### SIDEWALKS IN WILTON MANORS

A proposal being considered by the City of Wilton Manors to split the cost equal with property owners, to construct sidewalks, is a nice gesture, but should be studied carefully by the public. First: The way to pay for the improvement would need be determined; a project this large would probably call for a bond issue, using anticipated ad valorem tax as security to back the loan. Second: An election would need be held to give the Council authority to float a bond issue. Third: The only drainage of surface water at present is by absorption into the ground; blocking of surface water in the streets from the ground on each side would result in no place for the water to go; the only satisfactory method of draining off the water would be storm sewers.

We agree this improvement would be wonderful although costly. The last word will be by the free holders of Wilton Manors, if, and when they visit the voting booth to determine floating of a bond issue.

While on the subject of sidewalks, we would like to ask what became of the promise that walks on Wilton Drive would be repaired or reconstructed. Heavy equipment of the Contractors broke and damaged much of the sidewalk on the Drive during construction of the new thoroughfare. When the Contractors made no attempt to replace damaged walks, Wallace Wakely, Supt. of the Water Dept., brought it to the attention of the City Council and talked to Officials of the State Road Dept. He was assured that the State Road Dept. had plans to finish the job during the year of 1956 by constructing sidewalks, curbs and gutters on the Drive. The uncompleted sides of the right of way makes a dirt and dust condition that keep the street untidy, and keeps the store operators and the adjacent home owners busy dusting and cleaning.

#### CHAMBER OF COMMERCE TALK

Oakland Park Business People met to plan the organization of a Chamber of Commerce. They discussed including Wilton Manors, Rock Island Village and North Andrews Gardens in the activities. Attracting tourist trade, stimulation of business and industry, encouragement of retired persons to settle here and civic development were main goals considered.

District Manager of the U.S. Chamber of Commerce, explained to the group how to form and operate the organization and estimated between 7,500 and 10,000 as the figure needed to maintain a Chamber. A study committee was appointed and is to report in ten days.

#### OPTI-MRS. CLUB ORGANIZED

The first meeting of the Opti-Mrs. Club of Wilton Manors was held at the home of Mrs. Wm. King, Jr.

Officers elected for the ensuing year were as follows: Pres.-Mrs. Wm. King, Jr.; Vice Pres. & Membership Chairman-Mrs. Don Teague; Secy.-Mrs. Geo. Sapp; Treas.-Mrs. Chas. Edmonds;... Girls' Work Chairman - Mrs. Don Clenin; Asst. Girls' Work - Mrs. Jerry Hanneline; Telephone Chairman - Mrs. Foster McCarl; Publicity Chairman - Mrs. Walter Ocksenknecht.

#### PRE-SCHOOL AGE PLAYGROUND

Plans are advancing rapidly for playground facilities to be used by pre-school children. Location will be Hazen Park. After being spark plugged, the idea took fine, with eight Wilton Manors Organizations co-operating. Service Clubs taking part in the project are Kiwanis, Lions, Optimist, J.C.'s., J.C'ettes, Woman's Club, Jr. Woman's Club and the P.T.A. This is the first concentrated effort for co-operation of all Service Clubs in Wilton Manors in a civic improvement. The Clubs have pledged \$800 toward meeting cost, and appointees Mrs. Gastright and Mrs. D. Turner ask the Wilton Manors Council to pledge a like amount.

#### "REACHING FROM HEAVEN" A MAGNIFICENT PICTURE

The best motion picture to be shown in Ft. Lauderdale this year is that entitled "Reaching From Heaven," currently on the screen at the Lauderdale Drive - In theater. It is best from the standpoint of the powerful impact that it leaves upon the audience.

The picture is great because it knocks human selfishness into a cocked hat, because it leaves avarice and hate without a leg to stand on, because it makes hypocrisy and sham feel like going into hiding.

If you wish to be lifted out of the humdrum of materialistic living and get a glimpse of

for about eight months now. Prior to that time, they had spent winter vacations in So. Florida for about five years, and like all of us, finally succumbed to the "Call of the South". They hail from Waukegan Ill., and their enthusiasm for our part of the Country has spread to the Senior Gibbons' who have recently purchased a home at 639 NE 17th Ct., also on the water. Mr. Earl Gibbons, who is 71 yrs. old, drove from Illinois with the aid of his large black and white dog Starlight, who accompanied him. They made it in three days - quite a record for a man and a dog! The elder Mr. Gibbons is both an inventor and a collector of antiques. His home had to fit the qualifications demanded by a 9 ft. 2 in. clock he has amongst his treasures, so therefore he picked a residence with cathedral ceilings. Mr. Gibbons took a Lauderdale paper for six months before he left Illinois, scanning the ads, and deciding what he wanted in a home. At

the present time he is staying with the Young Folks until he gets his possessions all down here.

In a waltz length gown of embroidered swiss organdy, with scalloped neck and hemlines, Muriel Thieme became the bride of Jas. Robinson at Covenant Presbyterian Church last Saturday night - Rev. Russell Toms officiated. The bride's mother Mrs. Emilio S. Puig wore pink embroidered polished cotton with a corsage of white carnations.

A surprise party of the week was given Mrs. Arthur Ball, who teaches at Covenant Presbyterian Kindergarten Day School, at the home of Mrs. Louise Dwight, 2701 N.E. 1st Avenue on Monday evening. The mothers of Louise's twelve little pupils got together, baked her a heart shaped decorated cake with her name on it and presented her with a lovely Driftwood Table Lamp as a gift in appreciation for her year's work. Closing exercises for the school will be held this Friday night at the Church at 7:00 P. M. at which

time the children will put on a "Little Black Sambo" play, and receive diplomas for graduation.

The last P.T.A. meeting of the Wilton Manors School Year was actually a "howling" success with "Standing Room" only. The devotions were led by Miss Susie Meredith, followed by installation of officers for the coming year. Mrs. L. L. Dameron conducted the ceremony, installing as Pres.-Mrs. Donald Turner; Vice Pres.- Mrs. David Eyeman; Rec. Secy. Mrs. Harley Howells; Corr. Secy.-Mrs. Wm. Miller, Jr. and Treas.-Mrs. Robt. Schmidt. Singing by the Sixth Grade chorus, under the direction of Miss Daniel followed the installation. The

**WOMAN'S CLUB NEWS**

The last official meeting of the season for the Wilton Manors Woman's Club was their Silver Tea last week in which they joined with the Junior Woman's Club to present an afternoon of enjoyment and entertainment to make worthwhile for every member and guest the wading through the much needed rain which chose that very day to arrive.

In the receiving line were representatives of both Clubs. This observance of the Senior Club's seventh anniversary honored the members who joined the Club during the past

year. The seven new members present were presented with a corsage by Mrs. A. Hagen.

During the afternoon the group was entertained by Mrs. M. Louise Turner singing "Mother Machree" in honor of Mother's Day and "Somewhere a Voice is Calling" with Mrs. Henry Horn, Musical Chairman, as accompanist.

The Juniors presented Mrs. Widmann and Mrs. Welsh who sang "Moon-glow" and did a soft shoe dance routine. Mrs. C. D. Dyal directed a hillbilly comedy skit presented by Mrs. Donald Bowen, Mrs. Scott Mace, Mrs. Wm. Brewer, Mrs. Edgar Sampson and Mrs. Arnold Ross. The costumes and make-up added to the hilarious routine.

The expert ability of Mrs. Alden was reflected in the beauty of the Tea Table and the Refreshments. Her competent committee included Mrs. Brown and Mrs. Turner in charge of decorations; Mrs. Orley Duntton, Mrs. Ervin Eckhardt, Mrs. Frank Tamburrino, Mrs. Stevenson and Mrs. Wm. Robinson.
