VOLUME 3

WILTON MANORS, FLORIDA, JUNE 21, 1956

NUMBER 25

Construction of a modern 4 lane Drive begins on northeast 4th Ave. June 19, 1956 as equipment moves first piece of material in preparation for beginning excavation to build drainage sewer. Starting point is at South Middle River, and will extend the present 4 lane Highway thru Wilton Manors to the FEC RR; at same time work starts on 3rd Ave. at Broward Blvd., continuing north to connect with 4th Ave. at the FEC.

## VILLAGE TAVERN CHANGES OWNERSHIP

Village Tavern, 2195 Wilton Drive is now open under the management of Frank and Inez Martin. Decorating and Cleaning has given the establishment a new atmosphere. Frank & Inez from New Mexico, were in the Tavern Business in the southwest. Wishing to become Wilton Manor residents, they are looking for a place in the City to live.

The Broward County Chapter of the American Institute of Banking was first organized in 1950 with four local banks participating. Pointing up the rapid growth of this organization today there are twelve banks represented, three hundred and fifty members. Classes sponsored by the local chapter of the A.I.B. are increasing steadily each year. Of a total membership in the U.S.A. of 125,000 it is amazing that 70,000 of that number are enrolled in classes.

## TO THE EDITOR:

Dear Sir:  
 Expression of appreciation for your efforts in publication of the Wilton Manors Charter are in order.

I would like to comment regarding the second paragraph of Article 2, Section 1 "To make their own (meaning the Wilton Manor Council) valuation for the purpose of municipal taxation, independent of the State and County Valuations".

The above privilege is O.K. The governing body of Wilton Manors should have the right to set valuations, but why bother to set a legal rate of 7 mills, with the open end valuation clause which can be used to increase the tax take any time the Council sees fit.

For example, suppose the first year the City used County valuations for tax purposes, then the next year wanted more money. They do not

## Riverland ponders annexation

The past week, 60 members of the Riverland Improvement Assn. heard P. G. Wilson talk regarding advantages of that Community annexating into the City of Ft. Lauderdale. Mr. Wilson pointed out many advantages the City would give that the County could not provide for. The Association will have opportunity to study the situation by hearing all sides of the problem.

A communication was sent to the County Commission by the Central Committee of Improvement Assns. requesting a copy of the coming year budget, so that their members would have the opportunity to study same before it is adopted by the Commission.

## OPTIMIST CLUB INSTALLATION

The 1956-57 Officers of the Wilton Manors Optimist Club were installed Saturday Evening, June 16th at Normandy Restaurant by Past Gov. Ken McRae. A fine chicken dinner was served, and Orchids went to some of the lucky ladies present.

President Don Dalgren of the Hollywood Optimist Club and his wife headed the guest list for the evening.

Johnny Howard's two base hit starts his team on their win of the first game of the second half of Junior Baseball. Score, Perrine 4 - Optimist 0. Perrine topped the first half play by winning 7 out of 8 games.

Locally, there are two Chapters located in Bradenton and two in Vero Beach. This is the first year that Florida has been selected as location for the National Convention. Next year it will be held in Denver, Colo.
