# WILTON SUN OAKLAND

Volume 1 — Number 38 Thursday, May 28, 1953

1953 GRADUATES of Covenant Presbyterian Church kindergarten donned proper attire for receiving their "diplomas" last Friday night. Left to right, graduates of the day kindergarten-nursery are David Lumsden, Rita Jo Parker, David Lynn Bowden, Terry Stiles, Susanne Cook, Tracy Stafford, Dale Toms, Linda Wheeler, Kathy Bolles and Joan Waterhouse. With the children is Mrs. Russell D. Toms, their teacher.

## OAKLAND PARK WATER SYSTEM TO BE EXPANDED, HAWKINS PREDICTS

Engineers are working on cost estimates for expanding Oakland Park's municipal water system and an improvement program is virtually certain to be undertaken in the fairly near future, Oakland Park Mayor Dewey Hawkins told the Wilton Manors Village Council this week. Right now, he added, the system could pump more than twice the amount of water pumped in its heaviest month to date, if necessary.

## Ronald Thomas Is Winner of Trip In CAP Cadet Swap

17-year-old Ronald Thomas, son of Mr. and Mrs. Ed Thomas of Wilton Manors, will journey to Switzerland this summer under the exchange system whereby the United States exchanges young air enthusiasts with friendly European nations. He leaves in mid-July for Washington D. C. where he will receive orientation before taking off for Bern, Switzerland. Ronald will tour Switzerland and visit Swiss families before returning to this country in August.

The question arose after letters were received from the state board of health wanting to know what plans were being made for increased capacity. The state board wanted to be advised of the probabilities before approving extension of service to the new Coral Point subdivision in Wilton Manors.

J. P. Taravella and C. L. Chaney appeared before the council to represent Coral Point and to assert that construction was ready to begin at once on 15 residence buildings and the developers wished to go ahead with installation of mains for the water system.

Hawkins said Oakland Park's consulting engineer Walter McElfresh already had been instructed to get cost estimates on installation of additional wells and pumps.

The most water ever pumped to date in one month was 8,886,000 gallons, while the system running at full steam could pump some 19,000,000 gallons in 30 days, he added.

"We are in a position to pump and treat double the present rate," Hawkins asserted.

The Oakland Park mayor told the audience he would gather figures from both Wilton Manors and Oakland Park on present load, pumping capacity and tentative expansion plans at once and forward the figures to the state board to answer the question.

He pointed to "bad publicity" in some newspapers (not The Sun) during the recent political hassle over annexation of the Galt property as a possible source of the state board's apparent misunderstanding of the local setup.

"We have cooperated well together in the past and I assure you we will continue to cooperate," Hawkins said.

On advice of Village Attorney William G. Miller Jr. and Water Superintendent Wallace Wakely, the Village Council told Coral Point's representatives to go ahead with installation of pipe and agreed to furnish water to the subdivision as soon as the state board gives the OK.

Oakland Park furnishes water to Wilton Manors, which in turn sells water to individual users.

## Girl Scout Troop No. 43

Last Friday at Scout meeting Mrs. Newton chose nine girls to help with the Brownies "fly-up" ceremonies. That means they are being promoted to Girl Scouts and we are to receive them.

After the business was completed we went swimming in the Newton's pool for an enjoyable afternoon.

Martha Lynn Davis—Scribe

The young Civil Air Patrol cadet will travel in blue cadet's uniforms to be issued to him by the Air Force in Washington.

Ronald is a student at Ft. Lauderdale High School which may explain why some other newspapers in reporting the award of the European trip to him, mistakenly reported that he is a Ft. Lauderdale resident.

Ronald lives at 2513 NE Eighth Ave. in Wilton Manors.

## New City Hall Plans Due To Be Pushed

Plans for Wilton Manors' new city hall, a handsome structure to cost upwards of \$20,000 and designed to fill future community needs, will be pushed toward completion by a committee named by the Village Council this week.

Named to the publicity and promotion committee were Carter Holmes, chairman; Police Chief Richard A. Beaney; Fire Chief Ed Thomas; Charles A. Saxer; and Councilman J. Frank Starling.

Its chief purposes will be to familiarize Wilton Manors citizens with plans for the municipal building with a view toward raising funds to help with construction.

Architects drawings of the building will be placed in strategic public places and public meetings will be arranged for discussion of the project.

"This city hall construction is one subject that should be of interest to every man, woman and child in Wilton Manors," Mayor Perry Mickel declared.

## Mrs. Tucker Returns

Mrs. Elizabeth Tucker, Oakland Park city clerk, has returned home after a month's vacation in the north. Mrs. Tucker spent a great deal of time in Minnesota during her trip. Resuming her duties at city hall this week, Mrs. Tucker was reported "glad to be back."

## Covenant Launches Expansion Program

With the approval of a \$20,000 bond issue program, the congregation of Covenant Presbyterian Church looks forward to the expansion of its facilities, it was announced this week. The construction of the second stories of the Fellowship Hall unit and the Educational Building will be underway in the near future as a result of the action taken by the congregational meeting.

Space equivalent for 12 additional classes will be provided to meet the increasing church school enrollment.

"The completion of these facilities will make it possible for the pioneer church of Wilton Manors to continue its work in meeting the spiritual and moral needs of the community.

"Through the gifts and loans of the church members and friends of the church, much has been accomplished in providing a place of worship, and it is through such continued giving that the future needs will be met, the pastor, the Rev. Russell D. Toms, said.

The Women of the Church met on Thursday evening at 8 o'clock for the annual Birthday program. Each year the Women of the Presbyterian Church in the United States adopt some project for their Birthday objective. This year the Birthday objective is homes for missionaries on furlough from the foreign mission field.

An offering was received by the Women of the Covenant to help meet the Birthday objective of \$200,000 for this purpose.

Hear Carter Holmes and the News every Sunday at 12 noon, Station WBRD, 1580 on the dial.

## Acts Affecting 2 Cities Will Become Law Soon

Within a matter of days, the Village of Wilton Manors will cease to exist. And the instant that happens, the City of Wilton Manors, chartered by the state legislature, will come into being.

Also within a matter of days, the City of Oakland Park will become considerably larger in land area and somewhat larger in population, when a bill passed by the House and Senate extending its corporate limits becomes law.

The same act that creates the City of Wilton Manors will increase that municipality's area and population, too, since some areas not now inside the limits are taken in under the new law.

Exact dates when the acts take place has not yet been definitely determined.

The Village of Lazy Lake will come into existence soon, too. Its boundaries cover only a few acres, entirely surrounded by Wilton Manors. But its dozen-or-so families didn't want to be part of Wilton Manors and threatened to fight any move toward taking them in.

## Ericksons Vacationing

Mr. and Mrs. Emil Erickson and their daughter, Miss Sally Erickson, 171 West Oakland Boulevard, Oakland Park, are vacationing in Illinois. The Ericksons will visit relatives at Granite City, Ill., before returning home in about two weeks.

## Mrs. Armstrong Visits

Mr. and Mrs. E. K. Eckhart, 305 NE 20th Street, Wilton Manors, have as their guest Mrs. Eckhart's sister, Mrs. Earl Armstrong of Detroit, Michigan. This is Mrs. Armstrong's first visit to South Florida. We know she will enjoy her visit and come back often in the future.

## Chain Store Gets OK On Drain Well

Completion of a "dry well" for drainage of surface water in front of a chain store on Wilton Drive was approved by the Wilton Manors Village Council last Saturday under strict conditions imposed by the Council.

The special meeting was held at the home of Clerk Marcia Stafford, with Councilmen James C. Dean, Earl R. Gurney and Frank Starling present.

Sidney Aronovitz, attorney, appeared as representative of the Food Fair chain along with a vice president of the company.

Two days before, councilmen had instructed the firm to stop work on the project and replace pavement in front of the store as it had been prior to beginning work. The job had not been authorized by council.

Under terms approved by the village board, the company agrees, among other things, to alter the drain system to village specifications, at the store's expense, at such time as a complete storm drainage system is installed along the Drive by the municipality.

## ANNOUNCEMENT

On Monday, June 1, we plan to have the First Graders for next year visit our Wilton Manors school from 1 until 2:30 p.m.

Any child in our school area who will be six before December 31, 1953, is invited to attend. This is a day planned to acquaint the children with the school.

The present First Graders will be dismissed at 12 noon.

—Miss Meredith and Miss Welker

"FOR A BETTER COMMUNITY"

**Too Late to Classify**

By **RUSSELL KAY**

Congratulations to the sane and sensible city of Tallahassee on its wisdom and good common sense in rejecting by better than 4 to 1 the proposal that a deadly poison be added to its water supply on the grounds that it might prevent tooth decay. There are two things that I was always taught to consider God-given blessings, "water" and "air"—the purer the water and the purer the air the better. For as long as I can remember, communities in a position to offer their citizens the purest water and cleanest air have always been considered the best places to live.

Of late years a new cult has been advocating the addition of chemicals to water for one reason or another. While admitting that these chemicals are poison, they explain they are so diluted in the water that they couldn't possibly hurt anybody and might do some good.

Here in Florida as in many other states, frantic efforts have been made to force citizens to drink doctored water whether they want to or not. They insist that we must add fluorine to our water because it will help prevent tooth decay.

The Almighty in His wisdom knew all about fluorine long before our health authorities ever heard of it. He arranged to place it in a variety of foods in proper amounts for human consumption and, being somewhat of a chemist Himself, He made sure that in this natural form it would be safe to use. If He had wanted it in our drinking water and felt that we should have it thus, He probably would have put it there. In that case, I would be for it, but I just don't see where these fluoridation advocates get the crazy idea that they are better chemists than the good Lord Himself.

The proposition of adding fluoride to drinking water calls for the installation of costly machinery; it also calls for the purchase of large quantities of a chemical that is a by-product manufacturers would like to find a profitable market for. It would be a pretty nice deal for manufacturers of such equipment and such chemicals if the people of this nation

could be forced to drink fluoridated water whether they wanted it or not.

You are right, brother. I don't know what fluoride will do to a person if taken in small doses over the years. Maybe it will reduce cavities in their teeth, but it can do a lot of other things to our in-nards at the same time. By the same token, doctors and dentists that have so glibly endorsed fluorine don't know either. They tell you it won't hurt you. I don't say it will, but personally I resent being made the guinea pig just because somebody wants to sell machinery and fluoride. Maybe the water I'm drinking now isn't pure, but I like it that way and don't want anybody adding fluoride to it without my consent.

Fortunately, a few thoughtful people got busy and gave some folks some facts about this effort to regiment and regulate the lives of free American citizens.

**COMMENT**

We like to run Russell Kay's column because he often has something to say that is interesting or humorous. But we wish he would quit sounding off about things he knows nothing about. Benefits to be obtained from treating water with fluorine are subject to what may be legitimate debate, but responsible authorities seem to have settled the point that it is not dangerous in such minute quantities. I know nothing about it except what I have read and what the doctors tell me. And I don't think Russell Kay, secretary of the Florida Press Assn., knows a "dambit" more about it than I do.

Carter Holmes, Editor

**First Baptist Church Sponsors Manors Mission**

The Rev. A. G. Dawson of Miami called a special organizational meeting of Wilton Manors Baptist Mission Thursday, May 21st at 7:30 P.M. At this time the Rev. Thomas Hansen of the First Baptist Church in Fort Lauderdale expressed the feeling that his church would be glad to sponsor the new Mission. It was agreed by the members of the mission to accept this sponsorship. A steering committee was elected to transact all business between the mission and the mother church. Members of this committee are George Perrine, Robert Newton and Walter Libby. Other officers of the church will be elected at the regular business meeting.

Twelve new members came into the church this past Sunday, eight by letter and four by Profession of Faith. Baptismal Services will be held by the Rev. Thomas Hansen, Sunday, May 31st, at 199 N.E. 24th St. at 6:00 P.M.

Sunday morning service at 11:00 a.m. and evening services at 7:30 p.m. will be held by the Rev. Harry Koontz, the mission pastor.

**Mrs. Joslin Announces Card Party Big Success**

More than one hundred fifty people enjoyed an evening of cards at the Wilton Manors School last Friday night to make the last social event of the year a tremendous success.

Mrs. William Joslin, general chairman, wishes to thank all the townspeople, merchants and P.T.A. members who gave their support and to announce a net profit of \$186.85. The money has already been turned over to the Wilton Manors P.T.A. account and will be used for the benefit of the children as soon as greatest needs can be determined.

Cokes and sandwiches were served, and prizes awarded for high scores at each table, as well as numerous door prizes.

Members of Mrs. Joslin's committee were Mrs. Merle Owens, Mrs. Frank Tamburrino, Mrs. John McNamara, Mrs. L. L. Dameron, Mrs. Phillips Bougher, Mrs. Peter Flis, Mrs. Don R. Turner, Mrs. George Kingsmill and Mrs. Miska Petersham.

WASHINGTON AND  
**"SMALL BUSINESS"**  
 By C. WILSON HARDER

American admen are reputed to be the world's greatest creators of cliches and slogans designed to sell a bill of goods.

Yet, London slogan makers do very well when the stakes are huge.

London has come up with a new dandy in "Trade-Not Aid".

C. W. Harder

It's a catchy slogan in the best Churchillian style, condensing this thought "The United States should eliminate import tariffs so British goods can flood the American market, replacing U. S. business output and U. S. employment!"

In the November election returns, the British realized American voters registered a protest against the continuation of vast tax-wasting inflation-causing foreign give-away programs.

Therefore, British policy makers launched this slogan.

Among the first to sound the alarm in Washington was Sen. George W. Malone (Rep., Nev.)

"Workingmen and investors of this nation," he states, "have been alarmed and mystified by the flood of canned editorials, articles in national magazines and one economic world columnists mouthing with surprising similarity the trade, not aid catch phrase. "It is now clear," the Senator says, "that the bombardment for the division of the markets of this nation with the low wage living standard labor of Europe and Asia is being directed by the sterling bloc countries led by England using Marshall Plan Funds."

British policy makers consistently refuse to recognize why the American market is by far the world's richest.

ently refuse to recognize why the American market is by far the world's richest.

In Britain, and all Europe, widespread ownership of automobiles, television and radio sets, mechanical refrigerators, and other conveniences is unthinkable. Vast monopolies, or cartels, control the markets. In doing so, they make it impossible for mass ownership of goods, but at the same time they prevent any independent firms from entering any given industrial field and taking a share of the volume away from the cartel in control of that field, even though new employment and wealth would be created.

In Washington a substantial group takes this attitude. It was thought American dollars would help Britain and Europe to prosper. Despite billions spent the job was a failure. Now Europe wants to flood the American market with cheap, foreign goods. That, too, would fail.

This group believes there is only one solution to the British and European problem. That is for them to adopt the very same American anti-trust laws that they, allied with U. S. internationalists, have been feverishly working to tear down.

Years ago General Douglas MacArthur said "America is a rich storehouse that any nation would like to plunder."

General MacArthur did not distinguish between friendly or enemy nations. Today, so-called friendly nations are engaged in a drive to plunder America, with the excuse their own survival depends upon it. Yet, they have never tried to adopt the free enterprise system that has made America worth plundering. Failing to do so, they are now in the position of saying "Let's all commit suicide together."

**Church Buys Lot From Village For \$1250**

Sale of a lot directly behind the present Wilton Manors Village Hall to Covenant Presbyterian Church has been approved by the Village Council.

The sale for \$1,250 was okayed Tuesday night. Wilton Manors Civic Association had attempted to obtain title to the lot for a token figure as site for an auditorium, but councilmen evidently believed the site would not be suitable for an auditorium.

Money from sale of the lot will go into a special building fund toward construction of a new city hall east of the FEC railroad.

The Rev. Russell D. Toms, pastor of the church, said the lot will be paved and used for parking and for a recreation area adjacent to the church building.

Council also: Approved on first reading a three-year garbage collection franchise for Julius Tukes, who will pay the Village 7 1/2 percent of revenues.

Confirmed Mayor Perry Mickel's appointment of John Lynch to fill a vacancy in the police department.

Authorized Police Chief Richard Beaney to buy and install eight speed limit signs.

Approved hiring of a laborer at \$1.25 per hour.

Approved the moving of a fire plug in front of Dairy Queen store on Wilton Drive, at the expense of the property owner.

**WILTON - OAKLAND SUN**  
 Thursday, May 28, 1953 Page 3

**Property Owners To Be Asked For Approval Of Wilton Drive Drainage**

Village Attorney William G. Miller Jr. was instructed by the Wilton Manors Village Council this week to contact property owners directly affected by a proposed temporary drainage system on Wilton Drive to determine whether there is any objection to the plan.

Alvar Hagen, owner of considerable property on the Drive, showed councilmen a plan for the temporary system which is designed to drain off surface water from the roadside south of 21st Street on the west side of Wilton Drive.

Huge pools of stagnant water flood the area after every heavy rain.

Since the drainage plan involves leveling off land in spots so that gravity will take the water down to the south fork of Middle River, councilmen asked the village attorney to check other property draining at \$1,000. It is understood for approval.

Hagen estimated cost of the stoo that the Village will not bear any of the cost of the job.

**Guffaws Greet "Lulus" In Men's Fashion Show**

The "Men's Fashion Show" held last Friday night brought to a close the activities of the Oakland Park P.T.A. for the 1952-53 school year. The show was a "howling success" and many who saw it ex-

pressed their desire to have a return performance.

Our many thanks go to all those who contributed toward making the show the success that it was. Mrs. Russell Daniel deserves a great deal of credit, for it was under her very capable leadership that this success was realized. Also to Mr. Russell Ebker, we owe our appreciation for the splendid job he did as Master of Ceremonies.

A total of \$180.75 was received for the benefit of the association.

## Wilton Manors SCHOOL NEWS

**SECOND GRADE.** Mrs. Stichka: Kathryn Larson has been absent. We hope she will be back soon. We are working in our arithmetic booklets. We are reading "Neighbors On the Hill". Carole McLendon was almost in the tornado in Georgia, when her family was on vacation last week.

**SECOND GRADE.** Miss Cavell: We have just finished decorating our bulletin board. Our title for the bulletin board is: "My Favorite Toy." We had very nice pictures made by the class.

Prizes were given for the two best spelling booklets. Doug Lipscomb and Barbejoy Mandatta were the winners.

**FIFTH GRADE.** Mrs. Matmulder: Our class won this month's P. T. A. room prize. We are going

to spend our room prize by having a picnic the last week of school. For the P. T. A. card party, Joanne Comly won first prize for selling the most tickets and Linda Hutchinson won third prize.

**FIFTH GRADE.** Mrs. Dilsauer: This week some of our girls put on a program for the two fifth grades. To open our show was Barbara Hall. Then came Donna Mason doing a baton-twirl; Sandra LeGette a barefoot ballet; Billie Durdin, Vicky Long and Gloria Plant singing solos; Ann Parker tap dancing, Mary Alice Ford a hula and Carol Kast a poem. The girls had dressed in attractive costumes.

**SIXTH GRADE.** Mr. Robinson: Today in our Junior Scholastic we read about the Tibetans. In History we read about Ancient India. We also read about Buddha.

Today we saw a movie about "Making of Books."  
—Donna Marie Henderson  
Doris Mae Peterson  
**SIXTH GRADE.** Miss Murphy: Wilton Manors Little League beat Pompano Rotary. The score was 4-3 for the seven inning game. Peter Raz broke a soft ball bat.  
—Mary Smith

## Den 4 Wins Top Honors In Cub Scout Track Meet

Wilton Manors Cub Scout Pack 123 held their annual track meet and outing Sunday at Birch State Park with the pack flag for top honors in the track events going to Den 4 in close competition.

Den 1 finished only one point out of a first place tie with 20 points. Den 2 piled up 19 points and Den 3 collected 11 points.

Individual honors went to Alan Jones, who took three first place ribbons for a total of 15 points. Winners in the various events were: **Shot Put**—First, Lee Kingsmill; Second, Donald Carter; Third, Heino Roesler.

**Baseball Throw**—First, Alan Jones; Second, Walter Sanderson; Third, Happy Davis.

**Chinning**—First, Charles Brazzeal; Second, Robert Snowden; Third, Bobby Kast.

**Broad Jump**—First, Alan Jones; Second, Warren Williams; Third, Ricky Hoekstra.

**50 Yard Dash**—First, Happy Davis; Second, Jay Rogers; Third, David French.

**Relay Race**—Won by Davis, Snowden, Williams and Kast of Den 2.

**Obstacle Race**—First, Walter Sanderson, Dicky Williams; Third, David Lee.

**High Jump**—First, Alan Jones; Second, 3-way tie—Jimmy Perrigo, Lee Kingsmill, Charles Brazzeal. Following the track events, a picnic supper was served to some 100 Cubs and their families by the Den Mothers and the Executive Committee.

Assisting were Cubmaster George Kingsmill, Assistant Cubmaster David Eyman, track meet chairman Joe C. Rogers, William Roesler and John McNamara, Mrs. Edward French, Mrs. David Eyman, Mrs. Robert Snowden, Mrs. Charles Brazzeal, Mrs. Hildebrand, Mrs. Harry Davis and Mrs. Harley Sanderson.

On Saturday, the Cubs of Pack 123 will finish the 1952-53 year by marching in the Memorial Day parade in the morning and participating in the Cub Scout Circus at Holiday Park in the afternoon. This will conclude a most successful year with more than 30 boys enrolled in the program.
