WILTON MANORS MAY BUY FT. LAUDERDALE WATER

WASHINGTON NEWS LETTER

From

Dwight D. Eisenhower
U.S. SENATOR

WASHINGTON—Dwight D. Eisenhower has been inaugurated as President of the United States and now, campaign issues aside, is the President for all the people and not simply the standard bearer of the Republican Party. Those of us who are Democrats owe him our support and allegiance as citizens, and the vast majority of us will give him the full measure of our support in those things he seeks for the advancement of our nation, the betterment of the people of the country, and the cementing of the bonds of strength which will give us world peace.

Along with my colleagues who are about evenly divided as to party allegiance, I observed the inaugural ceremony as an official witness and part of the formal party on January 20. (There are now 48 Republicans, 47 Democrats and 1 Independent in the Senate.) I am sure that most of us in both parties feel that President Eisenhower, from the moment he touched the nation's heart with a display of humble devoutness by starting his four year term with a personal prayer, begins his White House service in a moving spirit of dedication to a great task.

At any rate, we must depend upon President Eisenhower's leadership in this "Time of Tempest" and never stoop to petty politics. We must seek to serve only the national welfare.

For we in the minority party, this is no time for pure negativism and obstructions but a time only for constructive efforts to strengthen our country and establish world power, and we, as the party of loyal opposition, must hold the majority party accountable on such principles.

The new Postmaster General

MRS. DAVE TURNER HOSTESS FOR WOMAN'S CLUB MEETING

Mrs. Dave Turner will be hostess, assisted by Mrs. A. B. Hagen Sr. and Mrs. R. E. Barnes Sr., when the Wilton Manors Woman's Club meets next Tuesday afternoon. The subject will be Fine Arts.

An executive board meeting at 1:30 p. m. will precede the regular meeting and the board will hear Mrs. John Mulloch report on the recent bazaar held by the Club at Manor Hardware and Hobbycraft. The bazaar is reported to have netted some \$125.

The Woman's Club is now planning a rummage sale to be held on February 24, with Mrs. Clayton Leaver as chairman.

faces the decision of whether or not to issue postage stamps commemorating two Floridians — the late Henry Morrison Flagler who contributed so much to development of the state, and Jose Marti, the Tampa-born "liberator of Cuba." I feel certain that within the next few years this justly merited honor will be authorized.

President Eisenhower, taking over at the White House, will be head of a government which includes 73 agencies with 2,562,981 employees, according to latest figures of the Byrd Committee on economy in government. I was happy recently to indorse the "March of Dimes" annual drive and to pose with Florida's two little poster girls, Patricia and Pamela O'Neil. Floridians already are taking up Interior Secretary Donald McKay on his "guarantee" to me that he will visit Florida, one of the two states he has never seen, and the invitations to him are rolling in.

Plans Ordered For Village Hall

Blueprints for the proposed new Wilton Manors Village Hall to be erected east of the Florida East Coast railway were ordered this week by the Village Council.

For some time, councilmen have been trying to solve the problem of finding funds for the new structure.

Meanwhile, action has been postponed on deeding of the present building and lot to the Civic Association which claims the property.

Councilman J. Marvin Brown proposed to deed the building and corner lot to the association, reserving the Council's right to use the building temporarily, and to postpone any action on an adjacent lot which the civic group also has asked for.

Council also approved a pay raise for Police Chief Richard Beaney effective next fall with next year's budget.

ACE CARTOONIST APPEARS AT VILLAGE HALL MONDAY TO ENTERTAIN RESIDENTS

Claude Shafer, ace editorial cartoonist for the Cincinnati Times-Star, is scheduled to arrive in Wilton Manors this weekend and will deliver a chalk-talk before the Civic Association at the Village Hall Monday night at 8 o'clock.

Shafer, who has gained international recognition for his outstanding work over the years, will visit his cousin, Mrs. Norman Malcolm, 2310 NE Fifth Ave.

It is expected that the artist will spend the weekend resting before his appearance Monday night.

Frank Hainey Civic Association president, announced last week that all Wilton Manors residents, members and non-members of the association, are invited to attend Monday's meeting.

It will, he said, be a stimulating and enjoyable program.

Controls Clamped On Village Buying

The Wilton Manors Village Council this week ordered an ordinance drawn to require public advertising for bids on all purchases over \$300—and to require Council approval of every expenditure of more than \$50.

A \$288 bill for an adding machine bought by the water department was withdrawn by department head O. M. Dunton in view of the Council action.

Dunton said he thought the ordinance a sound one and that he would withdraw the bill and re-submit it through the procedure as ordered.

The ordinance was introduced by Councilman Earl Gurney, who first asked public bids on purchases of more than \$50 but amended it when it was pointed out that such a low figure might cause undue delays in making minor routine purchases.

Oakland Park Methodist Church Holds Benefit

A musical program has been scheduled for the evening of February 6 for the benefit of the building fund of Oakland Park Methodist Church, it was announced Wednesday by Mrs. J. W. Colquitt, program chairman.

Mrs. Colquitt said the program will be in the Oakland Park School Auditorium. Mrs. Colley White will serve as chairman of the ticket committee, and Mrs. O. Green heads the decorating committee.

Council Demands Water Be Improved, Engineer Says Complaints Mounting

A formal demand that Wilton Manors' water be improved and a check on the possibility of putting Ft. Lauderdale water in Wilton Manors' mains was the first of a series of storms that broke over the water department during the week. And in another, an unsuccessful move was made to kick Orley M. Dunton out as Village water engineer.

The demand for better water, addressed to Oakland Park Mayor J. Dewey Hawkins, was ordered by the Village Council last Friday night in a special session after Dunton declared a large number of complaints had been received concerning color, sedimentation and taste of the water now being purchased from Oakland Park.

He also said samples were being sent to consulting engineers Black and Associates at Gainesville for complete chemical analysis "to try to determine what causes the trouble."

At the climax of a long discussion, Councilman James C. Dean declared: "Well, let's sell our water system to Ft. Lauderdale and buy water from them."

Councilman J. Marvin Brown promptly replied he would be "100 percent for it if it could be worked out."

Dunton, Dean and Brown were named to confer with Ft. Lauderdale City Manager Milton Link and probe the possibilities of such a move.

While all this was going on, Circuit Judge George W. Tedder was reported to have signed an order validating Wilton Manors' \$110,000 water revenue bond issue to pay for the system already built. It will not take final effect until the end of a 20-day waiting period in case of an appeal against

Long-Range Plan Board Takes Up First Duties

Wilton Manors' new 10-man long-range planning board got its first assignments this week when the zoning board recommended to the Village Council a reduction in the amount of living space required in Village residence construction.

The zoning board recommended a reduction from 1000 to 750 square feet of living space exclusive of porches, garages and carports.

The proposal was referred to the new planning board for study.

A public hearing was set for February 24 on a move to rezone lots 1 through 18 of block 20 in Wilton Manors from R-2 to B-1. Property owners in the area affected will be given opportunity at the hearing to protest if they desire. One protest was entered this week by Mrs. Mabel Barwick.

the decision. No appeal is expected.

Other items affecting the water system were these:

Councilman Brown at the regular meeting Tuesday night introduced a motion to call for Dunton's resignation, but the motion died for lack of a second. Council President Earle Middleton said Dunton had offered his resignation some time ago, but that it had never been acted upon.

Middleton instructed Dunton to present a revised program for water department operation at the next meeting of the Council.

Dunton and Brown engaged in a verbal tiff Tuesday night over use of a small storage building to be placed behind the Village Hall; the question never was formally settled and apparently both the police and water departments will make use of the structure.

Council established a policy whereby subdividers wanting extensions of present water mains will install the extensions under Village specifications, with the question of reimbursements to be decided later.

(The bond issue agreement prohibits use of water revenue for extensions until a reserve fund has been filled and a surplus of cash exists.

Council approved minimum water rates suggested by William Crow, engineer with Black and Associates. The minimum rates are, for a 5/8 inch meter, \$2.50 monthly; 3/4 inch meter, \$5; 1 inch meter, \$8; 1 1/4 inch meter, \$15; 2 inch meter, \$25.

The rates as approved were vigorously protested by C. Wilson Brown, 2113 NE 9th Ave., who declared that the schedule is unlike any other anywhere in the United States.

Dunton informed the Council that he believes most leakages in the Village system have been located and corrected.

BENEFIT PARTY

The Women's Auxiliary of the Oakland Park Volunteer Fire Department will sponsor a benefit card party for the VFD general fund Saturday at 8 p. m. at the Fire Hall. Mrs. Roy Chadwick is in charge.

"FOR A BETTER COMMUNITY"

Too Late To Classify

By RUSSELL KAY

It looks like the national magazines are just naturally knocking themselves out in an effort to tell the amazing story of Florida, its charms and advantages, unusual attractions and colorful personalities. While Holiday featured 12 pages in picture and story descriptive of Central Florida, Cosmopolitan used an 8-page feature to tell the success story of one individual, Doc Webb of St. Petersburg.

Anyone who ever visited Webb City or shopped at Doc Webb's Merchandise Circus, will certainly want to read Hyman Goldberg's story, "Million Dollar Medicine Man" in the February issue of Cosmopolitan.

If you haven't ever been there, you still should read the story and then you'll never be happy until you have actually visited this wacky establishment and satisfied yourself that there really is such a place.

Doc Webb came to St. Petersburg in 1925 and bought a half interest in a small drug store. At the end of the first year Webb bought his partner out and began an expansion program that has never stopped from that day to this. The institution now known as Webb City covers four solid blocks and is still growing.

Doc combines zany showmanship with merchandising to a point where he has his competitors screaming their heads off and running around in circles tearing their hair. He has been accused of everything from being "unorthodox" to pulling "dirty tricks." The more names competitors call him, the better he likes it. Picking up the "dirty trick" charge, Doc capitalized on it by advertising additional "dirty tricks" he had up his sleeve like offering \$2 shirts for 98 cents or a breakfast consisting of one egg, three slices of bacon, three slices of toast and a generous helping of hominy grits and ham gravy for THREE CENTS.

There is never a dull moment at Webb's. When a mattress sale dropped Webb went into action

himself. Like a barber at a circus he put on a show in the mattress department. He punched, jabbed and jumped on mattresses to demonstrate their sturdiness and then placed a pretty girl on one. While she laid there in relaxed content, Doc gave a crowd of prospective customers a pitch that was irresistible.

Customers have learned that it pays to stick around the store and some folks spend hours waiting to see what will happen next and to be on hand in case Doc suddenly runs amok and starts giving away cigarettes free or offers a \$24 toaster for \$13.95 for a thirty-minute period.

WEDDINGS EXCITE LOCAL INTEREST

Two recent weddings of interest were announced during the past week.

Mrs. Robert L. Watkins of Norman, Okla., is the former Miss Kathryn Ann (Jody) Noonan, popular daughter of Mr. and Mrs. James E. Noonan of Wilton Manors.

The wedding took place in Oklahoma where the bridegroom is stationed with the Navy.

Announcement was also made of the marriage of Miss Marilyn Howard, daughter of Mr. and Mrs. Willis Howard, to James Vaughn of Ft. Lauderdale, son of Mr. and Mrs. L. Y. Vaughn of Gentle, Ga.

The wedding took place January 10 in Whitesburg, Ga.

ON THE Range

by Kay Paderewski

Here is a delicious recipe for NOODLE RING

¼ lb. broad noodles
3 tbsps butter
2 tbsps flour
½ cup light cream or milk
salt and pepper
4 egg yolks
4 egg whites
¼ cup parsley chopped fine
Paprika

Cook noodles in 3 qts. boiling salted water until soft, but not TOO soft. Drain and rinse in cold water.

Melt butter, remove from flame and rub in 2 tbsps flour. Return to fire and slowly add ½ cup of cream or milk, stirring constantly. Add salt and pepper rather generously.

Cool slightly. Add 4 beaten egg yolks. When blended, fold in the drained noodles. Beat 4 egg whites until stiff. Fold into mixture gently. Sprinkle in the chopped parsley. Fold carefully to distribute as evenly as possible. Pour into a well-buttered ring mold, set the mold in a pan of hot water, and bake at 350 degrees for 30 minutes.

Unmold and sprinkle with paprika. The center of this ring may be filled with any creamed dish such as crab, chicken, lobster, hardboiled eggs, or filled with vegetables such as peas and carrots, mixed.

For variety in making this sauce, try using sour cream instead of sweet.

Broward General Hospital this week announced the birth of a son to Mr. and Mrs. Carl Morgan, Oakland Park.

Broward General Hospital this week announced the birth of a daughter to Mr. and Mrs. Kenneth Powell, Oakland Park.

Only three weeks remain to buy 1953 auto license tags. Tags are on sale at Manor Insurance Agency, 2190 Wilton Drive, Wilton Manors, and at Oakland Park City Hall, Oakland Park.

Elfers-Blair Nuptials To Be Held Saturday

Bethany Presbyterian Church in Ft. Lauderdale will be the scene Saturday evening when Miss Dorothy Elfers, daughter of Mr. and Mrs. Elmer W. Elfers of Wilton Manors, becomes the bride of Archie Blair, son of Mr. and Mrs. William Blair, Bayshore, L. I., N. Y.

Many out-of-town guests are expected from Bayshore and from Wisconsin, former home of the bride-elect.

A reception in the church patio will follow the ceremony.

Miss Barbara King Will Become A Bride In June

Engagement of Miss Barbara King, daughter of Mr. and Mrs. E. J. King of Oakland Park, to Sgt. William G. Williams, U. S. Air Force, son of Mr. and Mrs. Henry Williams, Oakland Park, has been announced.

Miss King, who will be a June graduate of Ft. Lauderdale High School, will become a bride in a ceremony planned for mid-June at Oakland Park Methodist Church.

Her bridegroom - to - be, whose seven years Air Force service includes over five years in the Far East and in Korea, is now stationed in Kansas.

The basic, underlying trouble in Florida's traffic law enforcement program, according to Marvin L. Holloway, manager of the Tampa Motor Club, is our vicious, antiquated and unjust fee system.

County Firemen Hear Financial Aid Expected

Broward County Commission Chairman Tony Salvino last Monday night explained to the Broward County Volunteer Firemen's Association the county's position on fire-fighting expenditures which have not been made as planned.

It was the 13th meeting of the association, with new officers including President Ralph Green of Oakland Park, Vice President Otis Curtis of West Hollywood, Secretary-Treasurer Charles McPetridge of Hallandale and Master-at-Arms Nick Faillace, of Oakland Park.

The commission chairman said a law exists forbidding counties to donate money to organized fire companies for equipment. But a bill is expected to be introduced in the Legislature to make it possible for the county to levy taxes for fire protection in the county.

Volunteer Firemen Get OK On Insurance Plans

Like those of Oakland Park, Wilton Manors volunteer firemen are now covered by insurance protection provided by the Village.

The Village Council this week approved a contract at the request of VFD president Charles A. Saxer.

The plan, which costs \$162.50 a year, will pay VFD members disability benefits of \$30 weekly up to 104 weeks, hospital coverage up to \$500, and \$3,000 death benefit.

Firemen are covered on virtually any kind of department duty, including drills.

SCHOOL NEWS**

FIRST & SECOND GRADES
(Miss Welker): We are getting ready for open house by making books out of our work. They are Science and Number books. We are trying to do our best work. We also have a contest on between the girls and boys to see which are the best workers.

—Lois

FIRST GRADE (Miss Meredith): We have a new girl in our room. She is from Baltimore, Md. We are very busy finishing up our work before the semester ends. We hope to do some water painting before long.

THIRD & FOURTH GRADES

(Miss Skeene): We are studying about our health. We have a chart in our homes and in our school room on health. We check it every time we brush our teeth. We have planted some carrot and some 4 o'clock seeds and they are coming along fine. We finger-painted last Thursday and made all kinds of designs.

—Fred Gustafson

FOURTH GRADE (Miss Robertson): We had a very interesting morning. Miss Robertson invited a boy from Miss Miller's room who brought a Japanese gun from home that his father brought back from the second World War. Also this morning, we got a new boy who has red hair and is very cute. His name is Steve Jarrett. We wish to thank the mothers for

letting us watch T. V. Tuesday afternoon. Thank you very much.

—Marilyn Joslin and Pam Freudenthaler

SIXTH GRADE (Miss Murphy): January 27 we started a new unit in Health. It is the sources and uses of food. Everybody will be a full fledged dietician before they know it because we all enjoy eating and talking about food.

—Mary Smith

SIXTH GRADE (Mr. Robinson): We are making a mural showing the history of Rome. It begins with Romulus and Remus building Rome; the center figure is the Birth of Christ and, symbolically, ends with the burning of Rome and its downfall.

Mr. Robinson made several flannel-graphs. That is he painted

several backgrounds upon which we can place pictures of Romans and Early Christians. The scenes we have are The Death of Julius Caesar, All Roads Lead to Rome, The Burning of Rome, The Persecution of the Christians, and The Eruption of Mount Vesuvius.

—Donna Marie Henderson
