LAUREL WAGNER AND ROBERT COLLINS REVEAL MARRIAGE AT PARTY

Vets Insurance

Dividends To Be Mailed, Shortly

Good news is in the offing for veterans in the area. According to an announcement by the Veterans Administration, 1953 dividend checks will be in the mail in the next few days to national service life insurance policy holders. Policy holders in Louisiana, Mississippi and Texas checks will not be mailed out for the next 30 to 60 days.

The annual dividend will go to about 5,000,000 veterans, with the vast majority receiving a flat \$60.

Only policy holders who have told the V. A. that they want the dividend in cash, will be paid that way. Otherwise a policy holder may apply the dividend as advance premiums to his policy or have it credited on deposit with the V. A.

BOY SCOUTS,

"CITY OFFICIALS"

AT OAKLAND PARK

As a part of the observance of Boy Scout Week, Oakland Park youngsters took over the operation of their City government on last Wednesday. The young Boy Scout officials were: Ronnie Hunter, mayor; John Jayner, police chief; Mackey Alley, constable; C. B. Maxson, water superintendent; Clifford Bates, sanitation supervisor; and Raymond Otis, Alvin Green and Herbie Christian, city commissioners.

METER TAMPERING SAYS: CITY ENGINEER

February 16, 1953.

Wilton Manors Bulletin
Gentlemen:

Will you please publish the following item in the next issue of your paper.

Each month that the Water Department reads meters, we have found at least one meter has been tampered with. In some instances screws have been completely removed and in others the dial and recording mechanism has been damaged.

The Water Department wishes to bring to the attention of all persons and consumers of water, provisions of the Water Department Ordinance which states: "Any person damaging any fire hydrant, valve or connection with the street mains or any curb cock, valves or meter either accidentally or intentionally, shall pay the cost of such repair or replacement, as determined by the Town of Wilton Manors (Water Department)" and at the same time he subjected to the penalty provision of this ordinance which is as follows:

"Any person, persons, corporations violating any of the provisions of the Ordinance shall be punished, upon conviction thereof in the Municipal Court of the Town of Wilton Manors by a fine not exceeding \$500 or by imprisonment not exceeding 60 days, or by other such fine and imprisonment at the discretion of the Municipal Court of the Town of Wilton Manors."

Tampering of meters was brought to the attention of the Council at the last meeting on February 10th by the City Engineer and the suggestion made by the Water Department to seal all meters was approved.

Yours very truly,
O. M. Dunton
City Engineer.

Announcement of the marriage of Miss Laurel Nancy Wagner of 611 N. E. 29th Drive to Robert E. Collins was revealed at a party last Saturday at the home of Mrs. W. L. Davies of 2300 Castilla Island. The marriage ceremony took place on January 17 in Memorial Presbyterian Church Chapel in West Palm Beach and was performed by the Rev. R. L. Wood.

Mrs. Collins is the daughter of Mrs. Pat A. Wagner of Wilton Manors and Mr. Collins' parents are Mr. and Mrs. T. J. Collins of 621 S. E. Third Avenue.

Mrs. Collins was graduated from Gibson Girls School of Modeling in Miami. Mr. Collins served in the Navy during World War II and attended the University of Miami and the University of North Carolina. Both are affiliated with the Ft. Lauderdale Little Theater.

After March 1 they will be at home at 611 NE 29th Dr., Wilton Manors.

Among the invited guests to the party at the home of Mrs. W. L. Davies, who is a sister of Mrs. Collins were the following:

W. T. Davies, Mr. and Mrs. Louis Dornbush of Derfield Beach, Dr. and Mrs. Marvin Baxla, Mr. and Mrs. Al Crowder, Miss Janet East, Mr. and Mrs. Jack O'Malley, Mrs. Myra Banning, Miss Karen Banning, the Rev. and Mrs. R. L. Wood of West Palm Beach, Mr. and Mrs. Robert Clark.

Mr. and Mrs. Robert Kuhl, Mr. and Mrs. Ed Falker, Miss Claire Norton, Mr. and Mrs. Al Dimier, Mr. and Mrs. Al Thibault, Mrs. Juanita Fowler, Mrs. Van Arsadale, Mrs. Eloise Henry, the Misses Carol and Chan Busby of Coral Gables, Mrs. Patricia Ludwig, Mr. and Mrs. Powell Barnes.

Verde Ralston, Mr. and Mrs. Leroy Hunter, Mr. and Mrs. Carl Guller, Miss Joanna Collins, Mr. and Mrs. Raymond Waeker, Mr. and Mrs. John Adams, Miss Geneva Rickard, Mrs. C. E. Rickard, Mr. and Mrs. Frank Hainey, Mr. and Mrs. Joe De Valiero, Mr. and Mrs. Joe Wrinkle, Mr. and Mrs. Robert Miller.

Miss Edna Wright, Chickie Trautwien, Mr. and Mrs. John Sweat, John McDonald, Del Calhoun, Mr. and Mrs. Raymond Nadeau, Tony Kozla, Miss Mae Bond, Mr. and Mrs. Ben Short, Mrs. Marjorie Maxwell, Mr. and Mrs. Hal Vaughan, Mr. and Mrs. Lester Jordan, and Mr. and Mrs. Cecil Shumate.

Minneapolis Police

Lectured On 'Courtesy'

The word "COURTESY" has been stressed by Acting Police Chief Pat Walling of Minneapolis in a lecture given to men of his department, according to news releases in the press.

Chief Walling of the Minneapolis police says that from now on erring motorists will be given tickets with a "polite smile."

Walling, in his lecture, stated that he realizes that it is rather difficult after chasing a speeder, not to have some personal feelings and there is a strong tendency to convey these feelings to the offender—but, Chief Walling said that a ticket was just as binding when given in a courteous manner.

NEWSY NOTES

Those attending the dance sponsored by the Women of the Moose, No. 1007, last Saturday were entertained by pupils of the Geisler Dance Studio of Wilton Manors. Those pupils participating in the reveue included Garlen Geisler, Alma Jenkins, Huston Steed, Sherry Seibert, Yvonne Brackett, Kathleen Magda. Serving a master of ceremonies and piano accompanist was George Geisler.

Mr. and Mrs. Archie Blair, who were recently married, have returned from their honeymoon trip to New York and have taken up residence at 421 N. E. 24th Street. Mrs. Blair is the former Miss Dorothy Myrna Elfers, daughter of Mr. and Mrs. Elmer W. Elfers of 15 N. E. 25th Street. Mrs. Blair has returned to her duties at Wilton Manors Furniture Store.

Friday, the 13th was uneventful, as far as the Village was concerned.

The stores being erected on Wilton Drive by Tropical Construction Company will be ready for occupancy in about a month's time. The stores have already been leased.

The white office building on Wilton Drive, opposite Tropical Club, is being renovated. The new jalousied front makes a decided improvement.

Noticed that County Commissioner Dick Gall had another crew of workmen patching up Wilton Drive. Dick sure has been mighty cooperative with Wilton Manors.

Tuesday nights at Oceania Restaurant and Cocktail Lounge on A-1-A will be known as "Pennsylvania Night." The Sommons, Hazel and John, who operate this popular eating place, hail from Reading, Pa., and a goodly number of Pa. folks drop in and get acquainted with the congenial hosts. One of the features of Pennsylvania Night will be the serving of a special Pennsylvania Dutch dinner.

(Continued on Page 4)

Water Bond Bid

Awarded P. Beach Firm

At a special meeting of the Village Council, held on Monday night the \$110,000 water bond issue was awarded to Emerson, Cook, Sullivan, Nelson and Goss bonding house of Palm Beach. The successful bid was at 4 and a half percent.

"Barber Shop" Quartets

Hold 4th Annual Festival

Friday, February 20

The SPEBSQSA 4th annual festival of harmony will be held on Friday, February 20 at Memorial Auditorium. For those who don't know what SPEBSQSA means, in common language, is known as the "barber shop" quartets. The festival will have various entries from all over the state as well as other participants. Every year the local organization, from proceeds, provides a scholarship to some worthy youngster from the area. One of those very much interested in the organization and a member of the SPEBSQSA is Bill Kent of Oakland Park.

MERCHANTS AND COUNCIL SOLVE PARKING

"OLD" PARKING REGULATIONS IN EFFECT

The "new" parking regulations which have been in effect in the Village, particularly the angle parking within the painted lines on Wilton Drive will be held in abeyance for the present. This was decided at a meeting of the Village Council and merchants of the community at Wilton Manors School on Wednesday night.

Robert Lewis of Broward 5 & 10 offered a motion that the present "recently new" parking regulations be eliminated and only speeding, reckless driving and no passing be enforced. It is also understood that parking in driveways or by firehydrants or other locations where parking is prohibited will be enforced. The motion made by Lewis was carried by the merchants and on a vote of the Council was duly passed. The police department will be given their instructions to follow.

A good majority of the merchants were present and a most friendly meeting was held between the Council and business group. President Middleton of the Council stated that the meeting was called for the purpose of finding the best solution to the traffic situation on Wilton Drive. Mr. Middleton called on Councilman Brown who advocated the placing of "buttons" on the Drive at various locations so as to eliminate the dangerous practice of drivers from backing out or pulling across the painted center lines of the Drive.

Chief Beaney stated that there has been no serious accidents, but it is best to meet the situation now than later on. He also mentioned the backing out of drivers of cars parked at various stores and that this problem should be controlled. The Chief added that traffic had to be controlled without hurting the merchants.

Lamar Braddy of Manor Market stated that the merchants in the Village spent plenty of money to bring people to Wilton Manors from out of town areas and that he really saw no real traffic congestion. Braddy added that everyone was happy with the old regulations, not only the merchant but the customer.

Les Bagwell, president of the Business Group, stated that he had noticed on Federal Highway, which has a steady flow of heavy traffic, did not seem to have to much of a problem and cars were able to get in and out of parking spots in front of stores.

Bob Lewis mentioned the fact that the prosperity of Wilton Manors depended a great deal on the prosperity of the merchants. Mr. Lewis stated that the present painted space angle parking eliminated additional spaces for motorists and particularly in the Peterson block. Lewis further added that he felt that the Village was getting a little ahead of itself in putting into effect metropolitan parking regulations and not get high "falooting" ideas when it is not necessary. Les Bagwell, mentioned that in the Peterson block that actually 15 parking spaces has been lost since the new regulations went into effect.

Councilman Frank Starling, who has been opposed to "buttons" being placed on the Drive, stated that if this was done it would create a more dangerous traffic situation and would develop into one of the worse "headaches" we ever had in the Village.

"Doc" Williams of the Pharmacy told the Council that the peak of traffic was at the present time and only a very few weeks, due to the exodus of visitors, traffic would be greatly reduced. Doc further added that we should lean over backwards to make easy parking, for that keeps people coming to your community to do their buying.

Ralph Johnson of Nancy's Dress Shop told the Council that he "lost" a \$50 sale as a result of a customer making the purchase saw the officer place a "warning or courtesy" ticket on a car which was parked in front of his store. Mr. Johnson mentioned that the officer was most courteous in giving the warning ticket, but the customer never came back to the store for the merchandise.

Councilman Dean suggested that the Council do what the merchants felt was beneficial. A motion was made by Councilman Dean and seconded by Councilman Gurney that the recommendations as carried by the merchant vote be passed by the Council. All members of the Council voted "yes" with the exception of Councilman Brown, who "passed."

THIS IS "THEIR" REWARD

40,000 KOREAN VETS SEEK JOBS

According to figures released by the Director of the Labor Department's Bureau of Employment Security in Washington, about 40,000 G. I. veterans of Korea are registering monthly for unemployment benefits.

The figures were released on hearings by the House appropriations Committee at Washington.

Under the law benefits are provided of \$26 a week for a maximum of 26 weeks to eligible vets.

Additional funds of \$32,200,000 for the fiscal year, ending in June, for payment of jobless benefits to qualified G. I.'s has been requested by the Labor Department.

The Director has stated that a large number of the Korean veterans coming out of service at the present have not had previous work experience.

Figures released, show that G. I. unemployment is estimated at approximately the same as shown for the whole labor force of the country, which is about three percent, and is steadily on the increase.

It is estimated by the end of the fiscal year, according to the report, approximately 2,000,000 Korea Veterans will have been discharged from service to civil life and seek jobs.

REGISTER AT THE CHAMBER OF COMMERCE

If you haven't already done so, we suggest that you go to the Chamber of Commerce and register.

Any information you wish will be courteously supplied by the young ladies on the staff. Be sure to go in and register—you will also find many services to add to your pleasure while here. The Chamber of Commerce is waiting to do you a favor, and ready to tell you anything you may want to know, or to help you in any way possible.

One of the finest services rendered by the Chamber of Commerce is the registration of visitors, their home states, local addresses and recreational preferences. Friends may wish to contact you this winter, and such information is always available and instantly supplied by the Chamber of Commerce staff.

In Fort Lauderdale the Chamber of Commerce is located at 307 E. Las Olas Blvd.; in Dania across from Post Office; in Hollywood on the Federal Highway, one block north of Harding Circle and in Hallandale at the City Hall.

Since this is only one of the many services that our local Chamber of Commerce offers, it is to your advantage to visit their office.

The Pompano Beach Chamber of Commerce is located at 2200 Atlantic Blvd.

HARVARD ALUMNI GROUP MEET AT MIAMI

This week, Harvard graduates and alumni throughout the nation and world will meet in Miami the first time that the executive committee of the Associated Harvard Clubs, is meeting in Florida. According to Emrys C. Harris, president of the Harvard Club of Greater Miami, it will be the largest Harvard event ever held in the state.

Various top officials of the University from Cambridge will be in attendance and speak on subjects of interest to Harvard men. Various entertainment has been provided for the visiting Harvardians. Other guests will include principals of high schools from the Greater Miami area as well as guests from Broward and Palm Beach Counties.

Planning Board Recommends Zone Change For Duplex

The Zoning and Planning Board at their meeting on Monday night recommended to the Council for their approval that lots 13 through 24 in block 54 being on N. E. 23rd Street be zoned to permit the erection of duplex homes. Mrs. Mabel C. Barwick suggested to the board that such a recommendation be made as their was a scarcity of duplex zonings in the Village.

BETWEEN YOU AND ME

By Tod

It was an interesting article that Commissioner J. Marvin Brown in another local paper, in reply to an article published in the Bulletin. The police commissioner wants facts: Who was doing police patrol duty on last Tuesday night while the Council were in session from 8 to 10:30? (You were at the meeting Councilman Brown) and the whole Police Department were present during the meeting. Was it necessary for the "on duty" officer to be present? Wouldn't it have been more logical and for the Village interest for the "on duty" officer doing his patrol work in the Village than spending his time at the meeting? After all, a new police car has just been put in operation for patrol work. We think the most "desirable" place for the "on duty" officer to have been was doing his patrol job. Don't you?

Mrs. Albert Muzzell received very fine compliments for her handiwork in making beautiful corsages for the Oakland Park P.T.A. members.

The Council at the recent meeting wanted to know whether or not Julius Tukes, present garbage collector was in a position to handle collection for all the Village. We can recall only a short time ago when Pat Dickson gave a proposition to the Council for collection of garage and was unsuccessful in getting the OK. From all accounts Tukes has been doing a good job and has been most conscientious in his duties.

Beginning with the meeting of March 10, the Village Council will meet once a month instead of the "regular" twice a month meetings. The meeting in March and henceforth until further notice will be held on the second Tuesday of the month. The present Council have been most conscientious in their duties and have held as many as four five meetings during the past few months in solving perplexing Village problems, particularly the water situation.

Manor Bookkeeping Service on Wilton Drive, remind folks that only a short time remains for the preparation of income tax returns.

MANY KINDS OF FISH LURE ANGLERS HERE

Famous everywhere for its big game fishing in the Atlantic, fabulous Fort Lauderdale offers such a wide variety of angling to vacationers as well as year 'round residents, there is virtually no limit to the types available.

The first-time visitor, denied the chance to fish in the open sea elsewhere, invariably makes a beeline for the charter boat docks and as long as fishermen are prone to brag about the size of fish they catch, trolling for huge marlin, sailfish, wahoo, dolphin and shark will grab off the headlines.

Yet no less exciting, and increasingly popular, is surf, pier, inlet, bridge, bottom and skiff fishing in this resort city uniquely boasting 140 miles of inland waterways.

Bridge fishing is growing by leaps and bounds. Numerous spans are unrestricted, which makes it easy for anglers to reach their favorite bridge on foot or by car within a matter of minutes. Using live or cut bait, most bridge fishermen favor the snook which hover underneath. Also to be taken are tarpon, snapper, jack and jewfish.

More and more anglers who prefer bait casting are fishing at night in the inlets and brackish estuaries for the hard fighting snook and tarpon.

All in all, Fort Lauderdale has much to offer the fisherman, including the 22nd annual winter Fishing Festival now in progress, that it comes by its reputation of being "Florida's fishing paradise" naturally and honestly.

Non-residents may purchase fresh water licenses for \$10.50 per year or \$3.25 for 14 days. No license is required for salt water fishing.

Prevailing trade winds hold Fort Lauderdale's summer temperature average to 81.4 degrees. According to U. S. Weather Bureau figures, the mercury here climbed above 90 only five times last summer.

Civic Club
Bar-B-Q Repeated
Saturday, February 21
 Due to many requests from people who were unable to be accommodated at the bar-b-q last Saturday, the Civic Association will hold a repeat performance this Saturday. Servings will start at 4 p.m.

There will be no carnival this week, but an entertainment program will be staged by the Seminole Indian youth of the Dania Reservation. As part of their program the Seminoles will enact a traditional Seminole wedding as performed by their forefathers. Also as part of the entertainment there will be alligator wrestling. In addition the Indian youth will stage a modern talent show.

Frank Hainey, president of the Civic Association, urges the residents to attend the affair, because they will not only get a delicious bar-b-q but will witness top notch entertainment at no extra cost.

Those in charge are this time preparing to take care of all those who attend.

Oakland Park Lionesses
Elect Mrs. Sheldon

Mrs. F. D. Sheldon was elected president of the newly organized Lionesses of Oakland Park. Other officers elected consist of Mrs. Hiram Alderman, vice-president; Mrs. Joseph Haire, secretary and treasurer. Directors elected include: Mrs. H. C. Dew, Mrs. C. R. Cone, Mrs. W. A. Ryan and Mrs. Colley White. It was decided to hold the regular meetings: the first Monday night of each month. Mrs. C. R. Cone was appointed as publicity chairman for the new Club.

Joe Lec Goodbread, president of the Lions Club of Oakland Park, headed a committee of "wellwishers" to the new auxiliary. Other Lions officials extending congratulations included: J. W. Hudgins, district chairman; A. A. Dade, district governor. Leonard Wall of Miami; Leslie Morris of South Ft. Lauderdale Lions Club; W. A. Ryan and Hiram Alderman.

FEDERAL SOCIAL SECURITY NEWS

As part of their insurance protection, at least 3 million self-employed persons soon will be able to point with confidence to Federal old-age and survivors insurance.

This statement was made today by Paul Byrley, manager of the Ft. Lauderdale social security office. Byrley said that these individuals have full credit for their self-employment earnings after 1950 and so are fully insured for future payments as soon as they file their final 1952 income tax returns. To stay insured, they must continue to report their earnings and pay the social security tax once every year.

Among beneficiaries of social security now coming on the rolls, the average retirement payment to a man without dependents is \$65 a month; for an aged couple the average is about \$103 a month, and to a widow with two children, in the neighborhood of \$130 a month.

Eyrley urged all self-employed to keep accurate records and to be sure that the correct social security number and occupation are shown on the tax return and attached Schedule C-a as submitted. This Schedule C-a should be attached to all income tax returns showing net profit from self-employment of at least \$400 in a year.

Byrley also pointed out that since social security credits are based on accurate tax returns, it is greatly to the self-employed person's own interest that the return be entirely correct.

SUMMER VISITORS FIND PERFECT VACATIONLAND

Low cost transportation fares, sizable reductions in housing rates and the more or less recent discovery by many vacationers that spring and summer temperatures do not go out of sight here are expected to result in record business in Fort Lauderdale from May through August.

It wasn't always so. As recently as 1947, apartments went begging, traffic was sparse and there were days when the ocean beach was practically deserted in summer.

The picture has completely changed in the last two years. No longer is Fort Lauderdale primarily a winter resort. By intelligent promotion, it has educated the traveling public that it is just as delightful and far more economical to vacation here in spring and summer.

Indicative of this metamorphosis are the revised policies of hotel, apartment and motor court operators and numerous merchants who in other years "boarded up" for summer months.

All of the usual winter attractions will be available, including charter boat trips for deep-sea anglers, jungle cruises, tours of the orange groves and orchid farms, diversified entertainment at Memorial Auditorium, and everything in the sports line from 63 holes of golf.

Seven-day package vacations are being offered by Fort Lauderdale hotels and apartments for as little as \$5 per day per person. This all-inclusive plan includes complete accommodations, fishing trip, sightseeing cruise, bus tour, splash party and dinner dance at a leading resort, and an evening of dancing under the stars.

Hotel rooms that rent in winter for \$18 a day may be had for \$8 and one-bedroom apartments, renting for \$160 a week in winter, will be available this summer at less than one-third of the January-to-March rate.

JANUARY 27, 1953
TO WHOM IT MAY CONCERN:
 Due to the evident misrepresentations which have from time to time been made to prospective purchasers by some subdividers of property in Broward County, I feel it my duty to call to your attention the fact that not only is there no responsibility upon the Board of County Commissioners to repair or maintain the many hundreds of miles of dedicated streets in the various subdivisions which are placed upon record, but that it would be a financial impossibility for the Board to do so.
 Specifically I call your attention to the following taken from Section 177.10 of the Florida Statutes which covers the duty of the Board of County Commissioners in regard to the approval of subdivision plats:
 "... Such approval shall not bind the County Commissioners ... to open up and keep in repair any parcels dedicated to the public in any map or plat ..."
 This letter is being written in the hope that this information may be given to any citizens of Broward County concerned in this matter.
 Yours very truly,
BOARD OF COUNTY COMMISSIONERS
BROWARD COUNTY, FLORIDA
 TONY SALVINO, Chairman
