DISPLAY DEDICATION—Wilton Manors' inspiring and unusual Christmas display, built with Community funds and Community spirit, was formally dedicated last Saturday evening at 8 o'clock as more than 100 Manors residents and visitors gathered in the triangle at Wilton Drive and NE Fifth Ave. to sing Christmas carols. A lot of credit is due a lot of people for the successful creation of the displays, which will feature Wilton Drive's decorations each year in the future. G. H. Harper, chair-

man of the civic association Christmas display committee, and Nayo Perry Mickel, among others, have been singled out for their work on the project which will bring hundreds of visitors from over Broward County. The invocation was pronounced by the Rev. Russell C. Tom, pastor of Covenant Presbyterian Church. Civic Association President Frank W. Hainey was in charge of the program, and music was by Boy Scouts, Girl Scouts and the Salvation Army band.

Hawkins Sets January 12 For Voting In New Election; Lydia Mann Qualifies

Date for a new Oakland Park city election to fill one vacant seat on the City Council has been set definitely for January 12, second Monday in the month of January. The date was formally announced this week by Oakland Park Mayor Dewey Hawkins. Meanwhile, reports published in The Sun last week that an Oakland Park woman might seek the vacant seat on the council were confirmed when Mrs. Lydia Mann became the first candidate to qualify for the post.

At press time, Mrs. Mann was the only candidate yet to qualify in this new election. . . . an election made necessary when the second-place winner in the regular December balloting was disqualified because he was not registered to vote in the city.

Actually, according to the charter, it is believed Mayor Hawkins could have filled the vacancy by appointment, but it was decided to call another election because there were several points of dispute which arose following the regular election.

Although Mrs. Mann is the only contender to date for the new voting, all the candidates who ran in December are expected to run again. They are, in order of December ballot results, Richard Mathens, Gene Delegal, Henry Williams and William Hasenour.

Councilman Colley White easily won reelection to another term.

On the other hand, there is the possibility of a rather complete

realignment among the candidates. Several who didn't run in December are rumored planning to make the race next month. And a lot of new voters are expected to register and vote between now and the time registration books close prior to the January 12 voting.

Mrs. Mann, in qualifying, listed her occupation as "housewife".

She is active in the Oakland Park Woman's Club, and now is serving as treasurer of the Woman's Club.

Mrs. Mann's residence is at 250 East Oakland Boulevard.

Double Christmas Present . . .

Mr. and Mrs. Earl Hulme, 2650 North Andrews Ave., are the double-proud parents of twin daughters. Mother and twins are reported doing fine at Broward General Hospital. The babies weighed 5 lbs., 8 oz. and 4 lbs. 13 oz., respectively, at birth. The Hulmes have one other daughter, 2 1/2 years old.

Charlie Hunter Builds Unique Christmas Tree

An unusual Christmas tree display has been erected in Oakland Park municipal park, featuring a revolving Christmas tree decked with multi-colored lights.

The display was conceived and carried out chiefly by City Council President Charles M. Hunter.

Similar to a carousel, the tree revolves by means of an electric motor built by Hunter from old miscellaneous parts.

Lights for the display were expected at press time to be delivered before the end of this week. The lights are durable-type, full-size bulbs, hard to obtain, but long lasting.

Goosepimples Sprout and Bones Rattle As Yankee Weatherman Pulls Strings

Them Fair Dealers must of done it in their last gasp. Wilton Manors and Oakland Park shivered with the rest of the Broward County area this week in the coldest mid-December cold snap on record. Lowest temperature known to be recorded within the immediate area was 36 degrees early Tuesday morning. That reading, of course, was unofficial, and was recorded by Village Marshal Bill Hickson.

At any rate, unanimous reaction was that it was plenty doggone cold.

Warren Tappan of Lang Roofing Co., who lives in Plantation west of Ft. Lauderdale, reported a reading there of 30 degrees.

Tappan said the top and windshield of his automobile were covered with ice Tuesday morning.

Meanwhile, Elmer Eilers at Wilton Manors Furniture, who evidently has a pipeline to the north pole weather factory, promptly announced a new shipment of blankets, ordered some time ago, hit his store right on time for the cold wave.

Bahia-Mar weather tower reported a Tuesday morning low of 38 and observer F. P. Medford Jr. of Ft. Lauderdale, whose government-approved station is in the southwest section of that city, recorded 34 degrees.

A sudden run on fuel oil supplies Monday night caused most

dealers to run out of kerosene for heating purposes. But a few well-stocked dealers were able to handle most of the demand.

Oakland Park Classes Dismissed Due to Cold

It's a cold wind that blows nobody good.

Classes at Oakland Park Elementary school were dismissed Tuesday morning at 10 o'clock because of cold weather, a fact which did not necessarily cause great disappointment among pupils.

Mrs. Lucille Waters, principal of Oakland Park school, said a supply of heating fuel scheduled for delivery did not arrive on time, making it necessary to dismiss classes.

Mrs. Waters said the weather was just too cold to permit them to continue.

Aerial photo above shows new link between Wilton Manors and Federal Highway, to be dedicated Sunday afternoon at 3 o'clock with Rep. Dwight L. Rogers heading list of dignitaries. Photo, looking westward, shows Coral Ridge in lower foreground, Federal highway, new bridge across Middle River just below center, Galt Boulevard extending on westward through new developments Coral Point, Coral Gardens, Middle River Estates. Wilton Manors proper, growing steadily toward Federal highway, may be seen in background at top.

Man Thinking Aloud
 By Carter Holmes

We have given over our editorial space this week to an inspired Christmas prayer written by Russell Kay of Tampa, secretary of the Florida Press Association. As you will note through reading this prayer and through Kay's regular feature "Too Late To Classify", he is a man who can perform wonders with the English language with his agile mind and ready wit.

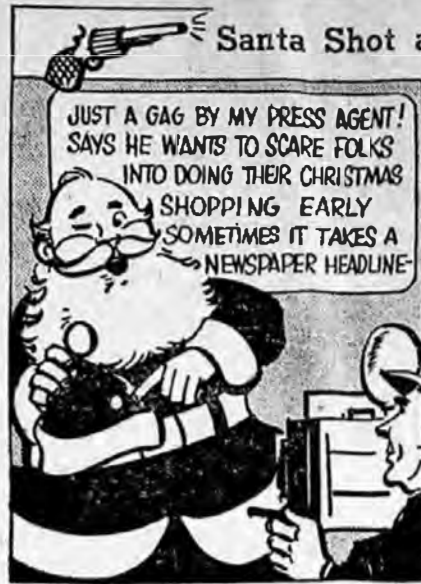

But it is unthinkable that an editor (a word often confused with synonyms for "gasbag") could pass an entire week without getting anything off his chest.

Last week we remarked on the lovely and imaginative Christmas display on the north side of the Starling residence. NE 26 Street and Sixth Ave. . . . today we note another outstanding display:

The Henry Riebling home at Wilton Drive and NE Eighth Ave. It was so cold Monday night that most kerosene dealers had run out of fuel oil. But nevertheless, there was Henry Riebling, prowling around his house, stringing lights and trying to complete the outdoor decorations between chills. The result is beautiful, as you will see.

Statement of the week: Harry Truman, the well known (fill in your own description), regarding MacArthur: "I wouldn't be discourteous to anybody. I never have been". . . .

solid brass lamps. You wouldn't believe it without looking for yourself. . . .

We hope you won't miss the program the Girl Scouts are presenting Saturday night at NE 24 Street and Second Ave. . . .

they've been working several weeks on it and the result is a lovely Christmas pageant. . . .

On page 8, notice the spread on the new Griswold development at North Andrews Extension and Prospect Road; it promises to be one of the county's finest residential developments. . . .

Oakland Park SCHOOL NEWS

The children have been very busy recently making Christmas gifts for their parents. Altogether, they have used about nine cases of paraffin wax making foot-candles with a special snow effect.

One class has been painting pine cones, another has been making trays out of coconut leaves, and still another class has been making sleighs out of wood for table decorations.

The second grade has been planning a Christmas play for the Woman's Club of Oakland Park.

Friday afternoon at 1 o'clock, the children will present a Christmas program in the school auditorium, and the public is cordially invited to attend.

Wilton Manors SCHOOL NEWS

The Christmas spirit is prevailing all about the Wilton Manors school. Songs ranging from "Rudolph the Red-Nosed Reindeer" to "Silent Night" are heard from one end of the hallways to the other.

All rooms in the school are to have Christmas parties on Friday, with students exchanging presents. The Room Mothers of each room are sponsoring the parties.

As a part of the party, each room has a decorated tree.

Miss Welker's and Miss Meredith's rooms made plastic plaques upon which the youngsters imprinted their hands.

They are now in the process of gilding them.

New Bridge To Be Opened On Sunday

The new boulevard and bridge linking Wilton Manors directly with Federal highway and with the beach is scheduled to be open for public use beginning next Sunday afternoon, December 21, at 3 p. m.

The new thoroughfare, long awaited by Wilton Manors people, has been formed by joining Galt Boulevard with NE 26 Street, and is due for completion prior to the formal opening ceremonies Sunday afternoon.

Ceremonies marking the official opening of the Galt Boulevard bridge will get underway at 3 p. m. Sunday when it is formally presented to Richard T. Gallion, representing the Broward County Commission, by Dave Turner who will represent the builders and developers. Rep. Dwight L. Rogers will act as master of ceremonies.

Among public officials invited to the celebration are Mayor Lewis E. Moore and the Fort Lauderdale city commission, Mayor Perry Mickel and the village council of Wilton Manors, Mayor Dewey Hawkins of Oakland Park and the Broward County commissioners.

A drawing for prizes will be held immediately following the presentation. Tickets for the prizes may be obtained any time Sunday by driving over the bridge. First prize is a 21" combination television, radio and 3-speed phonograph console. A Johnson Seahorse outboard motor is the second prize, and third prize is a Schwinn bicycle.

Developers sponsoring the festivities are Coral Gardens, Middle River Estates, and Coral Point.

Celebrating their 52nd wedding anniversary recently were Mr. and Mrs. Charles H. Richardson, 2221 NE Ninth Ave., formerly of Newburyport, Mass., parents of Mrs. Earl R. Gurney, wife of Wilton Manors Village Councilman Earl R. Gurney. Mr. and Mrs. Richardson are pictured above, seated, with Mr. and Mrs. Gurney, standing. (Sun photo by H. J. Indicotl)

Oakland Park Merchant, J. C. Wall, Dies At 50

Funeral services were held Saturday morning at 9:30 in St. Anthony's Catholic Church, Ft. Lauderdale, for James Clifford Wall, 220 SW Third Street, Oakland Park, owner of Wall's 5 and 10 cent store on S Dixie highway. Mr. Wall died unexpectedly last Thursday at his place of business. He was 50 years old, and had come to Oakland Park and entered business not quite two years ago, coming from New Jersey.

He had served as a member of the United States Coast Guard in both World War I and World War II.

Survivors include the widow, Mrs. Hubertine Wall; a son, James Wall of Oakland Park; and a brother, George Wall of Ft. Lauderdale.

Beaney Asks Drivers to Place New Traffic Signs

Wilton Manors Police Chief Richard Beaney pointed out this week that a number of new traffic control signs have been placed at strategic points through the Village, and particularly on Wilton Drive.

"We expect the public to observe these new signs and conform with the rules," Beaney added.

One of the most important points the chief brought out involved parking on Wilton Drive.

Plenty of signs have been installed regarding the angle-parking rule on the Drive, in the most congested areas.

Record Beef Purchase Made By Manor Market

Manor Market of Wilton Manors established a South Florida record last week on taking delivery of some 37,000 pounds of Kansas City beef in one shipment from Swift and Company.

The shipment consisted of an entire carload of meat, plus a large additional quantity of beef.

It was the first time in the history of the South Florida division of the Swift organization that one retailer had purchased an entire carload of beef in one shipment.
