## BETWEEN YOU AND ME

By Tod

We still see those interested volunteers working on the fire truck and they are certainly to be congratulated for their civic interest.

The Kiwanis Club is to be commended for the splendid program put on by that organization on the dedication of the ball field. As we told you last week, there would be plenty of aches and pains from the players. Saw Earle Gurney, limping around during the week, but he is all ready for a return game with Downtown Kiwanis.

Mayor Perry Mickel certainly did yeoman work on carving the ham—and by the way—that ham was certainly delicious—in fact everything was most tasty. The Sinawik and others who assisted can well feel proud of their jobs and we know the kids are tickled with the splendid ball field.

Laffy and Mac of Village Tavern returned home from a few days' vacation at Marathon. Laffy was well satisfied as he got a nice catch. Together with Pat Dickson of Standard Service and Tommy Hinds, Jr., they fished Hillsboro this past Sunday.

As a tip—drop in at Manor Men's Store and browse around. We note that they have a splendid buy on tropical slacks this week for \$5.75.

Did you see the crowd at Tropical Patio Restaurant (Chef Nate) last Friday? They were waiting in line to be accommodated. It is pretty hard to beat their nightly dinner specials at 95c.

Les Bagwell of Tropical Paint Supply tells us that he is well pleased at the response he received from his ad on Wall Fix Interior Paint. Drop in and either Les or Mrs. Bagwell can give you help on your painting problems.

We notice that Frank Miller Hardware is beginning to move stock into its new store which will be ready for occupancy any day. Miller's is Wilton Manors first hardware store and has been located on the Drive for some time.

## Barwick Attends Mackinac Conference

W. L. Barwick of Wilton Manors is in attendance at the Moral Re-Armament meetings being held at Mackinac Island. Mr. Barwick, who is with Florida Power and Light Co., was accompanied by C. A. Young of the light company. The party left by Eastern Air Lines and will return the latter part of the week.

## NEWSY NOTES

Sorry to hear that Mrs. (Doc) Williams of the Pharmacy is at Broward General Hospital where she is recovering from a surgical operation. She is expected home the last of the week. We know her many friends in the Village will be glad to see her back at the pharmacy.

Mrs. Roberta Swinea and sons, Bruce and Gary, left Saturday for a summer vacation at Culvers Lake, New Jersey.

Tommy Hinds, Jr., and Bruce Swinea were graduated from junior high school at Florida Christian Academy last Friday. Both boys together with Gary Swinea attend the Boca Raton school.

Aunt Ella, who operates the restaurant on U. S. 1 at Pompano, is closing her place of business for the summer. Aunt Ella and George expect to tour the northern states and take a well-deserved vacation, before reopening in the fall.

Police Chief Richard Beaney urges all drivers to exert extra caution, due to the fact that the summer school vacation starts soon and many children will be on the streets of the Village.

Philip Cheaney was the speaker at the regular meeting of the Wilton Manors Kiwanis Club. Mr. Cheaney informed the members of the plans for the new Catholic Hospital.

We wondered what all the kids were doing at the McJunkin building last Saturday and decided to investigate and found out that Manor Hardware and Hobbycraft had opened their new store. The store has a fine line of toys and hobbycraft for the youngsters.

H. J. Munson, Jr., of 2660 Ninth Avenue in the Village is visiting with his family. Mr. Munson is a Frogman in the U. S. Navy. His wife, Mildred, and family were very happy to have him home for a visit. Tommy, who is 16, attends Central High School and the oldest son, Bob, is at Michigan State College. The youngest son, Steve, is five-and-a-half.

A card party will be held at the home of Mrs. W. E. Bunch, Sr., of 516 N. E. 23rd St., Wednesday night, June 4th. Mrs. Bunch is treasurer of the Zonta Club. Members and their friends are invited to attend.

Paul Smith for a short time is running a special on children's play shoes and casuals as well as elfies. Drop in and look over this type of footwear that Paul has on display.

June 5th is the registration day for the fall term at Miss Jordan's School on N. E. 26th St. Registration takes place 11:00 to 11:30 A. M., 4:00 to 5:00 P. M. and 6:30 to 7:30 P. M.

## AN EDITORIAL

### It Did Happen Here Memorial Day 1952

We were very much surprised on Memorial Day to find that only four American flags were displayed in the Village in memory of our "honored dead."

The homes displaying "our flag" included Mr. and Mrs. Robert L. Newton on N. E. 24th St., Tom E. Hinds on N. E. 25th St., C. Wilson Brown on N. E. Ninth Ave., and T. Du Laney of 315 N. E. 26th St.

The Village Hall as well as Wilton Manors Elementary School had no display. From one end of Wilton Drive to the other there was no evidence of any flag flying from any of the business establishments.

It does seem, that with such splendid organizations in the community as the Council, Boy and Girl Scouts, Civic Association, P. T. A., and Kiwanis and Sinawik that some effort in the future could be taken whereby on national holidays, that a concerted drive be made for display of Old Glory. We preach Americanism in our schools and organizations—let us try to put it into practice.

### Fort Lauderdale Holds Memorial Day Program

One of the largest and best directed Memorial Day observances in Fort Lauderdale's history was held under the sponsorship of the Council of Veterans Organizations. Practically all stores, business places, City Hall and Court House was closed in memory of the "honored dead."

In Wilton Manors there was no observance, other than participation in the Lauderdale parade by members of Boy and Cub Scout groups as well as the Village Police car. Oakland Park also participated with their fire trucks and police car.

In a survey of the Village, it was found that only four homes displayed Old Glory.

Fort Lauderdale received national recognition over radio chain announcements on the observance of Memorial Day by that municipality.

Circuit Judge Lamar Warren was the speaker at exercises held at War Memorial Auditorium in which he stressed the part that religious faith has played in the history of the United States and the fact that those who have died on the battlefield did so because of their faith. He stated that we must keep that faith with them.

John Toth, chairman of the committee which represented William C. Morris Post, No. 36, American Legion, was director of the day's activities.

As an added feature during the day, a circus and fair was held by Boy and Cub Scouts at Stranahan Field.

Hal Diamond, who is at the meat counter in Manor Market, is off this week on vacation.

Notice that streets are being laid out at the new development, near the Maul plant by FEC RR.

Heard some fine comment on the type of homes Maurer and Maurer are erecting. They design, build and finance. They have a home at present for inspection at 822 N. E. 16th Court.

## Political Picture Quiet; Local Election In November

### Residents Complain Of Roadway

Several complaints have come to the attention of The Bulletin, regarding the leveling off of the roadway after excavation has been made on placement of water lines. It has been pointed out that the ground is bumpy and constitutes a traffic hazard.

Mr. Vanditti of Intercounty Construction Corp., who are the construction managers for the village when questioned, stated that the excavation ground has to settle before the roadway can be leveled. He asks that residents bear with the work as it is being accomplished as fast as possible.

During the past week the various fire hydrants, at strategic locations in the community, have been installed. It is anticipated that Oakland Park will begin the excavation for the laying of the pipe line from that community, sometime this week for connection with the Village.

### Reports Expected On Water System

According to the last report made to the Village Council, Engineer Crowe of Black and Associates, who prepared plans and specifications for the water system, a detailed cost as to expenditures is anticipated at the Council meeting held on Tuesday night. In addition a report was to be rendered as to what procedure was necessary to excavate under the tracks at the 26th St. crossing. Engineer Crowe was to meet with the FEC RR. officials at St. Augustine as to what the railroad requires to lay the pipe line in anticipation of the development, east of the railroad. A detailed report as to progress with the system next with the Village system will be their laying of the water line to and when Oakland Park is to begin rendered. A report of action taken, will be given in the next issue of The Bulletin.

### Firemen Plan To Collect Funds

In about two weeks time, members of the Volunteer Fire Company will make a house to house canvass for donations to aid in outfitting the members of the company who have volunteered their time in the protection of the community.

The Village pays no compensation to any of the members and it is hoped by the firemen that the residents of the community will assist in order that raincoats and general outfitting of the firemen can be accomplished. Further announcements will be made as to when the canvass will start.

### New First Graders Visit School

Incoming first graders of Wilton Manors Elementary School with their parents were guests at the school Monday. The new pupils were made acquainted with their future classmates and were shown the school by Principal Davis and Miss Meredith, teacher for that afternoon. The regular first grade was dismissed at noon on Monday, when a program for the newcomers was presented.

With the May 27th election out of the way, everything on the political horizon remains quiet until the general elections in November. Also in November two members of the Village Council's terms expire, James Boyd and J. Marvin Brown.

As was generally expected, Dan McCarty received the gubernatorial nod over Brailey Odham, who came from obscurity as a political candidate to statewide prominence, through his novel talkathon radio appeal.

In Wilton Manors, McCarty received a vote of 292 to 148 for Odham. The total vote cast in the state was far below the 738,000 cast in the primary. Broward gave McCarty a 3,600 margin.

F. Laird Rickard, running for reelection for Port Authority member in District 3, defeated Charles "Chuck" Howell, well known travel agency owner. Rickard polled 4,242 to Howell's 3,376. In the Village vote, Rickard polled 169 to Howell's 164. In the primary vote Rickard showed 164, Howell 162.

Ted Galatis, Oakland Park City Attorney, was the victor in the Justice of the Peace and Judge of Small Claims Court in District 4. Galatis defeated Ross Mowry, present incumbent, 4,022 to 3,402. Galatis polled 206 votes in the Village compared to Mowry's 150. In the primary vote, locally, Galatis polled 221 to Mowry's 115.

In the race for Constable for District 4, Bob Phillips defeated Elias Marshall 4,198 to 3,591. Wilton Manors gave Phillips a vote of 183 to 169 for Marshall. The primary vote showed Phillips 125 and Marshall 116, in the Village.

Amos Hall, unopposed for Sheriff received 279 in the local vote.

Only 45% of the county's registered voters went to the polls on the 27th. The total vote was 19,602 of the 42,601 voters.

### DELEGATES TO NATIONAL CONVENTION

In the contest for delegates to the Democratic national convention, candidates pledged to Sen. Richard Russell were high in 7 of the 10 contests. Three of Sen. Estes Kefauver's were among the 10.

Winners in the race of the delegates at large among the men were Cecil H. Carroll, a Kefauver delegate, 6,754; T. H. Hutchinson, Kefauver delegate, 6,563; Farris Bryant, Russell delegate, 6,403; and Doyle C. Carlton, Russell delegate, 6,066.

At large winners among the women were Mrs. A. G. Chappell, Kefauver delegate, 6,100; Mrs. J. D. Alderman, Russell delegate, 5,438; Mrs. Frank X. Carroll, Jr., Russell delegate, 5,218; and Mrs. M. B. Fuller, Russell delegate, 5,209.

C. Y. Byrd, also a Russell delegate, was high among the four men in the race for delegates from the 6th congressional district with 6,449 votes. High among the women in the district was another Russell delegate, Mrs. Marjorie R. Smith, 6,837 votes.

One of the outstanding surprises of the election was the freeholder approval of the North Broward Hospital district act. This was approved 3,893 to 2,700.

In the Republican contest for Governor, Harry S. Swan defeated Bert Leigh Acker, 610 to 281. In the Village vote, Swan received 19 to Acker's 6.

should know her as a Scout as well as her daughter. Shirley Wells, one of our Scouts, will dedicate an American flag to the troop. The flag was once the property of Shirley's great-grandmother, Mrs. Ida Worth. Other activities of the day will include some of the requirements for earning badges, games, dances, fashions, and music. All these and the planting of a Chinese perfume tree are part of the program. The whole program was planned and will be carried out by Girl Scouts, age ten years. This includes cooking and refreshments, too.

—Barbara Halliday, Scribe.

Girl Scout Troop 85 held their last Scout meeting on Saturday, May 31 until the fall season. The Scouts met at the home of Mrs. Robert L. Newton and held a three-way surprise party in honor of our leaders, Mrs. Frank Hainey, Mrs. Newton, leader of Troop 43, and Anne Frances Cherney. The Girl Scouts bought cookies and sandwiches and Anne Cherney baked a cake and decorated it with the Scout colors. Grape punch was served as the beverage. All of the girls "raved" about Judith Tinney's multi-colored sandwiches. Beverly Smith was mistress of ceremonies and a lovely time was had by all.

Mrs. Hainey awarded the badges for the year. Elizabeth Van Arsdall received the greatest number of awards. Donna Stiles and Nancy Sutton were awarded a Red Cross certificate of merit for their fine community service.

We the Girl Scouts of Wilton Manors, Troop 85, wish to express our thanks and appreciation to our leader, Mrs. Frank W. Hainey, for all the wonderful things which she has done for us the entire year.

—Donna Stiles, Scribe.

On May 25th the Girl Scouts of Troop 43 took an educational tour. During the course of the day we took up the sights of the Rare Bird Farm, the Serpenterium, the Fish aquarium, and the Orchid Jungle, where every lady receives a free orchid.

In the week following the tour the girls gave a going-away party for Lora Golden, one of our best Scouts, who is leaving for New York as soon as school is out. The party, which was a splash party, was supposed to be a surprise but turned out just the opposite due to some complications.

—Barbara Halliday, Scribe.

Girl Scout Troop 43 have completed their program until September. The troop has had a most successful year in Scout activities and now will be on vacation to that time. They express their appreciation to The Bulletin and other people in the community for assistance given the troop.

### High School Choristers To Make Tour

To make up for their cancelled trip to California, the Fort Lauderdale High School Choristers under the direction of Dana Wells, will make a trip to New York and other points.

Details of a 3500-mile bus tour that will take the Fort Lauderdale High School "Choristers" to Niagara Falls, New York City, and Washington, D. C. in June were announced this week by director Dana F. Wells and members of a Junior Chamber of Commerce committee which sponsored a drive to raise funds for the trip.

The 32-voice singing group will leave the city Monday, June 16, and return June 30. Several singing engagements already have been arranged along the route, and two days for sightseeing have been allotted at the New York City and the nation's capital.

Bearing huge banners with the names of Fort Lauderdale and the state champion "Choristers," the bus will travel approximately 8 hours per travelling day, Wells said.

The group will sing at Florida State University the first night, at the college's summer music camp festival. An appearance at Bowling Green State University has been arranged at the invitation of Dr. J. P.

edy, director of the Bowling Green Kennedy, director of the Bowling Green Concert Choir, which appeared locally the past two seasons.

One or two performances are to be given during the stay at Hendersonville, summer home of many Fort Lauderdale families. An extensive recreation program is planned for the "Choristers" there as the trip draws to a close.

"We are awaiting word from several other points along the route regarding singing engagements," Wells commented, "and several of our friends in the music circles in New York City are seeking radio and television opportunities for the group to perform."

The "Choristers" were selected to represent the State of Florida at a national Music Olympiad in California next month, under the sponsor-

ship of the United States Junior Chamber of Commerce. Several factors prompted cancellation of the event, however, and the substitute tour was suggested by the local Jaycee chapter which had raised nearly \$3,000 for the California trip.
