

Sixth Grade (Mr. Robinson)—If you would have been a visitor to our school on the days just before and on Valentine Day, you would have seen our contribution to the Hall Bulletin Board. It was a large heart made of plywood by Bruce Evans, Carol Rothrock, Carol Chabot, and Barbara Owens decorated it with red crepe paper and trimmed it in white crepe paper. In the center of the heart rested a Cupid in a red rose. This was the art work of Judy Pendleton. Everyone admired Judy's fine drawing.

We are happy to see that we are going to have a baseball field very soon. At first, on Friday, we were excited over seeing the big bulldozer push down our pine trees. We were a bit irritated by the noise. But we all agreed that we could endure that much for a good playground in the future.

—Jimmy Hendley.

Boy Scout News

The Boy Scout Troop 123 of Wilton Manors met at a regular meeting at 7:30 P. M. Thursday evening. The meeting was opened by Assistant Scout Master George R. Robinson and Scout Master Harley Sanderson. A new member was added to our troop; Tom Hartley, which brought the total of those present to 32.

We were introduced to a former policeman and army sergeant. Mr. Sanderson introduced Mr. Jackson (who is connected with the Cub Scouts, as well as Boy Scouts). After a very short business meeting, Mr. Jackson, acting as drill-master or director, marched us up and down 26th Street.

After this short drill period we had inspection. "Butch" Owens won first mention for the best dressed in uniform. George Miller won first mention for the best dressed in civilian clothes.

Several boys are going on an overnight hike with Mr. Robinson this week-end. They are Steve Carson, George Sapp, Tom Hartley, and Edward Claggett.

The boys in Troop 123 are going to march in the Washington Day Parade, Feb. 22, through the downtown area.

—Robert Allen Oakes.

**Scouting Around
 The Town**

Brownie Troop 44 went to the Coca-Cola plant Tuesday, Feb. 12. We toured the whole plant and saw a movie on how Coca-Cola started and developed. While we watched the movie we were treated to a coke. When we left we were given souvenirs. A good time was had by all.

—Marilyn Clark, Scribe

Troop 85 had a busy day Saturday, Feb. 16. We started by giving a radio show over WFTL, "Baby Sitters, Inc." The regular troop meeting was at 3:30. We worked on World Fair projects. Ann Cherney is chairman of making the world globe. Donna Stiles is assisting Troop 43 in making a big world flag.

—Donna Stiles, Scribe

The Girl Scouts of Troop 43 had their regular meeting on February 16, 1952 at 3:30 P. M. This week a few of the girls practiced their dances they are to do for the "World Fair." In between the dances the girls, not rehearsing, played games under the direction of Mrs. William Miller.

—Barbara Halliday, Scribe

The Girl Scouts of Troop 43 had their annual meeting Saturday, February 9 at 3:30 P. M. All the girls practiced their parts for the "World Fair," which is to be March. 1. We also studied four different languages and our international song. The girls also worked on our Girl Scout dolls and talked about how we were to make our hair for the dolls.

This week the Girl Scouts of Troop 43 had a guest. She is (Miss) Martha Berry, a Senior Service Scout. Miss Berry talked to us about a Girl Scout Little Theatre, and asked for people who would like to work on the stage to sign up for parts. Almost all of the girls signed up.

—Barbara Halliday Scribe

Brownie Troop 72 held its meeting on Wed., Feb. 13, 1952 at the Village Hall.

We are glad to welcome Mrs. Harry Hill as our new co-leader. We are indeed very fortunate to have one of our committee mothers to be a co-leader. Mrs. W. J. Cherney and Mrs. L. A. Freudenthaler, leaders.

—Pamela Freudenthaler, Scribe

NEWSY NOTES

(Continued from Page 1)

Mrs. V. C. Williams of 16th Ave. has returned after a week's visit at the Tampa carnival. Mrs. Williams' son Randy, is The Bulletin delivery boy in the Northwood section.

Books for the county registration of voters will be at 2105 N. Dixie Highway, the home of Mrs. Francis Gates, from February 18 to March 1. All voters not registered are urged to do so.

A general meeting of all those interested in the formation of a volunteer fire company are urged to attend a meeting February 25th at Highland Estates Civic Club. Already committees from the Village are working on this project and have held several meetings.

Village Attorney Robinson told the Council, at their meeting last Friday night, that he had been informed that the State Board of Health had approved the water distribution system of Oakland Park in that they have the necessary additional pumps and wells.

A very serious fire was averted Saturday in back of Middle River Trailer Park. Answering the call was the Highland Estates Volunteer Fire Company of Wilton Manors. Also on the scene was Oakland Park Fire Department and Fort Lauderdale. There was, from all reports, a decided lack in water pressure. The fire caused a delay in getting on the Bar-B-Q, by the local fire contingent, as duty comes first. This only goes to show

BAR-B-Q

Wilton Dr., Wilton Manors

that the new, in the process of being organized, fire department should receive plenty of volunteers.

The Wilton Manors PTA held a Bake Sale in the McJunkin stores on Wilton Drive last Saturday which was most successful. Mrs. Paul McElhattan was the general chairman for the event. Proceeds from the affair will be used to buy new books for the school library. We are sorry we missed giving advance publicity of the event.

Everyone who is in the Who's Who of Wilton Manors was in attendance at the Fire Department Bar-B-Q last Saturday. Noticed Mr. and Mrs. Al Hagen, Commissioner J. Marvin Brown, Jim Dean, Mr. and Mrs. Perry Mickel, Mr. and Mrs. Norman Malcolm, Mr. and Mrs. Paul McElhattan, Mr. and Mrs. Robert Newton, Councilman Jim Boyd, Mrs. Harley Sanderson, Mr. and Mrs. Clayton Leaver, W. P. Hartmann and scores of others that we saw but missed their names. From all appearances a good time was had by all because it was still going strong at 8:45 when I left.

Mr. and Mrs. Norman Malcolm recently had as luncheon guests Mr. and Mrs. Dever Allen of Wilton, Conn. The Allens are editors of "Worldover Press" and "World Interpreter." Both publications are condensation of news items gleaned from over 300 foreign newspapers and from reports of foreign correspondents, many of whom are "behind the iron curtain." The "Worldover Press" distributes to several hundred papers and information centers in the United States.

The Allens are enjoying a working vacation at Boynton Beach. Mr. Malcolm and Mrs. Allen are cousins.

Mr. and Mrs. E. M. Zell arrived for their winter vacation at their residence at 2310 N. E. Fifth Ave. Mrs. Zell's father, Mr. Robert S. Wheeler of West Nyack, N. Y., arrived shortly by train after the Wheelers. Mr. Wheeler is on retirement after many years of service with the American Railway Express. He was traffic manager for the entire system.

Mr. and Mrs. Steve Puppi of Bronx, N. Y. are visiting Mr. and Mrs. Pat Dickson. The party went fishing Sunday and caught 000000.

**Village Fire Truck
Ready Shortly**

Chief Richard Beaney gave a report to the Council on the progress of the recently purchased fire truck. Mechanical work is being done by volunteer workers in conjunction with Nick's Welding Works. Additional tanks are being installed and a new radiator has been added. It is expected that the truck will be ready for public inspection shortly.

Serving on the committee are Bill Hickson, Chief Beaney and Dan Kingman. Mr. Hickson and Chief Beaney recently contacted the Miami Fire Department on a personal visit and were assured that City would give cooperation in future parts or equipment which might be necessary for use in the upkeep of the truck.

**Volunteer Fire
Company Holds
Successful Bar-B-Q**

One of the most successful Bar-B-Qs ever held in this area was the one staged by the Highland Estates Volunteer Fire Department of Wilton Manors last Saturday night at Wilton Drive.

There were hundreds in attendance and the hard-working committee and their helpers were kept busy with the servings up until 9 o'clock.

It only goes to show what can be done through a cooperative effort—this goes for the men who attended the pits and the women who assisted in the servings.

Entertainment was provided during the evening, which kept the huge gathering in a happy mood. Cars were parked on all side streets as well as on Wilton Drive from Manor Market down to Trailer Haven.

Even the weather man cooperated with the committee and held off much needed rain until after the event was over. Needless to say as always, Manor Market rendered splendid cooperation, as they always do in any civic affair.
