WILTON MANORS BULLETIN

POMPANO BEACH-OAKLAND PARK

VOL. 2-NO. 2

WILTON MANORS, FLORIDA, THURSDAY, MAY 8, 1952

Mrs. Mabel Barwick Receives High Honor

Mrs. Mabel C. Barwick of Wilton Manors, a member of the Fort Lauderdale Soroptimist Club had a distinct honor conferred when she was elected director of the nine-state southern region of Soroptimists at the recent regional conference held at Fort Pierce.

Her territory includes Cuba as well as Florida, Alabama, Georgia, North and South Carolina, Kentucky and Tennessee.

Local delegates who attended the convention, in addition to Mrs. Barwick, were Mrs. Grace Burwell, club president; Mrs. Geraldine Curphey, Mrs. Juanita Clay, Mrs. Margaret Linnard and Mrs. Josephine Zoratti.

Mrs. Barwick conducts the Menor Insurance at 2190 Wilton Drive, where The Bulletin maintains its office.

Woman's Club Meeting May 13

The Woman's Club will hold its next meeting on Tuesday, May 13th. This meeting is to take the place of the May 6th meeting which was postponed on account of the election. Prior to the 13th meeting the executive board of the Club will meet.

Absentee Ballots May Delay Results

County Judge Boyd H. Anderson has stated that results in close elections for the various county offices in Tuesday's Democratic and Republican primaries may not be known until late Wednesday night or Thursday morning.

Approximately 700 absentee ballots will have been cast up to the deadline of 5 P. M. on Monday and the count on these will not be made until starting Wednesday at 8 A. M. Heretofore the absentee ballots were sent to the precinct polling places and were counted by election boards along with the regular ballots. The absentee ballot must be added to those cast on election day and in some cases these ballots may determine the outcome.

The canvassing board consists of Judge Anderson, County Commissioner Fox and Mrs. Easter L. Gates, supervisor of voting registration. Judge Anderson stated that the canvassing board cannot start counting the absentee ballots until after all of the official precinct returns are in.

Predictions have been made that more than 24,000 ballots will be cast in the general voting. The official registration of voters in the county is 42,600, according to Mrs. Gates.

According to Judge Anderson the counting of absentee ballots after election day is a new procedure in Florida.

NEWSY NOTES

An unusual wedding was held this past week, when Gloria B. Wall, niece of Sam Aldrich of Pompano Gas Corp., became the bride of Sgt. Ralph Callaway, a GI stationed in Germany. The ceremony was performed by overseas phone from the Telephone Company office with the Rev. Almond performing the rites.

Notice that the Electra-Pliance addition to their store is coming along in good shape and should be ready for occupancy in a short time.

Due to the fact that revised plans for the Manor Market are not ready, no action was taken on their application, at the recent Council meeting.

The Frank Miller Hardware Store's new building, being built by Tropical Construction Co., is progressing and will be ready in the course of the next two weeks. They are conducting business at their present location.

See where Mike Marinelli of Intercounty Construction Corp., is back in the Village after a recent business trip north. Mr. Marinelli is president of the corporation which is acting as construction managers for the Village water distribution system.

Talked with Fritz Groenboom of Oakland Park water plant and was

(Continued on page 3)

BETWEEN YOU AND ME

By Tod

Now that the primaries are over, the various candidates will be able to give their vocal cords a rest for a time. This was the first time that we witnessed a campaign of this nature and it was most enlightening. In the last week the going waxed very hot among the various seekers for office and charges and counter-charges were thrown by various candidates, however the vote ran pretty well to form.

The many friends in the area of Harry Brown will be glad to know that he has taken over the Sunoco Service station at 631 S. Federal Highway. Harry, for some time was employed at Marshall's Sunoco on Sunrise Blvd.

Chef Nate at the Tropical Club is having a special Mother's Day dinner on that day which honors all mothers.

A New York beauty consultant direct from Helena Rubenstein will be at Williams Pharmacy from May 5th through the 10th from 9 until 4:30. The consultant will give a 7-day beauty plan diagnosis for your particular skin problem.

By the way, Williams Pharmacy Southside Prescription Center at 2001 S. Federal, held a grand opening of this store on May 1 and a goodly crowd was on hand.

Notice that whenever they can get a little time to spare various interested men in the community do work on the renovation of the fire truck. We've seen Les Bagwell of Tropical Paint, Chief Beane of the police, Pat and Don of Manor Service Station and President Saxer and Chief Cass of the Fire Company priming the truck preparatory to painting and making necessary repairs. These men are certainly to be commended for their efforts, for much of this work is done on Sundays.

(Continued on page 3)

VILLAGE COUNCIL HAS BUSY SESSION

Water Pipe Line Shows Progress

Work on the laying of the main pipe line on Old Dixie Highway for the water distribution system is progressing satisfactorily according to Lou Vanditti of the Intercounty Construction Corp., construction manager for the Village.

During the week more than 1600 feet of pipe was laid and work from now on will go along at a faster rate. There was some delay in getting the work underway due to fact that the suppliers failed to ship the necessary flanges along with the pipe when delivery was made.

Oakland Park is getting bids for the construction of a pipe line to hook up with the Wilton Manors line at the bridge at Old Dixie Highway. These bids are to be tabulated on May 14th for award of the contract. Mrs. Elizabeth Tucker, Oakland Park city clerk announced that the town advertised for bids for the installation of a water line south to the Wilton Manors city limits where it will be connected to that community's distribution system, she said.

It was pointed out that Wilton Manors is installing a distribution system to service residents at its own expense. Approximately 500 homes are expected to be serviced by the system.

A 25-year contract signed between the two communities last month ended after several months controversy, which was settled by court action. Chief contention besides several contract clauses was its legality.

According to the 25-year contract, Oakland Park will sell surplus water to Wilton Manors at 25 cents a thousand gallons.

Both communities were formerly served by Fort Lauderdale and individual wells.

The question of having an inspector for the installation of the water distribution system as well as having a superintendent of the water system was discussed at the recent meeting of the Village Council. Advertising will be inserted in newspapers for the purpose of getting some one qualified to take care of meter connections. These duties would also include reading of meters and sending out of bills to the users.

The matter of having an inspector on the job during the pipe laying was discussed at length. A suggestion was made to Councilman Brown to take over the inspection duties at \$5.00 a day, but he stated that he was not interested other than at \$2.00 an hour. Mr. Lou Vanditti of the Intercounty Construction Corp., construction managers who are putting in the system, stated that if the Village was to have an inspector that such a man should be on the job during the working day. It was pointed out during the discussion that it was thought that the contract with Block and Associates Engineers contract called for inspection. This phase was to be looked into by the Council.

President of the Council Middleton advised the members that the 3" pipe that had been delivered was not to be used and new pipe was to be installed.

Mr. Vanditti requested Council to give permission for the placement of orders for materials as specified for the work to the lowest qualified bidder. This was granted.

Mr. Rothrock from the former Highland Estates area asked the Council what they intended to do to reimburse him for the use of a one and one-quarter inch line which now serves five houses. After discussion it was pointed out that the contract with the Highland Estates Civic Club called for a clear title to the system which was in that area and this question should be looked into between Mr. Rothrock and officials of the Highlands Estates Civic Club.

NEW FIRE COMMITTEE

Councilman Starling and Brown, who were appointed as a committee to look into the matter of providing a building for housing the fire truck reported that they recommended the property known as the "park" on Wilton Drive to be used for this purpose. Plans were submitted by this committee which called for a building for the purpose of housing the truck, police headquarters and municipal offices.

President Middleton stated that he was not in favor of using this property for this purpose. Mr. Brown asked that a new committee be appointed and Mayor Perry Mickel and Councilman Bean was appointed to report further on the question. Mayor Mickel expressed his views as feeling that there was ample room at the Village Hall property, for such a project.

DISCUSSION ON HYDRANTS

A discussion on hydrants took place as the result of a letter from Charles Saxer, president of the Volunteer Fire Company, who requested that additional fire protection be given. It was pointed out that already several hydrants were in the plan of the distribution water system. It was

(Continued on Page 4)

DELIGHTFUL MAY DAY PROGRAM PRESENTED AT WILTON MANORS SCHOOL

Parents and friends of Wilton Manors Elementary Schools students spent a most entertaining afternoon Friday while witnessing the presentation of the school's initial May Day program.

The student body assembled in the eastern section of the front grounds previous to the entry of the Royal Processional. Attendants of the King and Queen, in the order of their approach to the throne were:

- 1st grade—"Cindy Sandler, escorted by Jamie Hickson.
- 2nd grade—Sue Henderson escorted by Michael MacNamara.
- 3rd grade—Pam West escorted by Warren Williams.
- 4th grade—Pam Mitchell escorted by Walter Sanderson.
- 4th grade—Sandra Legette escorted by Harry Hadrick.
- 5th grade—Betty Halliday escorted by Jack Owens.
- 5th grade—Marie Hickey escorted by Terry Hamby.
- 6th grade—Barbara Adkins escorted by Jimmie Henley.
- Coronation team—Martha Lynn Davis, Jimmie Ratliff.
- Crown bearers—Carol Jean Lanford, Gary Mason.
- Queen—Barbara Owens.

King—Jimmie Bowen. Train attendants—Diane Hagen, Mike Hall.

Garlands of flowers lined the pathway to the flower-and-fern-adorned throne, and the pastel-tinted gowns of the young misses attendants, accentuated the beauty of the queen attired in flowing white organdy over baby blue satin, trimmed with embroidered bow-knots around an off-the-shoulder neckline and front of the skirt. A stately stand-up collar complimented a three-yard train. The Royal Pair was crowned with sequin and simulated-pearl trimmed crowns of gold background, to set off the afternoon's activities.

Miss Meredith's first grade opened the program singing "Signs of Spring," and dancing the Luboo-Loe. Joan Bougher, petite member of the class, danced a solo tap.

Miss Hammer's second grade contributed their part by dancing and singing "Partner, Come and Dance With Me," and "The Shoemaker's Dance."

Miss Miller's third grade danced and sang "Clap-in, Clap-Out," bidding goodby to winter and welcome

**Shuffleboard League  
Plans Being  
Formulated**

Due to the interest being displayed in shuffleboard in the area, the various tavern and cocktail lounges are formulating plans for the operation of a league, representing the establishments.

George Evans of the Beacon is the preliminary chairman for getting the plans in operation and a meeting will be held this week among the interested owners.

It is expected that among those entering will be The Lark from Pompano, Beacon from Oakland Park, Lida, B&C, Turf, Healey's and Brownies. The preliminary plans call for a team of 10 men and games will be played on a regular weekly schedule.

The B&C will choose their team from the following: Art Breslin, Capt., John Reynolds, Eddie Hope, Leon Teague, John Condon, Bill McKane, George Dyer, Jr., E. M. Duffy, J. Hardmeyer, Al Lamson, Don Hunt, Bob Jeper, Bob Woods, Larry Beltsler, Jim Curton, A. B. McKinney and Charlie Fuller.

The Beacon has nominated Dan Clifford, Even Llewellyn, Hank Oberer, Tommy Thompson, Tom Hinds, George Evans, Lee Scherdtger, Danny Nolan, Harry Brown, Johnny Lang, Leonard Cahill and Eldie and Eleanor King.

**Essella Slenderizing Salon  
Offers Free Invitation**

Essella's Slenderizing Salon of 611 N. E. 26th St., expresses her thanks to her many patrons who visited her on the opening of her salon. In order to acquire the many women in the area on the unique MacLevy Slenderizing facilities available, Essella cordially invites the women to have a practical demonstration of the MacLevy routine—which has been tried and tested by hundreds of thousands of women over the past 56 years.

Essella says: "There is no excuse or obligation when you accept our invitation and we are confident that your 'guest visit' will reveal what you may expect in the way of weight and measurement reduction."

Essella further points out that you may have conscientiously kept your weight down, you may have bothersome little lumps or bulges which prevent you from acquiring the "new look" to the best advantage.

For measuring up to the five star figure, Essella suggests that you take advantage of her invitation for a practical demonstration of the slenderizing routine without expense or obligation. For convenience Essella has evening appointments.—Paid Adv.

**Shopping Center  
For Plantation**

Plans for the construction of a \$200,000 shopping center will begin in Plantation Village this summer as the first step toward creation of a city of 25,000 persons—and no more.

The center is to be completed by next winter season, according to Fred M. Peters, president of the Old Plantation Corp.

It will be located on five acres at the entrance to the village on W. Broward Blvd., and two-thirds of the area will be parking space. Present buildings on the site will be removed.

Plans are on drawing boards for the complete city, properly zoned and laid out for the limit of 25,000 inhabitants.

As the community is envisioned now, development will be halted at that figure. Plantation officials and their architects have decided that that is the population the area can contain in proper living conditions.

Today the population stands at around 400. About 120 homes are occupied, and eight or 10 others are under construction.

A corner in the southeast section of the area has been set aside for industry.

Construction of the shopping center is possible at this time, it was announced, because the corporation has building materials on hand from stocks of the wholesale supply business it formerly operated.

**Sinawik Club  
To Meet**

The regular meeting of the Wilton Manors Sinawik Club will be held Wednesday, May 14, at eight P. M. at the home of Mrs. George Ford, 1208 N. E. 12th Ave.

**WANTED**

Water maintenance superintendent capable of connecting, maintaining and servicing water system. Must be able to read meters, etc. Reply to Village of Wilton Manors, stating qualifications and salary expected.

**"Scouting Around  
The Town"**

This week the Girl Scouts of Troop 43 have been very busy. On Thursday, May 1, we went on a hike and got some wild fern to decorate the queen's throne on May Day. For Saturday, our troop meeting day, the Homemakers Patrol had planned a skating party. It was quite a lot of fun. Plans have been made for a Mother's Day Tea to be held May 11, Mother's Day. The Playleaders have charge of the whole program.

—Barbara Halliday, Scribe.

Brownie Troop No. 44 met at the Village Hall for their regular meeting.

Election of officers was held. Following the business, Mrs. Dameron showed us how to make May baskets. Mrs. Hainey worked with the girls to pass fly-up tests.

We are sorry Pam West has left us for a while.

—Mari-Sue Hainey, Scribe

An inspection tour of the ice plant was enjoyed by the Brownie Troop 72 Wednesday, April 30, 1952. Each girl made a wish as she threw a penny into the wishing well. They also had a grand time throwing snowballs. Mrs. H. Doubleday and Mrs. M. Brooks helped furnish the transportation for the tour with Mrs. L. Freudenthaler and Mrs. H. Hill, leaders.

# BETWEEN YOU AND ME

(Continued from page 1)

Bill Karsten, the painting contractor and Laffy of Village Tavern went fishing Sunday at Hillsboro. We haven't heard about the catch as yet.

Elmer Elfers of the Wilton Manors Furniture Store thanks his many friends and acquaintances who stopped in at his place of business. Mr. Elfers is the new owner and for many years was with Sears-Roebuck in the furniture department.

Chef Nate at Tropical Club is really honoring Mother on Mother's Day this Sunday with an extra special dinner for the occasion. He urges parents to bring their children with them for the helpings served really take care of the kiddies. By the way, Mother will get a special remembrance in her honor from Chef Nate. Dinner is served from 1 to 9:30 P. M.

Here's a tip: See those new type wooden sole play shoes for kids displayed by Paul Smith in sizes from 1 to 7. Advance dope: watch for the new play shoes Paul will have shortly for both men and women.

## NEWSY NOTES

(Continued from page 1)

told that the various "bugs" which had developed in their new system had all been ironed out and everything was working smoothly in that municipality.

The Maule Industries plant is

growing daily as can be seen. Their order. Some delay has taken place due to the contractors being held up on steel beams on account of the muddled steel situation.

See Laffy of Village Tavern on the job early every Sunday morning, getting his place in order so that he can get in a few hours of fishing at Hillsboro. Laffy is an ardent fisherman.

Rita and Eddie Cutig have moved into their new home at 728 N. E. 15th St., Fort Lauderdale. The Craigs are formerly from New Canaan, Ct. ("The next Station to Heaven")

Mr. and Mrs. Tom E. Hinds celebrated their 28th wedding anniversary on April 30th.

At the past meeting of the Kiwanis Club, the "Philharmonic Quartet" sang "Shrimp Boats." The rendition was enthusiastically received by the members.

## "Sun Maids" to Sing Final P.T.A. Meeting

The "Sun Maids" from Fort Lauderdale High School Glee Club will sing at the final P.T.A. meeting of the year, Wednesday, May 7 at 8 o'clock.

The new officers for the year 1952-53 will be installed by Mrs. Pat Figley, president of the Broward County P.T.A. The officers to be installed are: president, Mrs. Joe C. Rogers; vice-president, Mr. E. W. McGuire, Jr.; secretary, Mrs. L. L. Dameran; treasurer, Mrs. Chester E. Jackson.

## Broward Airport Nets \$16,000,000

### Prospect Field Idle Port Danger Cited

According to Airport Manager Lee Wagner, tourists and commercial activities at the Broward County airport brought an estimated \$16,000,000 into the county during the past year.

In addition to this more than 18,000 air travelers to Broward County landed at Miami airport.

A thought for officials in the County as well as Wilton Manors, Oakland Park and Pompano Beach is the dormant air port at Prospect Field. On inspection, many of the runways at Prospect Field are well over a mile long and practically any type plane could land at this field free from high tension towers. The runways are still in good condition and plenty of vacant land is available for any expansion purposes.

As an added reason why Prospect field should be given consideration for future development is that recently Port Everglades officials have expressed concern of the dangers of a plane crash in the port's oil tank farms. It has been stated that planes taking off from the county airport in an easterly direction sometimes veer over port property.

F. Laird Rickard, chairman of the port commission, has stated that the Civil Aeronautics Authority has been approached on the matter of having air flights over the port restricted.

Wagner in breaking down the Broward Airport figures shows \$5,000,000 spent by tourists who came into the county by air with \$11,000,000 listed as the gross sales of industries at the airport.

About \$8,000,000 of the latter total is attributable to firms directly or indirectly engaged in some phase of aviation, Wagner said.

Employment at the airport totals nearly 500 persons, the manager disclosed. This represents 2 per cent of all employable non-agricultural labor in the county.

During the past season, he reported 1,054 out-of-state private and corporation aircraft were based at the county airport, representing a 48 per cent increase over the previous season and 113 per cent over the 1950 season.

Wagner said 6,324 persons arrived by plane at the field.

## Chef Nate of Tropical Patio Wants Biscuit Recipe

Chef Nate of the Tropical Club is installing an electric baking oven in the patio, where hot biscuits right from the oven will be served the diners. He is looking for an outstanding biscuit recipe and is calling for assistance from the women folk to provide such a recipe.

He asks all those who would assist, to submit their recipe and the prepared biscuits will be baked, served and judged by the diners. The winning participant will receive \$25.00 from Chef Nate. All those who wish to participate are urged to have their recipes into Chef Nate as soon as possible.

**Village Council**

(Continued from Page 1)

suggested that 8 additional standpipes be installed and the layout of the plans be further studied so as to give the most needed protection at the least cost.

A petition bearing signatures was presented requesting the Council to consider and prepare an ordinance relating to garbage and debris. It was pointed out that several lots in the Village were in an unsightly condition and Village Attorney Miller was instructed to prepare an ordinance to relieve this and other like situations. A contract for the collection of garbage as heretofore was passed by the Council.

Owners of the Tropical Club, Jack and Judy Stern requested Council to set the closing hours of their type of business so as to conform with those of Lauderdale. The hours for closing in the beverage business would have been 1 A. M. on week days and 2 A. M. on Saturdays beginning May 1, but now is advanced to 2 A. M. on week days and 3 A. M. Saturday so as to conform with the closing hours in Lauderdale.

A request was made for the transfer of a beer and wine license at the Manor Bar. This was passed on first reading.

A check for \$100.00 was ordered issued to J. B. Patterson for the purchase of a typewriter for use of Mrs. Stafford, the Village Clerk.

The Intercounty Construction Corp. was requested to submit a performance bond on the water installation contract.

Mr. Pabor requested the opening of 29th Drive as a street. He was told by Council to present a petition signed by the property owners giving the right of way.

Messrs. Malcolm and Yde presented to the Council a pencilled drawing of a map of the Village, prepared by J. McLaughlin. It was suggested that certain streets revert back to their former designations. Mr. Malcolm stated that he had difficulty in getting the exact legal description of the Village boundaries, but felt confident that this matter would be straightened out shortly and an accurate map would be available in a short time.

On recommendation of Village Attorney Miller it was suggested that five complete sets of ordinances be typed by the Village Clerk in order that they are available to Council, Clerk, Attorney and files. A motion was passed to give Mrs. Stafford suitable compensation for this additional work.

**Prevailing Pay Clause Added by Commission**

At the request of the Broward County Building and Construction Trades Council, A. F. of L., the County Commission in future specifications for county road and construction work agreed to incorporate that the contractor agree to pay employees the "prevailing wage."

"Prevailing wage scales," according to council secretary Roy M. Helton, "are filed with the department of labor." He added that a prevailing wage is not necessarily a union wage. The county board also agreed to ask contractors to use local labor on all county work as far as possible. Similar agreements have been made with cities and the county school board, Helton told the commission.
