GUY SMITH TO SEEK COUNCIL SEAT; BOYD PASSES ELECTION—BROWN UNDECIDED Stafford and Hickson to File,

Gurney, Hartman and McElhattan May Run

Councilman James A. Boyd, who has been a member of the Village Council for the past five years, will not be a candidate for election in the November 4th election. Guy Smith, a member of the Zoning and Planning Board is the first candidate to definitely announce that he will file for Councilman.

The terms of two Councilmen expire, Boyd and J. Marvin Brown. At the present writing, Mr. Brown, when called as to whether he would file for re-election, stated that at the present time he had not fully made up his mind as to his candidacy.

Paul McElhattan, manager of the Broward Quarries Division of Maule Industries, whose name has been mentioned as a likely candidate, when called as to his reaction stated that he had not given the question much thought. Mr. McElhattan stated also that he was pretty well occupied with Boy Scout activities.

Other names mentioned as likely candidates are Earle Gurney and W. P. (Duke) Hartman. Both Mr. Gurney and Mr. Hartman have been residents of the community for some time. Mr. Hartman is interested in Cub Scouts, Red Cross, Naval Reserve and Kiwanis work. Mr. Gurney has been most active in community affairs and is a member of the local Kiwanis Club.

Two other local offices expiring are those of Village Clerk and Village Marshal. The present clerk is Mrs. Marcia Stafford who has done a most efficient job. The Village Marshal is Bill Hickson. Both Mrs. Stafford and Mr. Hickson have signified their intentions as seeking re-election to their respective offices.

Tropical Club Bowlers End Season Games

The Tropical Club bowling team on Monday, October 6th were in a 3-way tie for second place in the summer handicap league. In the playoffs for position, the Tropical bowlers made third place in the league standings.

The bowlers making up the team include: Jack Storm, Leo Fertig, O. B. Malone, Jim Grace, Ernie Oelerich and Lyle Gerrish. All games were played at Bowlingdale Alleys.

IT PAYS TO READ ADS Manor Service Station Gives Free Gift

Check your copy of The Bulletin this week and see whether the ad of Manor Service Station is marked "Gift." If you are the lucky one, you will receive a free gift of merchandise from Al. Walker, proprietor of Manor Service. All you have to do is to take your marked copy of The Bulletin to Manor Service and receive your free gift of merchandise.

Mrs. Guy Smith of Mahannah Road was the lucky winner last week who had the ad of Manor Men's Store marked "gift." Mrs. Smith received a sturdy pair of boy's dungarees for her young son, Henry.

BETWEEN YOU AND ME

By Todd

We wondered what has happened to Councilman Jim Dean's survey report on his proposal of the Village buying trucks and picking up the garbage? Been over two months since this was proposed.

* * *

Guy Smith, member of the Zoning and Planning Board, is the first candidate to announce for the Council. Guy feels that there is need for someone that can just apply ordinary "horse sense" in the Council deliberations.

* * *

What's happened to the small water pipes that were to be laid in the two parks in the Village? Council authorized the contractors over two months ago so that the Woman's Club could begin the beautification of these areas.

* * *

Jim Boyd has definitely announced that he will not be a candidate for re-election to the Council. Jim feels that he has given five years of service to the community and would just like to relax and be on the "sidelines."

* * *

Have heard Mrs. Mabot Barwick as being mentioned for Council. Mrs. Barwick is at Atlanta, Ga., as representative of the Seroptimist Club and could not be reached for a definite commitment. There's food for thought—a woman on the Council could possibly be an asset to the community.

* * *

Over the week-end see where Manor Market had workmen busy on the renovation of their store. The new modern refrigeration display cases have been received and ready for installation shortly.

* * *

We have been asked what happened to the Zoning Ordinance.

* * *

We note good progress is being made on the new Food Fair on Wilton Drive. The opening is scheduled, we hear, between the first and 15th of December.

VILLAGE "BLACK EYE" ERADICATED BY PUBLISHED STATEMENT

The undeserved reflection on the Village, particularly as to reference made by publishing of misstatements recently in a Fort Lauderdale paper that "two bars in Wilton Manors were selling beer to minors" has been corrected by an article which appeared in the paper of last Friday.

Chief Richard Beaney stated that on occasions the Village has received unfavorable notoriety because of reports of drunkenness and rumpuses in taverns just outside the confines of the Village. Chief Beaney also pointed out that the bars in Wilton Manors are policed strictly and that in the

Kiwanian Frank Miller Voted High Honor

F. Laird Rickard, member of the Port Authority Board of Port Everglades, was the speaker at the regular meeting of the Wilton Manors Kiwanis Club. Mr. Rickard, who is also commandant of the local Naval Reserve Unit, was introduced by W. P. (Duke) Hartman, who is also associated with Mr. Rickard in the Naval Reserve.

The Port Authority member explained the financial and executive aspects of the board and told Kiwanis members of the successful operation of the Port Authority in recent years.

Frank O. Miller, who was the first president of the local club, was unanimously voted a "privileged membership" in the Kiwanis Club. This is a high honor in Kiwanis circles. Mr. Miller has been a member of Kiwanis for the past ten years.

Local Boy Scouts in "Lost Person" Search

Wilton Manors Boy Scouts of Troop No. 123 participated in the "lost person" search which was conducted last Sunday in the area adjacent to and west of State Road 7. Among the local Scouts in attendance led by Scoutmaster Robertson were Fazel Roberts, George Miller, Gordon Sanderson, Dave Hartman, Tommy McElhattan, Jack Wilson, Edward Sargent, Clinton Comley, Tom Hinds, Jr.

Assisting with the Broward County Boy Scouts were the Florida Highway Patrol, Ft. Lauderdale Police Department, Sheriff's Department, Civil Defense Units, Coast Guard Auxiliary and Radio Emergency Corps.

Shortly before the alert at 1:15 p.m., U. S. Marines from Opa Locka Air station were dispersed throughout the area as imaginary paratroopers. The Marines were the object of the search, equipped with emergency gear and signalling equipment.

The Civil Air Patrol began the operation by taking to the air. On location of the Marines the CAP signalled the field headquarters which was located at Ft. Lauderdale Golf and Country Club.

Search parties of Boy Scouts from local troops were dispatched to the scene. "Lost persons", who were labeled injured, were given first aid treatment from Red Cross mobile units, after which helicopters picked them up and flew them to waiting ambulances on Route 7.

The operational exercises were termed as most successful.

Mrs. Randall's Poem Takes Truman to Task

The whistle stop campaign conducted by President Truman throughout the country is the inspiration for the following poem by Mrs. Abbie T. Randall of 2117 N. E. Ninth Ave., Wilton Manors.

WHERE IS OUR PRESIDENT?

You look within the White House,
But, no President is there.
He is travelling o'er the country
On a whistle-stopping flare.

The subject that he speaks on
Is against a man he knows,
And once praised very highly
For the services, he'd bestowed.

He wanted him to take his place—
And run as he'd request
On the Democratic ticket,
Feeling sure he was the best.

Now friendship is forgotten
And he goes upon his way
Making harsh and cruel statements
Has forgotten all his praise.

He should not smear a General,
Who has faced the cannons' roar,
And helped to save our Nation,
Bringing Peace back to our door.

A man who serves his Country,
Through a war and hardships great,
Should receive the highest Honors
Of a Nation and a State.

Our boys are all forgotten,
By our President, it seems,
When he wanders round the Country
Smearing men that we esteem.

We shall still hope for the future,
That the Military man
We have chosen for our leader
Will bring Peace throughout the land.

Civic Association Election in November

The Wilton Manors Civic Association at its first fall meeting of the year proposed amendments to the by-laws. Members will be notified by mail on the proposed change to have the fiscal year of the Association to start on October 1st instead of the present May 1. The amendment will be voted on at the next regular meeting.

President Frank Hainey, who presided, will name a nominating committee to present a slate of officers for the coming year to be voted on at the November meeting. The membership also voted to cooperate with the Businessmen's Group for the proposed Jamboree, planned for November.

Several members voiced their objections to the new water ordinance and a delegation is expected to be present with the Association's complaints at the next regular Council meeting.

Following the business meeting, motion pictures of fishing off Ft. Lauderdale, produced by Gill Construction Company, and the life of Presidential candidate Dwight Eisenhower were shown to the membership.

The village hall was filled to overflowing on Tuesday night with residents objecting to the present water ordinance. It was decided by the Council that the objections be taken under advisement and studied and a new ordinance be written or the present one amended. The public was assured that the proposed changes would be fully publicized in ample time before any action was taken by the Council. President Earle Middleton suggested that William Crowe of Black and Associates Engineers, who laid out the system, be consulted. More than 200 people, mainly objectors, were present.

Former Councilman Arthur Chabot, supported by C. Wilson Brown, were the main objectors although numerous citizens were absolutely against the ordinance in its present form.

After the objectors' discussion, Village Attorney William Miller, Jr., took the floor and explained the present ordinance. Mr. Miller said he felt there possibly were some objectionable parts.

Of the present ordinance, the attorney stated that from discussions and voiced objections it had centered down to about three main objections, namely:

1. The charge for cutting on and cutting off the water.

2. Excessively high water rates.

3. Multiplying the minimum cost of water for apartments.

Mr. Chabot, in presenting his objections, stated that he had visited ten different municipalities and not one of them had the stringent regulations as in the Village ordinance. The objector outlined various suggestions to be acted on by the Council.

C. Wilson Brown of Ninth Avenue stated that his water bill for the past has averaged approximately \$4.00 a month and now has been raised about 300 percent. Mr. Brown made a motion to the audience that the present ordinance be repealed. This was favorable to the gathering. Other objectors included Messrs. Umber, Yde, Hanaharan, Gates, Munson, and Mrs. Randall, Mrs. C. Wilson Brown, Mrs. Charlebois, Mrs. Foster and numerous others from the audience who were predominantly against the ordinance now in effect.

COUNCIL HIGHLIGHTS

Al Hagen was given permission for removal of palm trees located by the Food Fair building.

Pat Dickson asked that he be given a garbage franchise for the Village. Mr. Dickson was told to submit his proposal in writing.

A permanent clerk for the water department was hired at the salary of \$35.00 weekly.

A flat charge of \$50.00 for meter installation was set, regardless of what side of the street the connection is to be made.

The Clerk was authorized to publish legal notices for the Village election on November 4th the same day as the General Election.

The installation of a light on the southwest corner of 24th St. was authorized.

A sketch of a proposed fire house on the Village Hall grounds was submitted by Councilman Frank Starling. Messrs. Starling, Brown and Saxer were appointed to look into the matter of cost.

"Scouting Around The Town"

The Girl Scouts of Troop 43 had their regular meeting on October 4 from 10:00 a.m. to 12:30 p.m. The bad weather didn't dampen our spirits any. Instead of going outside to have our flag raising ceremony we sang "Its a Grand Old Flag" while the record played and Mrs. Bryan Davis read the second in a series of stories about our flag. After the patrol meeting the patrols divided into two groups. One group worked on making trench candles and the other group worked on waterproofing matches. The Sailors served refreshments while the Ferresters did KP duty.

—Barbara Halliday, Scribe.

The weekly meeting of Troop No. 44 was held on Friday, October 10 at the Village Hall. Mrs. Haney's patrol practiced the art of walking in preparation for a hike we are soon to take. Games and refreshments were enjoyed.

Citizens Warned on Tampering with Valves

City Engineer Dunton reported to the Council that on occasions he found that private citizens had opened water valves. He stated that no one was to tamper with water valves other than members of the water department or designated authorized representatives.

Woman's Club Holds Luncheon-Meeting

President Mrs. Maby Thomas presided at the regular meeting of the Woman's Club. The organization members enjoyed a covered dish luncheon previous to the business meeting, the first of the 1952, 1953 season. Mrs. L. Bell and Mrs. W. P. Hartman were hostesses.

At the business meeting, Mrs. Edwin Sargent was appointed Recording Secretary to fill out the unexpired term of Mrs. Z. H. Pilcher, Sr., who resigned as she will be out of town for several months. The membership voted to refrain from taking the Village census this year, as this project is being undertaken by the Woman's Club of Oakland Park. The local club went on record favoring the sponsoring of a benefit card party for the Holy Cross Hospital fund. This event will take place on January 6th at Village Hall.

Members and guests attending the luncheon-meeting included Mrs. W. L. Weiss, Mrs. C. Wilson Brown, Mrs. Marian La Rochelle, Mrs. E. Sargent, Mrs. Olga Hagen, Mrs. Arthur M. Morey, Mrs. Delcia Sullivan, Mrs. Edward Weseloh, Mrs. Alvar Hagen, Mrs. W. P. Hartman, Mrs. James L. Bell, Mrs. J. A. Boyd, Mrs. L. A. Stafford, Mrs. Ethel Gallup, Mrs. Matthew Mattmuller, Mrs. Perry Mickel, Mrs. Maby Thomas and Mrs. Clayton R. Leaver.

School Children Assisted By Mrs. Merle Owens On Paper Collection

Mrs. Merle Owens of 316 N. E. 28th Street, who has been very active in civic affairs, has graciously donated her services in assisting the children of Wilton Manors School in the collection of newspapers.

The children of the school are trying to raise money for a motion picture projector for the school. Parents of children have been asked to save old newspapers, bundle them and send them to the school on Monday or Tuesday. A Miami firm is buying the newspapers, the proceeds from which will go toward the purchase of the projector.

Mrs. Owens has pointed out that a number of children ride their bikes to school and it is quite a task to bring the papers with them. She will be very glad to pick up the papers from any Village resident every Monday after 3 P. M. Mrs. Owens may be reached by phoning 3-4635.

Manor Woman's Club To Hear O. K. Phillips On Amendment

O. K. Phillips, Superintendent of Schools, will be the guest speaker at the October 21st meeting of the Woman's Club at Village Hall as announced by the program chairman of the day, Mrs. Matthew Mattmuller. Mr. Phillips will speak on the proposed state constitutional amendment number 1, which is of utmost importance to every parent who has children attending schools. The goodly portion of PTA and women organizations throughout the county and state have gone on record as favoring passage of the amendment which will be voted on in the November 4th general election.

In addition to Mr. Phillips, other distinguished guests who have been invited to the October 21st meeting include Principal W. Bryan Davis and Mrs. Davis, Mrs. O. K. Phillips, and Mrs. Joe Rogers, president of Wilton Manors PTA. All members and friends are invited to attend the meeting. Hostesses for the meeting will be Mrs. G. C. Millikan and Mrs. John Naggs.

Village Election Information

With the local Village election taking place on November 4th, the same day as the general election, the following is printed for public information:

An elector or qualifier for office must be a bonafide resident of the state for at least one year and resident of the community for at least six months. In addition any naturalized citizen who may wish to qualify for office, must show his papers or certificate to the Village Clerk.

Registration books are at the home of the Village Clerk, Mrs. Marcia Stafford of 500 N. E. 25th St. Un-registered voters may register at any reasonable hour up to five days before election previous to October 31st, for participation in the Village election.

Candidates to qualify for office must file their petition with the Village Clerk ten days before election.

Social Security Information

Persons receiving old-age and survivors insurance benefits can now earn as much as \$75 a month without losing their benefits, according to Paul L. Byrley, manager of the Ft. Lauderdale office of the Social Security Administration.

The amount of wages a person getting benefits is permitted to earn in a month without losing his payment has been raised from \$50 to \$75, beginning with the month of September. In case a beneficiary is self-employed, he can accept his benefit checks if his net earnings from self-employment do not average more than \$75 a month, that is, more than \$900 for his taxable year. Beneficiaries who work in employment not covered by the Social Security Act,

and those who have reached the age of 75, may cash their checks regardless of how much they earn.

Mr. Byrley pointed out that this "work clause" applies not only to the retired worker, but also to a wife, widow, child, or parent who is receiving benefits based on the social security account of a retired or deceased worker. Any beneficiary who is working for wages should notify the Social Security Administration promptly if he earns over \$75 in one month. A self-employed beneficiary should notify the Administration as soon as he sees that his net earnings are likely to average more than \$75 a month for the taxable year.

Men and women who are in the armed forces to protect our national security are now earning for themselves and their families the same social security protection that veterans of World War II have. Paul Byrley, manager of the Fort Lauderdale social security office, stated today.

The 1952 amendments to the Social Security Act provide social security wage credits of \$160 for each month of active service in the military or naval forces of the United States after July 24, 1947, and until January 1, 1954.

This new provision will be especially important to the survivors of those who have died in service since the end of World War II. A number of widows, children, or aged parents will get monthly benefit payments as a result of this amendment to the social security law. Moreover, payments already being made to some survivors of service people will be increased when credit for military service since the end of World War II is added to the deceased service person's social security wage record.

Byrley urged all members of the veterans' organization to tell their families, as well as survivors of servicemen who have died, about the old-age and survivors insurance rights given them under the amended law.

As in the case of World War II wage credits, this protection does not apply if another monthly benefit based on the same period of service is payable by any Federal agency other than the Veterans' Administration.

Byrley pointed out that because of this new protection the men and women in Broward County who have temporarily given up civilian jobs for a period of military service will not lose or suffer serious diminishment of their old-age and survivors insurance rights. Moreover, he declared, young persons who had never been in work covered by the law before entering military service are now building old-age and survivors insurance protection.

Charlie Woerner Used Cars

One of those dealers in used cars who has many friends in the area is Charlie Woerner, who is located at 623 N. Federal Highway. He has been at the present location for over a year but has been associated for a number of years in the automotive business. Charlie, resides presently in Oakland Park but has been in Fort Lauderdale and vicinity for the past 12 years, although he came to this area from Indianapolis. Previous to

opening up his own business, Woerner was affiliated with Broward Motors, Klem's and Stephens. During 1940-41 he instructed in mechanics at Central High School in the National Defense Program. For three years, from 1942 to 1945 he was a civilian technical observer as a fighter plane specialist in the U. S. Air Force. Following the completion of this assignment, Charlie Woerner re-entered the automobile game, feeling that there was a need for a used car dealer who specialized in the low price field. The success of this is evidenced by the growth of his business. Mr. Woerner feels that through satisfying his clients, they in turn prove to be unofficial salesmen for Woerner's Used Cars.

The mothers of our P. T. A. are helping the teachers by collecting the milk money from the children. Both teachers and pupils are most appreciative of this service.

Have you heard about the Hallowe'en Carnival that the P.T.A. is putting on? It is quite a big affair. We are looking forward to a lot of prizes and a good time.

Musical talent has been discovered in our school. Sixteen of the fifth and sixth graders have joined the Ft. Lauderdale High School Band. We wish them luck.

Harry Wells has just been elected Captain of the Safety Patrol. Douglas Farquhar and Terry Hamby are the two Lieutenants.

Tuesday morning as Douglas Farquhar was coming to school, he found a very small bird that had been hurt and mistreated by some not so kind. The children all began to take care of it. They named it "Squeaky."

It did look for a while as if "Squeaky" would make it and become the class pet, but late Friday afternoon, "Squeaky" was called to bird Heaven and, Oh—the difference to us.

PTA Carnival

Making Headway

Plans for the coming Hallowe'en Carnival are progressing very nicely under the direction of Mrs. Merle Owens, Mrs. E. W. McGuire, and Mrs. William Parker. The committee is very appreciative of the cooperation that they are receiving from all in the community.

The parents of each class will be in charge of a concession under the direction of the home room mothers as follows: first grade, Miss Meredith—ice cream, Mrs. Jo Turner; first and second, Miss Welker—grocery walk, Mrs. Le Viness; second grade, Mrs. Parker—soft drinks and movies, Mrs. Sidney Sandler; third grade, Miss Miller—ball throwing, Mrs. Snowden; third and fourth, Miss Skeene—hot dogs and coffee, Mrs. Hoekstra; fourth grade, Miss Robertson—peanuts, popcorn, candy balloons, Mrs. Brazzeal; fifth, Mrs. Mattmuller—water pistols, Mrs. Bowen; fifth, Mrs. Hammond—spook house, Mrs. Sanderson; sixth, Mrs. Tresca—ham raffle, Mrs. Roz; sixth, Mr. Robinson—cake booth, Mrs. Cox; snowballs — Mrs. McGuire; ticket booth — Mrs. Tamburino; weight guessing—Mr. Toms. If anyone who has not been contacted who would care to assist, they might do so by calling Mrs. Owens, phone 3-4635.
