GIRL SCOUT TROOP NO. 43 VISIT SEMINOLES ON WEEKEND

Girl Scouts of Troop 43 of Wilton Manors had an unusual and pleasant experience this past week end when they visited with the Seminole Indians in the Everglades. This is believed to be the first time that any group of white girls has been invited to live as guests of the Seminoles.

Accompanying the girls on the visit were Mr. and Mrs. Robert Newton and their son, Sgt. Robert Newton, who recently returned from Korea, Mrs. Robert Bridges and Jody Noonan, a nurse's aid. The troop started Friday afternoon on their 150 mile trip, soon after school was dismissed. Although the Girl Scouts carried some of its own supplies, the Seminoles were to provide food for the visitors and to instruct them how to survive on plant and animal life in the Everglades.

Contact with the Seminoles, was made back in 1950 when Mrs. Newton's troop joined a group of Seminole children from the Dania Reservation at a Thanksgiving party. Mrs. Newton, the leader, and Mrs. Frank Hainey, co-leader for the troop, had made friends with the Indians and the Thanksgiving party was arranged and held at the church on the mission grounds. Rev. Sam Tommie, Baptist Minister of the Seminole Reservation, arranged the party.

Friendship between the local Girl Scouts and Seminoles has since developed. The Troop assisted the Indians at their home show booth and provided milk, clothing, and toys for their Indian friends. The Seminoles have appreciated this gesture and in return have shared their knowledge of the outdoors.

The bond of friendship has continued to be strengthened when Dorothy Tommie, daughter of Rev. Mr. Tommie recently became a member of Troop 43, being the first Seminole to be admitted to the Girl Scout group. Dorothy, through her ability and knowledge of Indian lore has made her a most popular member of the Girl Scouts. Juanita Billie, another Seminole, has attended numerous troop meetings and has given instructions in bead work and spoke on Seminole history and life of the Indians in the Everglades.

The happy girls and their grown-up instructors returned home Sunday night after a wonderful week end of experiences. The girl Scouts attending included Betty Halliday, Karen Sewell, Dee Chabot, Nancy Lee, Betty Riebling, Shirley Wells, Juanita Cooper, Doris Peterson, Barbara Haliday, Bonnie Jennings, Carol Chabot, Martha Davis, Carlene Geisler, Barbara Roosa, Phyllis Carter, Joyce Bridges, Dorothy Tommie, Julia Dillard, Elizabeth Van Arsdale and Bonnie Oras.

All arrangements for the week end visit were made by the Seminoles with their people in the Everglades. Chickees, the Indian name given by the Seminoles, for the small huts as well as a house was provided for sleeping quarters for the Girl Scouts, leaders and guests.

Bowden Made Sales Agent For English Motorcycles

John Bowden of 2710 N. E. 6th Lane, owner of Bowden's Gas and Oil on Old Dixie has recently been appointed exclusive sales agents in Broward County for Triumph and Velocette English manufactured motorcycles.

Bowden has been in the motorcycle business for over twelve years and is well qualified to do service work on both foreign and American made machines. On various occasions he has attended manufacturer's service schools of instructions.

Mr. Bowden invites the general public to visit his sales room and inspect the motorcycles he has on display. He maintains a modern shop where all service repairs are made at reasonable rates.

Woman's Club Meet Nov. 18th Park Project To Begin

The Woman's Club of Wilton Manors will hold their regular meeting on the 18th of the month. President Middleton of the Council has assured Mrs. Maybn Thomas, president of the club, that water lines for the two triangle parks will be installed shortly so that plans for beautification of this project can get underway. It was the intention of the Woman's Club to plant a live Christmas tree, but due to the fact that water facilities have not been completed, nurserymen have advised that the planting take place after the holidays when the tree can be kept watered.

Gallion Reports 26th Bridge To Be Opened Shortly

According to information received from County Commissioner Richard T. Gallion, who was in the Village on election day, work on the extension and particularly the bridge on 26th Street is expected to be ready for travel within the course of the next two weeks.

The bridge work by Powell Construction has been progressing rapidly and prefabricated concrete forms have been placed. The roadbed to the bridge is expected to get underway the first part of the week.

With the opening of the new artery, Wilton Manors merchants are bound to receive benefits from residents in the northeast section.

"The Rambler"

By JACK MCGUIRE

MISS MEREDITH—1st GRADE

We all enjoyed the Halloween carnival last Friday night.

We have been drawing turkeys and getting our room fixed up for Thanksgiving.

We were so proud that so many of our fathers and mothers came out to PTA. We hope next time to win the banner.

Today we did some finger painting.

* * *

MISS WELKER'S FIRST
AND SECOND GRADE

We are just completing a study of seeds. First we listened to a story of how seeds grow. Then we planted our own seeds to see how they would grow. Last of all, we took a field trip, and hunted for different kinds of seeds. We plan to plant some of them to see how they will grow.

* * *

MRS. PARKER'S SECOND GRADE

We have just finished our Nursery Rhyme booklets. We enjoyed coloring all the pictures of our favorite nursery rhymes.

In arithmetic we have learned our Roman numerals. We are making clocks and learning to tell time.

We are making plans for a new unit for the month of November. It will be on Indians. We will have lots of fun working on it.

We are glad to have Ricky Turner back with us. He was absent for two weeks.

MISS MILLER'S THIRD GRADE
"LITTLE KAYE"

Once upon a time there was a little girl and her name was Kaye. She had a bigger sister and her name was Faye.

Her sister was a year older than Kaye. Faye was seven, and Kaye was six years old. They went to school. Kaye was in the second grade, and Faye was in the third grade. Faye's teacher was Miss Gillham, and Kaye's teacher was Miss Miller.

One day Faye went to school and she talked and she talked, and she had to stand in the corner. Her sister knocked at the door, and the teacher said, "Come in." When Kaye saw Faye, she said to herself, "I'm going to tell mother."

That afternoon when they went home, Kaye told her mother, and when mother went to town, Kaye went with her, and Faye had to stay home.

NEWSY NOTES

Wilton Manors "goodwill" ambassadors, Mr. and Mrs. A. E. Twigg of Lebanon, Pa., arrived in the Village last week. Accompanying the Twigg's were Mr. and Mrs. Roy Bailor and Miss Agnes Ghotshole. Mr. Twigg is a brother of Mrs. Paul Reed of Manor Sundries.

* * *

Glad to see that the Civic Association has on its program for the Village, the Christmas decoration of the Park, opposite Frank Miller's Hardware. Last year, the Business Group, headed by Les Bagwell, started the movement of Christmas decorations. Through the cooperation and donations by merchants, a tree was erected and neon signs placed on both ends of the Drive. Prizes were donated by merchants for best decorated homes and places of business. Tom Hinds was chairman for this project and received valuable assistance from Police Chief Beaney, R. A. Nix, Florida Power and Light, Electra-Pliance, Mr. and Mrs. Robert Newton, Tropical Homes and the merchants of the community.

P.T.A. To Raise Funds For Movie Projector

The Wilton Manors P. T. A. who have done valuable work in the progress of the local school, have undertaken a drive to raise funds for the purchase of a moving picture projector. As a means of raising money for the projector, the P. T. A. will accept subscriptions for Curtis Publishing publications. Mrs. Joe Rogers, president of the organization, would appreciate it very much if residents of the Village having renewal subscriptions or who wish to subscribe to magazines to please wait until contacted this week.

To purchase the projector, a sum of \$449 is needed. Already certain monies have been raised through the collection of waste newspapers. The P. T. A. would appreciate it very much if residents save newspapers and they will be picked up through contact with Mrs. Rogers or Mrs. Merle Owens.

Mrs. L. L. Dameron, secretary to the organization, is the delegate to the state convention which is being held on Tuesday, Wednesday and Thursday of this week.

In observance of American Education Week, open house was held on Wednesday, when many parents and friends visited the local school.

Mrs. Rogers and members of the organization express their thanks for the splendid vote of approval given by the voters on Constitutional Amendment No. 1 relating to school finances.

St. Andrews Methodist Church In New Building

Former North Methodist Church, now known as St. Andrews Methodist Church is now in its new building at 1100 N. Andrews Ave. The new church is easily to locate, due to the "big" cross which adorns the front of the building. Rev. Royal J. Rice is the Minister. Sunday School is held at 9:45, morning services at 11:00 and evening worship at 7:30. All Methodists and friends are invited to attend.

Brown, Father of Four Services Held Tuesday

Funeral services for Barney Russell Brown, a 29-year-old Pompano Beach dairy worker, who was killed as the result of a head-on auto collision Friday night on Prospect Road, east of Broward Quarries, were held Tuesday from Blackburn funeral home. Brown had numerous friends and acquaintances in the area.

Critically injured in the accident was James Harold Clay of Pompano Beach. Less seriously injured was Eugene Strickland also of Pompano. All of the men were employes at McArthur Dairy.

Besides his wife, Mary, Brown is survived by four daughters, Rosemary, 8, Sandra May, 6, Gloria Ann, 5, and Karen Jane, 2, and his mother, Mrs. Lottie Justice.

Office Hours Water Department

The office hours of the water department, located at Frank O. Miller's Hardware store are from 8 to 5 on Monday through Friday and 9 A. M. to 12 noon on Saturday. Water bills may be paid in person during these hours.

Port Race, District 1 Likely To Be Challenged

According to statements issued by N. S. Knudsen, chairman of the Republican County Committee, the GOP are backing Republican J. B. Schafer in asking for a recount in the ballots cast for member of Port Authority of District 1. Schafer, according to figures was the loser for this office when Paul M. Ryle, his Democratic opponent received 10,186 votes to Schafer's 10,147. Ryle won out by a slim margin of 39 votes. The Democrat overcame a 76 vote deficit to Schaffer in the counting of the 1,902 absentee ballots. The Republicans received 9,428 on the voting machines to 9,352 for the Democrats.

The Broward County canvassing board has certified the official results, these being forwarded to the Governor and Secretary of State. The certification shows 39,047 votes cast in Broward County out of a total registration of 48,235. The certification of Paul M. Ryle was withheld, pending a decision as to what official action the GOP committee and Schaffer takes on questioning the vote. In the absentee ballot count, Ryle received 814 votes to 719 for Schaffer.

County Republican leaders, pepped up by the recent trend to Republicanism, will begin to organize this week with greater effort to build a two party system in the County. The County committee will urge voters who in the past have registered as Democrats to change their party designation on the registration books to Republicans.

Mrs. "Doc" Williams Steadily Improving

According to Doc Williams of the Pharmacy, his wife, Mrs. F. M. Williams has greatly improved during the past week and gradually recovering from the stroke which occurred two weeks ago. Doc reports that Mrs. Williams is slowly regaining the use of the affected limbs. Mrs. Williams' many friends in the Village and area are hopeful that she will be about the store again in a short period of time.

WARNING ISSUE ON AUTO TAGS

Deputy Motor Vehicle Commissioner in Broward County, R. B. McDonald, has been checking to see if Florida residents have tags displayed on the rear of their cars. McDonald has stated that schools are furnishing him with the addresses of parents who have children in Florida schools.

He has pointed out that anyone gainfully employed, registered as a Florida voter, maintaining home, or attending school must have auto tags displayed. This includes any vehicle. However, out of state visitors are not subject to the law.

Village Council Highlights

According to the report of City Engineer Dunton, the water department was in the red for October to the tune of \$181.42. Dunton agrees to take a temporary cut in salary from \$300 to \$200 monthly until such time as the department operates on a more profitable basis.

On the suggestion of the Police Chief, due to growth in Village and traffic conditions, a new police officer will be appointed to the force.

C. Wilson Brown questioned the continuous payment of 10 percent of Engineer Crowe of Black and Associates designers of the water system.

Investigation for the installation of a three-way traffic light at Old Dixie, Wilton Drive and 26th Street, will be made by Chief Beaney. Beaney was also authorized to purchase "angle parking" signs for installation on the Drive.

The Zoning ordinance, after objections by Arthur Chabot and with certain amendments made, passed its first reading. Interested citizens may get copies or see the ordinance at the Village Clerk's office.

Julius Tukes, on the motion of Councilman Starling, was given a franchise for the collection of garbage for the Village, for a period of two years, with an option to renew at the expiration date. Tukes agreed to keep the collection cost as at the present and to pay the Village 15 cents per month from each place garbage was collected.

The bonds of Chief Beaney and Councilman J. Marvin Brown, as Deputy Sheriffs were renewed.

An ordinance, regulating bicycles passed its first reading. The ordinance calls for licensing, registration, inspection. A fee of 75 cents will be charged for the first year. Chief Beaney was given permission for the ordering of tags.

The F.E.C.R.R. are investigating the installation of automatic warning signals at the 26th St. extension R.R. crossing.

Middle River Development Co. and Coral Gardens Inc., requested the Council to sign a letter to the effect that the companies would be reimbursed for the expense of installing water lines under the R.R. crossing. Councilman J. Marvin Brown and Village Clerk Mrs. Stafford, recently re-elected and the newly elected member Earle Gurney were administered the oath of office.

President Middleton was re-elected as head of the Council, James Dean as Vice-President. Councilman Starling will head the fire department, Brown in charge of Police and Gurney to head up Streets and Parks.

The Rambler (continued)

"A TURKEY DINNER"

Once upon a time there was a farmer. He said, "Tonight is Thanksgiving, I will have to get a turkey." So the farmer went to get a turkey and he said, "I will take this one," and he took it to his house for his wife to cook. But when he got it on the table, he ran away, and it was the only one he had. So he had to buy one. The store was closed. "I will have to find my turkey," he said, so he looked and looked. At last he found the turkey, and cooked it for supper. —Mark Mitchell.

MRS. MATTMULLER'S FIFTH GRADE

Mrs. Matmuller's room was having a contest, to see if we could win the prize for the P. T. A. membership. We got fifty-one members and won the five dollar prize. Because we won, we had a Halloween party in our room. We played games and had refreshments. The game we enjoyed most was "Pin the nose on the Jack O' Lantern." The winners were Henry Turner and Joanne Comely. —Karen McElhatten.

MRS. HAMMOND'S FIFTH GRADE

We were very glad to have the book committee and Mr. Bair inspect our text books. They didn't find any marks or doodling.

Our latest interest in Science is Herpetology. What? You don't know what it is? Snakes alive! You ought to!

Mrs. Guffery gave us a talk and demonstration about caring for snake bites. She brought some harmless specimens, and told us many interesting things. —Lynn Butler.

MRS. FRESCA'S SIXTH GRADE

This week we made a long list of our new words we had during the week. We put them on the black board, and they looked up the meanings in the dictionary.

Next Wednesday, November 12, is visiting day at Wilton Manor School. All parents of Wilton Manor School children are invited to come and sit in class and see what goes on during the course of the day. The regular classes will continue as usual.

Next Monday, Nov. 10, our pictures will be taken for our permanent records. Children may buy their individual pictures if they wish.

We have learned through local residents, who have patronized for years, THE HUB, that the establishment has received their new supply of drapes, curtains and yard goods. THE HUB is one of the oldest concerns of its kind in South Florida and its growth has been attributed to the quality of merchandise they handle, plus service and the reasonableness of the prices charged for their goods.

Early Morning Fire In Oakland Park

Wilton Manors fire department was called to render assistance at a fire in Oakland Park early Tuesday morning. The call was rescinded later by Oakland Park. The fire occurred on the property of Mrs. Campbell of West Ocean Boulevard. A tool shed was destroyed, but the adjoining home was saved by the action of the firemen.

Armistice Day 34 Years Ago

By Tommie Hinds Jr.
 No special Armistice Day exercises were held in the Village, although Ft. Lauderdale held exercises through the American Legion Post. It is exactly 34 years since the Armistice was signed at 11 o'clock in 1918. Yearly ceremonies are held at Arlington Cemetery, when the President places a wreath on the tomb of the Unknown Soldier, where a continuous vigil is kept at this National Shrine.

N. Andrews Ave. Traffic Being Diverted, Due To Water Main Installation

Wilton Manors residents may have questioned the increase amount of traffic in the Village over the recent weeks. This has been due to contractors working on laying the water main along North Andrews Extension for the City of Ft. Lauderdale. The pipe being installed, is part of the increased facilities for providing water for Ft. Lauderdale from Prospect airfield where a new well field is being developed.

NEWSY NOTES—
 (Continued From Page 1)
 After a sound trouncing at the polls, when his Democratic candidate Adlai Stevenson was defeated, we note in the public press, that "politically," President Truman is ready to retire. From observation, it looks like the people made that fact very plain to H. S. T.

It appears that a recount of ballots for member of the Port Authority of District No. 1 between Paul M. Ryle, Democrat of Hollywood and Republican J. B. Schaffer of Hallandale, is in the making. Ryle according to official vote received 10,186 votes while his opponent, Schaffer received 10,147.
 * * *

39,047 registered voters went to the polls in the County out of a total registration of 48,235 or 80.97 per cent of the qualified voters.
 * * *

Richard T. (Dick) Gallion, County Commissioner though unopposed, received a splendid endorsement from the voters. Dick has certainly helped out a good deal in providing improvements for Wilton Manors. Incidentally, we noted that he provided refreshments for members of the local election board.
 * * *

The many friends of Mrs. Clayton R. Leaver will be glad to learn that she is convalescing after a siege of virus. Mrs. Leaver recently returned from Connecticut and due to a change in weather conditions contracted the infection.
 * * *

There might have been more, but the flags we noticed displayed on election day included the homes of Norman Malcolm, and Charles A. Saxer. Outside of the flag at the park and Village Hall that is all we observed.

BETWEEN YOU AND ME
 By Todd
 Notice that Les Bagwell of Tropical Paint Supply has had erected two attractive signs on the roof of his store on the Drive.
 * * *

See where attractive maroon colored sidewalks have been constructed in front of the new Food Fair building on the Drive.
 * * *

Another barber shop is coming to the Village to be located in the building, erected by Tropical Construction, adjoining the store of Wilton Manors Furniture Co.
 * * *

The election boards, both County and Village did a splendid job taking care of the voters at the recent election. They were kept busy from the time the polls opened until their reports were filed around 9:30 P. M.
 * * *

The new parking lot, alongside of and in the rear of Manor Market is rapidly getting completed. The new renovation of the market is a decided improvement and is bound to be appreciated by their thousands of satisfied customers, who like to shop in their friendly independent food store.
