## CROWDS FLOCK TO MANOR MARKET STORE OPENING CELEBRATION OPEN SUNDAY, 8 A.M. TO 6 P.M.

Manor Market, one of Wilton Manors oldest business establishments which opened its doors six years ago broke all sales records for this popular, friendly, independent food store. The record breaking business was occasioned by the opening of the renovated and expanded store building, which cost approximately \$75,000.

In conjunction with the opening of the new store, owners Lamar Braddy and Frank Starling, put on a three-day celebration sale for the benefit of their patrons. Grocery and meat officials, who were on hand to congratulate the owners, were unanimous in stating that the crowds far outnumbered any store opening that they had ever witnessed. It was estimated that in the three days, approximately 20,000 people shopped at the market. Although the sales force handled their customers efficiently they were just "swamped" by the tremendous number of people taking advantage of the splendid buys offered by Manor Market.

Although a two-acre parking lot has been provided for the convenience of the shoppers, every available parking space was in use along the Drive and as fast as one shopper moved away, another took his parking space.

As an appreciation to their thousands of patrons, more than 300 people were presented with bags of groceries by having the lucky numbered shopping basket called over the loud speaker system at the store.

It will be six years this April when Lamar Braddy and Frank Starling opened the market. At that time they predicted that Wilton Manors would progress and develop. This prediction has come true and thousands of people in the area have learned about Wilton Manors through coming to Manor Market. Many of these patrons of the store, impressed with the community, have made their homes here in the Village. When the store was first opened, there were only five people employed consisting of Braddy, Starling, Mary Braddy and two butchers. Today, this number has grown to approximately 60.

### TO OPEN SUNDAYS

Due to the demand of many people who are employed and unable to take advantage of the low prices at Manor Market, it has been decided by the owners that the store will remain open on Sundays from 8 A. M. to 6 P. M. This went into effect last Sunday.

In speaking with the owners, they stated that a few "kinks," in the operation of store has to be ironed out, so that customers can be handled in a more expeditious manner. In addition, painted lines will be placed at the parking lot for car spaces.

Various Village officials, friends, patrons and fellow business men offered congratulations to the owners. The Bulletin expresses best wishes, and continued success to the owners of Manor Market.

## BETWEEN YOU AND ME

By Todd

Its a very attractive sign that Electra-Pliance has placed on top of their new store. Al Muzzell, the owner, tells us that a revolving light will be placed in back of the sign so that it will be most outstanding. For the convenience of parkers a lighted curb sign is being placed at the north end of the building, directing car parkers to the huge parking lot of Manor Market, which is also utilized by the stores in the Manor Market building.

In addition to Manor Market opening of their new store, we noted that Wilton Drive Barber Shop, adjoining Wilton Manors Furniture So., also opened last Friday. With the number of shoppers coming to the Village, it was noticeable that they were kept busy supplying tonsorial services.

Yes, the Village is really growing Wright Furniture Co., Inc., have opened up a store at 2157 Wilton Dr., next to Hicckel's Drug Store. In addition a new beauty parlor has opened in the former office of Tropical Homes Co., who are now located in Williams Pharmacy.

See where Governor Dewey of New York, one of President-Elect Eisenhower's top advisors, is vacationing at Miami. The Governor has stated that he desires no Cabinet position, as he wishes to fill out his two years term as Governor of the Empire State. We also note that Vice President-Elect Nixon is also visiting at Miami and has held talks with Governor Dewey.

A HAPPY THANKSGIVING TO ALL.

DON'T FORGET, ONLY APPROXIMATELY 30 SHOPPING DAYS LEFT BEFORE CHRISTMAS. DO YOUR SHOPPING EARLY, WHILE MERCHANTS HAVE COMPLETE STOCKS.

## NEWSY NOTES

Laffy Werner, Bill Karsten, Tommy Lawless and Tucker McNiff had an enjoyable day of fishing last Sunday aboard the Helen S. out of Hillsboro.

Commissioner J. Marvin Brown, who is one of the oldest inhabitants in the Village stated that it was the largest consistent amount of traffic that he had witnessed since living here.

Chief Richard Beaney and Officer Bob Hickman did yeoman work in keeping traffic flowing smoothly with a minimum amount of tie-ups.

The Zoning board held their regular monthly meeting on Monday night. Routine business was discussed.

The opening of the 26th Street road and bridge which was expected by the 15th of the month has been delayed. The cement roadway on the bridge has been placed. 26th Street has to have black top before the opening of this artery takes place.

## Christmas Committee Chairman Names

### Additional Members

H. G. Harper, chairman of the Christmas committee of the Civic Association, has named James Dean as co-chairman. Other members of the committee are Earle Middleton, Robert Newton, A. Saxer, and Guy Smith. Various women of the Village have been named as an advisory committee and include Mrs. Dave Turner, Mrs. Robert Newton, Mrs. Alvar Hagen, Mrs. T. A. Millar and Mrs. Gordon Sanderson. Les Bagwell of the Businessmen's group will serve as chairman on home and business decorations. Lamar Braddy of Manor Market is handling contributions from business and personal donations and anyone wishing to make donations may contact Mr. Braddy. The committee is looking forward to generous contributions from the Civic Association and the Village Council.

A good deal of material and supplies have to be purchased for the park across from Miller's Hardware where the Christmas exercises will be held on the night of Dec. 6, when the tree will be lighted and appropriate exercises held.

Last year the Businessmen's group inaugurated the Christmas decoration idea for the Village. Tom Hinds and Les Bagwell, assisted by Chief Beaney and others had the Christmas tree at the park. Prizes through donations from merchants were awarded to homes and stores. At one end of the Village, over the road, was a "Season's Greetings" sign and at the gate was a "Merry Christmas" sign, made possible by donation from R. A. Nix and contributions of merchants in the Village.

Many others in the Village have volunteered to help, among these being Mary Lou Turner, a student at Florida State University, who is home on vacation.

**LOCAL GIRL SCOUTS SEMINOLE VISIT PUBLICIZES VILLAGE**

Girl Scouts of Wilton Manors, who recently made a week-end trip living with the Seminole Indians in the Everglades, have certainly captured the "headlines" in newspapers and have brought good publicity to the Village.

A little over a week ago, accompanied by their leader, Mrs. Robert Newton, the Scouts took the trip to the Everglades where they gained wonderful knowledge of the Seminoles, after having spent two and a half days with the Indians. One of the things which surprised the Girl Scouts was the fact that most of the young Seminoles speak English, although the elders have not mastered the language. The stay was arranged by Dorothy Tommie, daughter of Rev. Tommie, who is a member of the Girl Scout Group.

## NEWSY NOTES—

(Continued From Page 1)

Beaney, was on the new motorcycle, which now is in use by the Police Department.

Water pipe lines in the Middle River Estates development are being laid by the developers. We understand more than 50% of the property has been sold for the erection of homes.

Another development taking place, just outside the Village, is North Andrews Gardens which is located at the present end of No. Andrews Ave. Extension and Prospect Rd. This development is being promoted by Prosperity Development Corp. of Florida, headed by L. D. Griswold. North Andrews Gardens comprises 1800 lots. The new area will also have a complete shopping center. All of the roads on the property will be black topped and city water will be installed. A model home is nearly ready for inspection by the public. John Silva, registered real estate broker is the exclusive sales agents and is on the property every day. Mr. Silva states that now is the time to get lots at pre-development prices.

The Village has an opening for a Police officer, as recently authorized by the Council. Those interested are urged to read the "public notice" in the classified column.

Manor Market, due to the many requests which they have received from customers who due to employment and have been unable to do their shopping on "bargain days," have instituted a new policy. The store will be open on Sundays from 8 A. M. to 6 P. M. This new service was instituted last Sunday.

Paul Reed of Manor Sundries makes a timely suggestion. Mr. Reed feels that a shuffleboard court would be an asset for the Village, not only providing entertainment for residents and visitors, but as a means of providing revenue for the Village.

Friends in the Village of Mr. and Mrs. Thomas Dockery, will be pleased to learn that they are the proud parents of a new baby girl who answers to the name of Dorothy. Mrs. Dockery, the former Mecky Robinson, is the daughter of Col. and Mrs. W. J. Robinson. The Dockerys' live at Columbia, S. C., where Mr. Dockery is attending the University of South Carolina.

Mrs. Mabel C. Barwick, associate of Kokanour, registered real estate broker, since election day has had numerous people from the north for seasonal and yearly rentals. Mrs. Barwick has her office at 2190 Wilton Drive.
